MEDWAY MASTER PLAN PROJECT

& SHARE YOUR PERSPECTIVE!

The Medway Master Plan will be a 10-year vision and road map for Medway's future. The Plan will be the foundational policy document for the Town - guiding local decisions about future growth, preservation, and change. There will be many opportunities for community members to help shape the Master Plan and we hope you will share your ideas along the way!

What do you think makes Medway special?
What makes you proud to be part of this community?
What are the community's greatest opportunities?
What are the greatest challenges?

Join the Medway Master Plan Committee and consultants from JM Goldson at this interactive community forum to provide your input as we kick off the Master Plan project.
