Beth Hallal, R. S. Health Director  
bhallal@townofmedway.org

Dear Applicant:

This year, the Board of Health will only allow permit applications and renewals to be done online. If you do not have a computer, you will need to come into our office at 155 Village Street to use our computer station and if needed, we will help you through the application process. Please go to the Town of Medway homepage ([townofmedway.org](http://townofmedway.org)), and choose the **Permitting** link, then **Board of Health Permits**, type in your last name and it will then bring you to all the available Permits/Applications to fill out. Please note that fees may be paid online by adding the total due to your cart, then complete your transaction using the "guest" option, or a check can be mailed to our office. Ensure that you place site specified information onto your check so that we connect it to the correct permit application.

**Please be advised that your 2017 Application cannot be processed completely until the Application is completed in full with all attachments and payment is made.**

If you have any questions, please contact the Board of Health office at 508-533-3206.

Thank you,

Board of Health Department
