TRIPS – The Medway Friends of Elders Coordinate day and overnight trips for the Council on Aging, including a monthly trip to Foxwoods. Day trips have included foliage trips to New Hampshire, apple picking, hay rides, lobster feasts, JFK Library, Peabody Museum and Tanglewood. Overnight trips have included Montreal, Italy, Germany, Ireland, New Brunswick and the south and western United States.

VOLUNTEERS – The Medway Council on Aging and the Friends of Elders could not function as we do without the help of volunteers. If you are able to donate a few hours, whether it be for driving, working in the kitchen, answering phones or leading a class, please let us know. If you have other talents you are willing to share, we would welcome them.

THE MEDWAY FRIENDS OF ELDERS, INC., raise funds to help support the Council on Aging about and beyond what the town budget allows. These areas include the printing and mailing our our monthly newsletter, outfitting the Senior Center and subsidizing programs and activities at the Center. This collaborative effort provides seniors with programs and services that help to enrich their lives and maintain their independence.

HOW CAN I HELP? Medway residents of all ages and their friends and relatives are welcome to join. The cost to be a member of the Friends of Elders is:

\$ 5.00 per senior per year
\$10.00 for non-seniors
\$25.00 for a family

We are also seeking donations for an addition to the Senior Center. We are receiving \$200,000.00 from the state and need an additional \$150,000.00. Donations may be made in memory of a loved one and names will be placed in the new addition.

Membership dues and donations may be sent to:
