

# Medway Link Trail Community Forum

**Wednesday, January 27, 2016 @ 7 pm**  
**Thayer House - 2B Oak Street**

**Please join us to learn about plans for developing a new segment of the Medway Link Trail to extend the current Trail from Medway High School/Adams ST northerly to Lovering ST.**

## **FORUM TOPICS WILL INCLUDE**

- Review of the overall concept and vision for the Medway Link Trail
- Recent Town Meeting approval to use Community Preservation Act funds to acquire additional open space land north of Adams Street and to design a new segment of the Medway Link Trail from Adams Street to Lovering Street
- Presentation on trail route options for Adams to Lovering Street by the Town's engineering consultant.

Robert E. Weidknecht, RLA, LEED AP  
Senior Associate

- Discussion of a possible future Trail extension to Idylbrook Park
- Recent establishment of the Medway Trail Club, an independent volunteer organization whose mission is to work with stakeholders to build and maintain a trail network and Charles River access open to everyone.

**Light refreshments will be served.**

If you are interested in learning more about trails in Medway or helping to build or use trails in our community, you are encouraged to attend this Community Forum.

For further information, please contact the Medway Conservation Commission at 508-533-3292 or the Medway Planning and Economic Development office at 508-533-3291.
