

Investment Advisory Committee

Three member committee composed of the Treasurer/Collector and two (2) citizens at large with financial/investment experience.

Appointed by Board of Selectmen

Three year terms

The Investment Advisory Committee provides recommendations to the Town on the investment of its Other Post-Employment Benefit (OPEB) trust and other funds available for long term investment. This includes evaluating and recommending the Investment Management Group, which provides professional management of invested funds, develops investment strategy guided by the Town's investment policies and works with the Investment Management Group to implement investment strategy. The committee reports on its activities annually to the Board of Selectmen.
