Re: Glen Brook Way – Request for Modification of Comprehensive Permit

Dear Ms. Van Campen;

Please consider this notification on behalf of the Medway Zoning Board of Appeals with respect to its determination pursuant to your request dated January 22, 2020, and as clarified on January 30, 2020, for modifications to the Comprehensive Permit for Glen Brook Way dated August 16, 2018, as to whether the proposed modifications are substantial as described under 760 CMR 56.05(11) and 56.07(4).

At its regularly scheduled meeting on February 5, 2020, by a vote of 5-0, the Board determined that that the proposed project changes, as specified in the letters dated January 22 and January 30, 2020, and shown in the redlined version of the approved Comprehensive Permit submitted therewith, are insubstantial.

The changes shall be incorporated into the Glen Brook Way Comprehensive Permit.

Respectfully,

Stefany Ohannesian
Administrative Assistant
Zoning Board of Appeals
