The Chairman called the executive session of the Medway Redevelopment Authority to order at 6:46 pm.

The Medway Redevelopment Authority was made aware that there was communication relative to the Mele property on Trotter Drive. The MRA is still interested in purchasing this property. One of the lots sold for \$199,000.00 another is being marketed for \$219,000.00. These parcels have been on the market for some time. The MRA discussed that there needs to be two appraisals done. There was discussion if the MRA could make an offer contingent upon funding. The MRA does have funds to initiate the appraisals. Once a firm is selected to do the appraisals the MRA can ask them to do the appraisals at the Mele property first.

On a motion made by Mike Griffin and seconded by Rori Stumpf, the MRA voted by roll call vote to have the chosen appraisal firm be informed to expedite the Mele appraisals and have an offer be created for property.
