- Big Baller: Just like in the TV show Wipeout. Participants hop, run, or crawl over 4 large red balls. Don't worry, you will not get wet! Beneath the balls is a soft padding.
- Iron Man Obstacle Course: Two opponents compete by racing through 85' of obstacle walls, squeeze plays, tunnel crawls, a wall climb and slide.
- Wrecking Ball is a brand new concept for kids and adults of all ages! Four players climb atop their inflated pads. One of the players grabs the "Wrecking Ball" and hurls it at their opponent in an attempt to knock the player off of their inflated pad. As the "Wrecking Ball" swings back, try and grab it! The player who grabs it first, then hurls it at another player, trying to knock that player off. The last player standing is the champion!
