RE: LRP Recycling  
67 Village St  
Medway, MA 02053

Dear Mr. Ngyen,

Thank you for submitting the proposed signage for LRP Recycling to the Medway Design Review Committee (DRC) for review. The information was filed with the Town by New CC Sign on October 25, 2023.

Pursuant to the Medway Zoning Bylaw, SECTION 7.2 Sign Regulations, this communication serves as the DRC's review letter regarding the proposed wall façade sign. Please be advised that this letter does NOT constitute approval of a sign permit by the Town of Medway. Your sign company must still apply for and secure a sign permit from the Medway Building Department prior to sign installation. Do not install the sign before obtaining the required permit.

On Monday, Nov 06, 2023, the DRC met with LRP Recycling representative to review the proposed signage for the LRP Recycling. You have proposed the following as represented on the sign designs submitted. (**See Attached**).

- Wall Façade Sign 40"x90" (30SF). This sign is not illuminated.

The DRC has no recommendations for this sign.

You are welcome to return to a future DRC meeting for further conversation and ideas regarding signage for LRP Recycling. Please contact the Medway Planning and Economic Development office at 508-533-3291 if you would like to schedule another appointment with the DRC.

In reviewing sign designs for Medway's businesses, the DRC's goal is to enhance the identification value of business signs in Medway. We seek to help Medway businesses and organizations develop their signs as long-term investments, designed for sound readability with appropriate graphics and materials in a manner that suits budgetary constraints and enhances our community's appearance and appeal.

Thank you for your time. We wish LRP Recycling much success in Medway.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew J. Buckley". The signature is fluid and cursive, with the first name "Matthew" and last name "Buckley" clearly distinguishable.
