Meeting Minutes**

Monday, August 12, 2019 6:30pm

PRESENT: Mike Heavey and Jack Mill

ABSENT: Eric Lindstrom,

ALSO PRESENT: Health Agent, Beth Hallal and Wendy Harrington, Secretary

Michael Heavey called the meeting to order at 6:33 pm.

Ann and Rich Blethen, 411 Village Street, Medway were present to discuss noise at their home from the Excelon power plant. They have spoken to Michael Boynton, Town Administrator and have contacted the DEP regarding a noise complaint, and filing a formal complaint. The Blethen's did claim they hear truck traffic all day and it shakes their house. The noise is believed to be a harmonic noise/humming that is from the fans, not the stack or the engines. Ambient sound tests have been done at the quietest times, a reading will be done and data interpreted. It was suggested the Blethen's submit a formal letter of complaint to the Board of Selectmen.
