Discussion of potential acquisition of land in Oak Grove Urban Renewal Area:

The MRA was informed that there has been little response from the letters which were sent out last month to ten Oak Grove land owners. There has been communication with the representative from Wellesley College about their parcel. There is an issue with this deed. Member Yorkis will provide Ms. Saint Andre with a contact relative to the deed. There has been some movement relative to the Williams property. Selectman Crowley did speak with the daughter of Mrs. Williams. It was communicated to her that the house that her mother resides in will not be taken. The MRA was also informed that there was a comment made at the recent Select Board meeting that there should be discussion as to whether the plug should be pulled on the Oak Grove Renewal Area since it has been 10 years with very little results.
