NEW BUSINESS:

Approval of Invoices:

There are no invoices to approve.

Discussion of potential acquisition of land in Oak Grove Urban Renewal

Area:

The MRA was informed that there were seven letters sent out last month to property owners about the MRA's interest in acquisition. There was one letter which came back not delivered. There will be follow up with assessor about the returned letter to see if there is another address it can be sent to. There has also been conversation with one of the owners who received a form letter from a company offering to buy the property, but erroneously stated an inflated acreage for the property. There was a suggestion to pursue the donation route with some of the parcels which do not have much value. There will be conversation with the assessor to see if the MRA can be notified about changes in names for the targeted parcels. There has been no movement relative to the Williams property. Selectman Crowley tried to reach out to Mrs. Williams but was unsuccessful.

Update on Trotter Drive:

Member Yorkis informed the MRA that he continues to be in communication with the State Representatives. It was communicated by the Town Manager that this may not be a top priority project when other projects have higher priority such as the High School culvert.

Approval of Minutes:

July 25, 2023

On a motion made by Paul Yorkis, seconded by Mike Griffin, the MRA voted unanimously (3-0-1) (abstention Member Stumpf) to approve the minutes from July 25, 2023.

NEXT MEETING:

- September 19, 2023

Adjourn:

On a motion made by Mike Griffin, seconded by Rori Stumpf, the MRA voted 4-0 to adjourn the meeting at 6:25 p.m.

Respectfully submitted,
