Board Meeting Minutes

Date/Time of Meeting: Monday, November 25th, 2019, 6:30PM
Location of Meeting: Medway Public Library, 26 High Street, 1st floor
Committee Members Present: Michael Heavey, Jack Mill, Eric Lindstrom
Town Employees Present: Beth Hallal, Health Agent; Kelly OBrien, Minutes
Guests: George Hailer, Atty of Lawson & Weitzen, LLP; Ray Talkington, PhD of Geosphere Environmental Management; Lester Hartman, MD, Westwood-Mansfield Pediatric Associates.
Called to Order: Meeting for November 26th was called to order at 6:31pm by Mr. Heavey.
Minutes Review: Minutes from August 26th, September 16th, and September 30th were reviewed and unanimously approved by the Board.

Agenda Item 1:

Irrigation Well Permits (3)
Medway Realty, LLC
106 Main Street

Ms. Hallal presented to the Board that 3 irrigation permit applications; noting permit locations on the property satisfy our regulations. Ms. Hallal explained that they want to cosmetically improve the strip mall; displaying the plot plan. She noted that they applied for 3 wells, but all may not be needed. Mr. Heavey posed the question about areas for recharge/drainage on-site. It was explained by Mr. Hailer that the intent is put in a whole new system; catch-basins will be replaced, storm septors, and irrigation intend to be installed/upgraded.

The Board unanimously approved the 3 irrigation well permits for 106 Main Street.

Agenda Item 2:

Well Permit
Greg Whalen
78A Fisher Street

Mr. Whalen presents to the Board for a second time, revisions from a new engineer. Ms. Hallal showed the Board the proposed site of where the house well would be and where the present well is currently standing. She also explained that they had previously put in a well without a permit, so whatever the engineer decides to do with the unpermitted well, she will be notified. She requested that the Board sign the site plan and the well permit.

The Board unanimously approved the well permit for 78A Fisher Street.

Agenda Item 3:

Septic Repair Permit
Barbara Kewriga
25 Oakland Street

Ms. Hallal showed the plot plan of 25 Oakland Street to the Board, stating they have satisfied the request of everything required for the permit. Mr. Heavey requested that the engineer make note of what surrounds the property on future plot plans, and Ms. Hallal said she would address it with the engineer. Mr. Heavey questioned Ms. Hallal if there were variances and if water table was in good standing. Ms. Hallal stated that these questions have been pre-confirmed with Conservation and that there are no variances and the water table is currently in good standing.

The Board unanimously approved the septic repair permit for 25 Oakland Street.

Presentation:

Lester Hartman, MD discussed with the Board about the growing use of nicotine products with adolescents; advocating for the prevention of nicotine products such as "JUUL" and other vaping instruments.

Next Meeting:

Monday, December 9th, 6:30pm, Medway Public Library

Adjournment:

Meeting adjourned at 7:30PM.
