Chairman Trindade explained that there used to be a restaurant, Rossetti's, on the site where the realtor office is. Police officers had a key and could go in for food when the restaurant was closed. He was a caterer for the VFW, a Park Commissioner, active in Little League baseball, and many other activities in the community. Chairman Trindade added that he has contacted the Director of the Council on Aging to do some research on Mr. Rossetti's background.

Selectman White suggested that there should be a way for people years from now to find information on the history of the corner, perhaps on the Town website. Mr. Boynton stated that it could be set up as a section for areas that have been named for people, i.e., athletic fields, squares, corners, streets, etc. Brief discussion followed.

The Town needs time to plan to develop local licensing processes with revenues directed to specific programs, working with local public health and educational programming. The spirit of the letter states that the Town recognizes the support of the voters of the Commonwealth toward the legalization of marijuana, however, there are some key provisions that need to be ironed out. Selectman Crowley asked Ms. Potter to review the letter for a grammatical error he had noticed.

**Selectman Foresto moved that the Board authorize the Town Administrator to forward letters to Governor Baker, Senator Spilka and the rest of the legislative delegation; Selectman D’Innocenzo seconded. No discussion. VOTE: 5-0-0.**

Reporting on the FY18 Budget Process, Mr. Boynton stated that health insurance costs have increased. He hopes to have a draft budget to the BOS in a couple of weeks.
