

Why Compost?

Composting your food scraps can divert up to 25% of your total trash production.

Use fewer yellow bags and save money.

Create nutrient rich soils.

The DPW sells compost bins at a reduced price.
Order online at www.townofmedway.org.

If you would like an alternative option,
try one of these residential collectors who will
pick up your scraps right at your house!
Composting has never been easier!

Although we can't make recommendations, here are a few
companies to start your search:

Black Earth blackearthcompost.com/

City Compost citycompost.com/

OffBeet Compost offbeetcompost.com/

Garbage to Garden garbagetogarden.org/
