

## Medway Pride Day 2018 Logo Contest Winners

Medway Pride Day is thrilled to announce the winners of this year's logo contest.

Logan Podzka is an energetic 9 year old boy. Logan enjoys playing baseball, flag football and basketball. Logan is always busy using his imagination. He loves drawing and building sculptures. He can create fun and useful items using cardboard and duct tape. Logan is hoping to find an art camp this summer that he can join.

Elizabeth Schubert has settled in Medway with her husband and two young children since 2015. She finds joy in spending time with her friends and neighbors, volunteering with HOPE Worldwide, being a part of the Little Lambs preschool community, finding creative ways to give back and her greatest joy is raising her family! She seeks to push the boundaries of her creativity, whether cooking a gourmet meal, attempting Pinterest projects or creating a logo for Medway Pride Day.
