#### Buy a Bagster bag

If you have too much junk to fit in your trash can, but not enough to warrant renting a 10- or 20-yard trash container, then a Bagster bag is the answer. Buy the green poly bag at a home center or hardware store, fill it up and call the company for a pickup. The bag holds 3 cubic yards or up to 3,300 lbs. of debris. The Bagster bag costs \$29.95. When you're done with it, you'll be charged a flat rate of \$80 to \$160 to have it picked up, depending on collection costs in your area. Find out more at [thebagster.com](http://thebagster.com).
