David Cole, Chairman
Medway Zoning Board of Appeals

RE: Timber Crest Estate

Dear Chairman Cole,

I am writing to you today in regards to the request by the applicant, Timber Crest LLC, to “Waive all building permit and inspection fees for affordable homes to be built (47 homes)”.

As you may be aware, there have been several projects over the years that have included affordable units and the Town has never granted waivers from Building Department fees. Some of these past projects include:

- Williamsburg
- Charlesview
- Fox Run
- Millstone
- Kingson
- Heritage

Please also be aware that several of the Town’s inspectors are paid per inspection, if fees were not collected then the department would not have any funding to cover the cost for such inspections. I suggest that this waiver not be granted.

Sincerely,

Jack Mee
