Pathological Waste			

- Bring your driver's license or other proof of residency.
- Please pack all materials separately and carefully for transportation
- Do NOT mix materials. Mixtures can be dangerous as well as unidentifiable
- Mixed materials will not be accepted
- Bring only household products, label each substance and carry in an open box
- Anyone bringing unaccepted materials to the collection site will be required to take these materials home. They cannot be left at the site.
- Businesses are excluded from this collection. This is true regardless of size.
