

MEETING OF THE BOARD OF SELECTMEN
December 29, 1969

The Board met at the Jr. Sf. High School for the Special Town Meeting then adjourned to the Selectmen's office at approximately 8:30 p.m.

Permission was granted to the Brockton Taunton Gas Co. to install approximately 750' of 2" welded steel gas main on Road "A" from existing main on Sunset Drive with the stipulation that this work be done after March 30, 1970 and that the Police and Highway are notified.

A hearing was scheduled on the joint petition of the Boston Edison Co. and the New England Tel. & Tel. Co. for the installation of conduit on Ellis Street for January 12, 1970 at 8 p.m.

Licenses for all liquor establishments for the year 1970 were signed. It was voted to grant Zajac and Sons a temporary license for 30 days until Town Counsel returns and it can be determined who actually is the owner.

The Board devoted the rest of the meeting to discussion of budgets and the Secretary was dismissed at 10 p.m.

MEETING OF THE BOARD OF SELECTMEN - DECEMBER 15, 1969

The meeting opened at 7:30 p.m. with Chairman Dr. O'Leary, Selectman Anton T. Lahnston, and Selectman Edward A. Borek.

At 7:30 p.m. Mrs. Ksavera Zajac appeared before the Board to request that the name on the liquor license issued to her son be changed to her name. After consulting with Town Counsel Handverger the Board decided to ask the ABC to have the name changed from Julian to Ksavera.

Mr. David Topham appeared before the Board and complained about a water problem in the area of his property on Summer Street. He requested that his driveway be raised to eliminate the problem. The matter was referred to the acting highway superintendent.

At 8 p.m. bids were opened for the printing of the Annual Town Report. Two bids were received. Charles Craft Press, Inc. of Milford entered a bid of \$8.69 per page, approx. 900 copies. Wayside Press, Medway bid \$9.75 per page, approx. 900 copies. Later in the evening the bid was awarded to Charlescraft Press, Inc.

Drawn for jury duty were: Grand jury, Gladys Bruce, 12 Barber St., to commence on January 26, 1970. Drawn for criminal session to commence on January 14, was Edmund G. Charland, 10 Prospect Street, retired and James M. Fitzpatrick, 17 Lovers Lane, Retired.

At 8 p.m. a hearing was held on the liquor license application of Hidy's Health Club, Inc. A lengthy discussion was held on the matter with the question of distance and a need for an additional variance. Several opinions on the means of measuring the distance were discussed. It was brought to the attention of Mrs. Hidy that if the distance did run short that she could obtain the approval of the School Committee. She said that the club was seeking additional income until the club reaches its financial potential. Mr. Nicholas Gish, 281 Village Street, an abutter, appeared on behalf of issuing Mrs. Hidy the license. He said that liquor would be served during the evening when no school sessions would be in progress. Mrs. Hidy was told that the license application would be taken under advisement.

Mrs. Helga Thompson appeared before the board and said that the Town Census would be taken commencing on January 2, 1970. She requested a pay raise for the workers. She was asked to submit it in writing.

Caroline Reardon was appointed to the Board of Registrars on a unanimous vote.

Selectman O'Leary said he had received a phone call from Jack Sheehy resigning as a member of the Finance Committee.

A letter was received from Metcalf & Eddy stating that they would attend the meeting of the Board on January 5, 1970 to discuss the sewerage facilities.

A renewal of an auctioneer and common victuallers license was issued to Louis F. Circone. An auctioneers license was granted to Allan Osborne.

The Boosters Club was granted permission to hold a dance at the V.F.W. Hall on January 17, 1970. This dance will be an all adult dance.

MEETING OF THE BOARD OF SELECTMEN - DECEMBER 15, 1969

A lengthy discussion was held on the recent decision of the Zoning Board of Appeals to allow Samuel Winniker to build two units of housing in the Lovers Lane area, Samwin Road. On an O'Leary-Borek vote the appeal will be filed immediately. Selectman Lahnston abstained from voting because he sought to investigate legal advice prior to filing the appeal. He said he did not approve of the ZBA decision and would agree to the appeal if counsel advised so. He motioned to notify the ZBA Chairman of their decision, and it was so voted. Selectman O'Leary was to get in touch with legal counsel the first thing the next morning. It was agreed that if time was not such a factor, that they could have acted in a more proper way. A lengthy discussion was held on this also. It was also brought up that the abbutters had a much stronger case. All the abbutters protested strongly on the building of multi-units in this area, but again the time was against them.

The Warrant for the Special Town Meeting to be held on December 29, 1969 was prepared for the close of the end year business.

Chief Giallonardo conferred with the Board on departmental matters. The Board will meet on Monday, December 29, 1969 to discuss the budget further with the Chief.

The meeting adjourned at approximately 1:45 a.m.

Respectfully submitted:

Meeting of the Board of Selectmen - December 1, 1969

The meeting opened at 7:30 p.m. with Selectman Borek and Chairman Richard J. O'Leary. Mr. Lahnston entered later in the meeting.

Mr. Richard Knowles, Corner of Wellington and High Streets appeared before the Board to request permission to sell Christmas Trees at his property. Permission was granted.

Mr. Robert Goode was granted permission to conduct a Christmas Party at St. Anthony's Center on Saturday, December 6, 1969 from 7:30-10:30 p.m.

Mr. Diarmuid Higgins appeared before the Board to discuss departmental matters.

Mr. Richard Hanson, 41 Maple Street appeared at the Board's request to answer to an alleged violation of zoning. Mr. Hanson said that he only owned two dogs and a ten week old puppy and that he did not raise dogs for a business. The matter will be discussed with the Chief of Police.

Selectman Borek stated that he had received a complaint from Richard Steinhoff, 385 Village street that an installation done by the telephone company had blocked a brook adjacent to his home and was causing flooding and a hazard to young children on his property. Acting Highway Supt. Higgins will look into the matter.

Mr. Charles Poitras, Bellingham appeared before the Board to discuss the possibility of joining the Medway Police Department. The matter was taken under advisement.

Richard C. Malo, 11 Court Street, Milford was appointed on a Lahnston-O'Leary vote to a Permanent Intermittent position at \$135.00 weekly on the Medway Police Department

A property deed was signed for sale of town land to Sundry Mann, Oakland Street in the amount of \$450. The land located in the rear of Mr. Mann's property was granted approval at the October 30th town meeting.

The meeting adjourned at approximately 10:30 p.m.

Meeting of the Board of Selectmen

November 3, 1969

The meeting opened at 7:30 p.m. with Dr. Richard J. O'Leary and Edward A. Borek.

Mrs. Adolph Lola, 47 Oakland Street, appeared before the board, with a complaint of a drop in her back yard of about 30 feet. She feels that this is dangerous and should be taken care of. The Board advised Mrs. Lola that they would take a look at the situation to see what could be done.

The Jaycees were granted a permit for a dance for November 21, 1969 from 8-11 p.m. at the High School.

Angelo Sia was granted a permit for a Whist Party to be held at the High School sponsored by the Odd Fellows.

The Board proclaimed the month of November as Sight Conservation Month in Medway. Dr. Clifford Magnuson appeared before the board for the taking of photographs.

At 8 p.m. bids were opened for the Snow Plow Blades were opened with Acting Highway Supt. Higgins present. Bids were as follows: Dyar Sales and Machinery Co., 240 Third Street, Cambridge - \$855. Files Equipment Co., Inc. Action - \$920. C.N. Wood Co., Inc. of Watertown - \$985. Bids were taken under advisement. The Board also stated to Mr. Higgins that they would like him to remain on the Fire Department.

At 8 p.m. a public auction was held on the following described land, located on Riverview Street. Number 230 and 231 on the northerly side of Riverview Street, each lot measuring 25 feet in width, 100 ft. in length, according to Plan Book 61, plan 2942, Norfolk Registry of Deeds. Lots number 269, 270, 271, 272, on the southerly side of Riverview Street each lot measuring 25 feet in width, 80 feet in length according to Plan Book 61, plan 2942, Norfolk Registry of Deeds. Two conditions were stipulated by the Board prior to auctioning. The first being that the purchaser agree to construct a street of bituminous concrete with an oil and sand finish from the intersection of Wamesit and Riverview Streets to 25 feet beyond the intersection of Riverview and King Philip Streets, a distance of 255 feet and second that the erection of a highway barrier at the intersection of Riverview and King Philip Streets be completed. Allan Osborne served as auction for the sale. The only bidder was Edward Reardon, Village Street. He bid with an opening of \$50. Mr. Reardon paid the Board by check in the amount of \$50.

Mr. Robert York, 45 Maple Street appeared before the Board to ask permission on a permit to use his home address as a mailing address for a business known as D&S Associates. He said there would be no business conducted at this home other than using it as a mail address. He was informed that permission was not needed.

Order of DeMolay was granted permission for a dance to be held on November 15, at the Elementary school from 8 - 11 p.m.

A letter of resignation was received and accepted with regret from Mr. Gerald Griffin, effective as soon as a placement can be appointed or as of the close of the year end town meeting.

St. Joseph's Corp Club was granted permission for a whist party at the High School on November 15, 1969.

The Eastern Star was granted permission for a fair to be held from 10 a.m. - 4 p.m. on Saturday, November 8.

Anthony Gangitano, 53 Winthrop Street appeared before the Board to inquire about a position with the Highway Department. He was told that the matter would be taken under advisement.

Mrs. Mikolas Hidy, of Hidy's Health Club, Inc. was granted a one-day liquor license for November 13, 1969 in conjunction with a fashion show to take place from 8 - 12 midnight.

Mr. Willis Stevens, Milford Street, was granted permission to sell Christmas Trees.

The Board voted not to grant permission for the excavation of town roads after Decemberr 1, 1969 to March 15, 1970, other than for emergency.

Notification was received from the DPW authorizing the sum of \$12,942. for reconstruction and maintenance of public highways and \$4,314 for highway projects and erection of traffic safety devices.

Petitions received from New England Tel. & Tel. were taken under advisement and Mr. Melpignano, District Agency, Rights of Ways has been asked to appear to discuss the petitions. (Cottage and Main Streets).

The meeting adjourned at approximately 12 midnight.

Respectfully submitted:

Richard J. O'Leary
Edward A. Boreh

Meeting of the Board of Selectmen - November 24, 1969

The meeting opened at 7:30 p.m. with Edward A. Borek and Chairman Richard J. O'Leary.

John Campbell, Pond Street was granted permission to sell Christmas Trees at the corner of Pond and Main Streets.

Mr. Diarmuid Higgins, Acting Highway Supt., conferred with the Board on departmental matters.

Mr. Gerrior, Parkman Construction President, attended the meeting to discuss the signing of the contract for the renovation of the Town Hall. A delay in the signing resulted when it was noted that the sub-contractors had not been contacted and asked to extend their bids. A lengthy discussion of more than two hours was held with Mr. Gerrior, Town Counsel Handverger and the Board. Town counsel questioned several aspects of the contract. Two stipulations were incorporated into the contract: 1. Written approval be received within ten days from the State Emergency Finance Board and 2. The contract be valid providing there was no change in sub-bid contract prices as of the agreement signing date. The word arbitration was struck out of the contract. The Board plans on contacting the sub-contractors on Tuesday on whether they will accept an extension. The Board plans on meeting at 7:30 to complete the contract signing.

Joseph Malloy requested permission for the Historical Society to remove and have for restoration the present stage curtain in the town hall. Permission was granted.

Permission was granted to DeMolay to conduct a dance on December 6, 1969. The following will be chaperones. Mr. John Olson (429-4274) Mr. & Mrs. Bruce Gaylord, Mr. & Mrs. Louis Gentiel, Mr. & Mrs. David Jones, Mr. Harris Loring.

Permission was also granted to the Boosters Club for a dance on November 29, 1969 from 8-11 p.m. at the Elementary School. The following will be chaperones: Mr. & Mrs. Al Brennan, Mr. & Mrs. Bocanowski, Mr. Mariano, Mr. Eunis, Mr. O'Neill, Mr. Dillon & Mr. & Mrs. Daniel Hinkley.

Permission was also granted for a reception to be held at the High School from 4:30 - 7:30. (Refreshments only) on November 27, 1969.

Mr. Norman Clark was granted a permission for an Auctioneer's license.

The Jaycees were granted permission to sell Christmas Trees at the Mobil Station on Main Street. (across from Fernanees)

Mrs. Nikolas Hidy appeared before the Board with an application for an all alcoholic Club License. A public hearing was set for December 15, 1969 at 8 p.m.

Chief Giallonardo appeared before the Board to discuss departmental matters. Also present was Richard Malo, 11 Court Street, Milford. Mr. Malo asked the Board what his status was on employment

Meeting of The Board of Selectmen - November 24, 1969

with the Police Department. Mr. Malo was informed that an appointment would be made next week because of the absence of Selectman Lahnston.

A communication was received from the Bellingham Board of Selectmen commending the Medway Fire Department for the assistance rendered at a fire on Pearl Street in Bellingham.

A letter was received from Charles Poitras of Bellingham asking to be considered for an appointment to the Medway Police Department. He stated that he has been a Police Officer in Bellingham for the last twelve years.

Shirley Paulette, Sec'y

MEETING OF THE BOARD OF SELECTMEN - OCTOBER 14, 1969

The meeting opened at 7:30 p.m. with all members present. The minutes of the last meeting were read and approved.

Mr. John Quinn, Blue-Cross Blue Shield Representative was present to discuss employee benefits and the new rates. The board voted unanimously to accept the increase benefits to be effective November 1, 1969. Rate increases for individuals will be increased from \$8.88 to \$11.44 per month. Family membership will increase from \$27.72 to \$34.32.

Mr. John Chiumento, and Mr. Richard Simard, representing the Jaycees were present. They requested permission for a sign to cross over Route 109 for announcement of events. They said that this sign would also be used for reminders to residents on voting day. They were granted permission with the stipulation that they contact New England Tel. & Tel. Co. for permission to use the pole. They presented ideas on a drug program and asked the feelings of the members for such a program. The Board said they were in favor of such a program. They said they would contact the School Committee and School Supt. for their views.

Mr. Thomas McGowan, Highway Superintendent was present and discussed departmental matters.

A letter of complaint was received from Mr. Edwin M. Jones, 27 Vernon Road. He said that upon examining his property that he recently purchased, that he found a drain pipe running through the middle of his land. He stated that it was a dangerous situation and also was mosquito infested. He asked that the pipe be relocated. The Board decided to check with the Planning Board to see if an easement was obtained.

Mr. Louis Cercone, 320 Village Street was granted permission to erect a sign 35" x 31" at his Auction Room.

A letter was received from District Highway Engineer requesting the board's feelings on a Detour that would re-route all the traffic from Route 16, Holliston down Summer Street to Route 109 and back to Route 16. The Board felt that this was a dangerous intersection and voted to send a letter to Mr. Mistretta as to how long a period this would be and pointed out the dangerous intersection.

A letter was received from the Adjutant, V.F.W. Post. They asked the Board to restrain from giving permission to the Radical Group from entering school property and for use of public property to distribute leaflets.

At 8:30 p.m. the Board adjourned to the Finance Committee's room to discuss the feasibility of combing the highway, water and park department. Present at the discussion were, members of the Board of Selectmen, Finance Committee members Mr. George Archer, Mr. Leonard Carucci, Mr. Frank Bocanowski, Mr. Daniel DiSenso. Present from the Water Commissioners were Mr. Robert Clorite, Mr. John Bocanowski, and Mr. Edward Handverger. Chairman O'Leary stated that since the findings of the town government study group will not be available for some time, the Board of Selectmen would have to decide what steps to take for an appointment to replace Tom McGowan. He said that the Board needed the cooperation and advise of other boards in making their decision whether to appoint a temporary or a permanent employee.

Chairman O'Leary said that the Water Board would soon be facing the same problem and would have to replace the Water Superintendent. The problem of eliminating the Water Superintendent's job that comes under Civil Service was discussed. The problem of a possible Charter Change if the board were to establish a department of public works was also discussed at length.

The Town Warrant for the Special Town Meeting to be held on Thursday, October 30, 1969 was drawn up and includes Seven articles.

- I: Changing the by-laws for the amount of money before going out to bid.
- II: Acceptance of Sunset Drive.
- III: Acceptance of Meadow Road.
- IV: Granting of permission to American TEL. & Tel. for installation of a buried cable.
- V: Conveyance of a strip of land to Sundry Mann for a sum of \$450.
- VI: Renovation of Town Hall.
- VII: The sum of \$3,000 for construction of playfield areas on Oakland Street.

The meeting adjourned at approximately 12:30 midnight.

MEDWAY, MASSACHUSETTS

MINUTES OF THE MEETING - BOARD OF SELECTMEN

October 6, 1969

The meeting opened at 7:30 p.m. with Chairman Dr. O'Leary and Selectman Edward A. Borek, and Selectman Anton T. Lahnston. The minutes of the last meeting were approved.

Mr. Diarmuid Higgins, member of the Fire Department appeared before the board to request permission for Hose I & Hose II to canvas the town on October 12 & October 19 for the sale of tickets for the Annual Ball to be held on October 25, at the KC Hall in Milford. Permission was unanimously granted.

Mr. "Sundy" Mann appeared before the Board to discuss the possibility of purchasing land adjacent to his property, owned by the Park Dept. A discussion was held and the matter was taken under advisement.

Thomas McGowan appeared before the board and discussed departmental matters.

Mr. Richard Williams, 119 Milford Street appeared at the request of the Board for an alleged zoning violation. Complaints had been received on Mr. William's parking trucks and trailers at his property. He informed the members that he is in the process of purchasing a Warehouse in the town of Ashland and that the parking would cease shortly. He stated the only thing holding him up was telephone service. He assured the board that the situation would be rectified in about three weeks at the most; and if for ~~some~~ reason or another it was to be longer he would go to the Zoning Board of Appeals for permission. He did state that occasionally he might have one truck parked overnight if he was working in the area.

Mr. Charles Bresnahan appeared before the board briefly and discussed town meeting date. He was told that a town meeting would be held on Oct. 30, 1969. It was also decided to call a joint meeting with the Park Dept., Finance Committee, Water Board and the Board of Selectmen to discuss the possibility of combining the different departments. The meeting is scheduled for 7:30 p.m. on October 9, 1969.

Mr. David Whitten and Mr. Ed Agro appeared before the Board. The two men appeared to discuss October 15, declared national "Moratorium" day. They discussed at length the handing out of pamphlets and the legality of such. They asked if the board would make a statement in support of this day. After a very lengthy discussion the board took the matter under advisement.

Mr. Walter Johnson, Building Inspector appeared before the Board and informed them that he had only \$20/ left in his "FEES" account. He requested a transfer of \$150.

BOARD OF SELECTMEN

MEDWAY, MASSACHUSETTS

MEETING OF THE BOARD OF SELECTMEN

OCTOBER 6, 1969

PAGE TWO

A communication was received from the Attorney General's office stating that they would conduct a conference on the "Conflict of Interest Law" on Oct. 17 at the Yankee Drummer Inn.

A letter was received from Senator Quindlan asking if the board had any bills they wanted filed for the 1970 legislation. He asked that all bills be in his hands by December 3, 1969.

A letter was received from the DPU on a petition to be heard on the sale of bonds by the Boston Edison Co. The hearing will be held on Oct. 23, at 10 a.m. at 100 Cambridge Street.

A letter of thank you was received from the Holliston Jaycees to the Medway Fire Dept. for their help in burning trees at Breezy Meadows. A note of particular thanks went to Al Boyd, John Clark and Jerome Hanlon.

A letter was received in respect to private uses of accident reports from the Dept. of Corporations and Taxation. The letter was turned over to the Medway Police.

A letter was received from Oldham, Soforenko and Priestly informing the board of the good character and references of Parkman Construction Co.

A permit was issued to the Boosters Club for a dance to be held on October 11 from 8-11 at the Elementary School. "The Sound Rebellion" will be the orchestra.

Blue-Cross Blue Shield benefits were discussed. The Board voted to have Mr. Quinn, representative for BCBS attend the meeting on the 14th to discuss the coverage further.

The public hearing scheduled for 8 p.m. was re-scheduled from the 13th to October 27, 1969 due to the holiday. (Boston Edison Co.)

The meeting adjourned at approximately 12:30 p.m.

Richard J. O'Leary
Arthur J. Schuster

MINUTES OF THE MEETING
BOARD OF SELECTMEN
SEPT. 29, 1969

The meeting opened at 7 p.m. with all members present.

The following were appointed on a unanimous vote to serve on the Town Government Study Committee: Mr. Leonard Carucci, Mr. Gardner Rice, Mr. Archie Gordon, P. Joseph Kenney, Attorney, (Mrs.) Dorothy Hatch.

A brief discussion was held on the special town meeting to be held at the end of October.

A hearing was set for a joint petition between the Boston Edison Co. and the N.E. Tel. & Tel. Co. for October 13, 1969 at 8 p.m. at the Selectmen's Office. The petition is for the installation of a pole on Broad Street, and on Broad Street Ext. Also for a relocation of a pole on High Street, approx. 26 ft. NW. of Wellington St.

A letter was received from Supt. of Schools, Francis J. Burke asking the Board to grant additional funds of \$1371. to the School Dept. Budget to provide for transportation to the Gaebler School for Disturbed Children, located at Metropolitan State Hospital in Waltham. The matter was referred to the Finance Committee, after the Board agreed that it did not come under their jurisdiction.

George S. Johnston, 24 Holliston Street was unanimously appointed to the Recreational Activities Committee.

Charles Bresnahan, Chairman, Park Department appeared before the board and requested \$553. for survey engineering work on Oakland Street. He stated the cost of the engineering would be \$478. with a charge of \$75. for linen maps. The work is to be done by Frank DeSimone, registered engineer, Bellingham. He said the park department was anticipating the installation of one football size field and two junior league fields. The board unanimously voted approval of this money.

Also appearing before the board was Mr. Sundry Mann, 2 Oak View Circle requesting information on acquiring town owned land in the rear of his property. He told the board that for health reasons he wants to install a swimming pool which would require more footage on his lot. After considerable discussion the board said that they would have to check with town counsel to see how the process had to be handled. They told Mr. Mann that it would more than likely have to go before a special town meeting.

Mr. Charles Bresnahan stated that Mr. Arthur "Butch" Blangeard, Highland Street had spoken to him and stated that he was interested in becoming a full time Police Officer. The matter will be referred to the Chief of Police. Mr. Blangeard said that he was interested in special, part-time or full.

Mr. Marshall Forrest, Coffee Street asked that safety signs be installed on his street for the children. He was referred to the Police Department.

The Board adjourned to Sanford Hall at 8 p.m. to meet with department heads on a scheduled meeting.

Selectman Dr. O'Leary told the group that this was a "follow-up" meeting to the previous meeting held on May 5, 1969. He stated that the town government study committee had been appointed and consisted of the following: Mr. Leonard Carucci, Mr. Archie Gordon, Mr. Gardner Rice, P. Joseph Kenney, Attorney, and (Mrs.) Dorothy Hatch.

[illegible]

It is noted that the above information was obtained from the files of the FBI, Bureau of Prisons, and the Department of Justice, and is not to be used for any other purpose.

1. The first of these is the fact that the majority of the population of the United States is now living in urban areas. This is a result of the process of urbanization, which has been going on since the beginning of the 20th century. The process of urbanization is the movement of people from rural areas to urban areas. This is done for a variety of reasons, including the search for better living conditions, the desire for education, and the need for employment. The process of urbanization has led to the growth of large cities and the decline of small towns. This has had a significant impact on the way we live and work. The majority of the population now lives in cities, which are often characterized by high population density, a high level of economic activity, and a high level of social and cultural diversity. This has led to the development of new social and cultural norms, and has also led to the development of new economic and social structures. The process of urbanization has also led to the development of new technologies and industries, which have further contributed to the growth of cities. The process of urbanization is a complex and ongoing process, and it is likely to continue for many years to come. It is important to understand the process of urbanization in order to better understand the challenges and opportunities of the future.

Dr. O'Leary also stated that in the next few days the town would be talking with the railroad officials on the purchasing of the railroad property. He said the town had made an official offer and that we should have an answer by the end of the week.

Selectman Borek asked if anyone had come up with ideas on the compilation of the rules and regulations of all departments in booklet form so that each person would know what steps had to be taken and what permits had to be secured by individuals coming before any board. Charles Bresnahan suggested the board appoint a Town Report Committee to take over the tasks of preparing the annual town report and have them consider this publication. Dr. O'Leary said that it might be good to consider the publication of town department telephone numbers on the inside cover of the report.

Dr. O'Leary called on Chairman John Bresnahan of the School Board next. He said that the school population was continuing to grow with a figure of 2,583 students enrolled in September, 141 more than October of last year. The figure include 20 new high school students. He said the school housing problem was "critical" with 819 youngsters attending the morning session and 791 the afternoon. He said that he thought double sessions would continue next year. He said that three areas not intended for classrooms were being used for such. Mr. Bresnahan gave a brief report on the School Addition Building Committee. He said that the committee consisting of Chairman "Red" Harrington, Everett Peet, Dick Coakley, William Danforth, and Joyce Hofstra were meeting regularly. He said the committee was awaiting word from the state any day now for the "go-ahead". He said the next step would be educational specifications. Mr. Bresnahan was asked when he anticipated completion of the addition. He said that he would like to see it completed in 1971. Finance Committee member Leonard Carucci requested that his committee submit more press releases. Mr. Bresnahan said the committee will meet soon with the Selectmen, School Committee and Finance Committee jointly. Selectman Lahnston asked that committee meetings be publicly stated giving the time and place of the meetings. He said that meetings were being held at the high school faculty room on each Tuesday, at 8 p.m.

Harold Bemis, Chairman of the Board of Health said his boards' workload was constantly increasing because of added state regulations. One in particular was the state regulations on swimming pools. He noted the town could expect trouble to develop with garbage pickup because of labor problems. He said that drainage and sewerage problems had decreased in the last few months but expected them to increase again during the fall and early spring. He said conditions at the town dump had improved with the replacement of a heavy bulldozer. He stated that a directive had been received from the state on the takeover of vaccinations of communicable diseases to the local health boards. He asked that the health board and the school board get together soon to facilitate better administration of the health program. He said that the shortage of local doctors was still a problem but the hospitals were very cooperative. Selectman Anton Lahnston reported the doctor's committee had interviewed one prospect who will not be available until 1970. The committee is preparing a brochure which will be sent out to area medical schools and colleges. He said that several offers had been received from realtors for space once a doctor is secured and the committee will be meeting again shortly.

Charles Bresnahan, Chairman, Park Department said his department is in the process of clearing land for a football field and little league fields off Oakland Street. He said this would alleviate some need for the use of field space. He said it is difficult to work without dollars. He said that school building committees should include field space with their plans and also hoped that something might be worked out with the School Committee to have the use of the gym in the summertime.

(Mrs.) Jeanne Pinkham said the Library Trustees were making do with what they have. She said they realized the needs of other town departments, but said that they will be faced with a problem in the near future.

Dr. O'Leary said the town was ready to go before special town meeting on the renovation of the town hall. He said that bids were received in the amount of \$163,000. He anticipated a special town meeting to be held on either the 23rd or 30th of October. He also said that an article would be inserted on the amount of money to change from \$300. to \$1,000. before going out on bid. He also anticipated an article for the installation of underground wires for Edison and Telephone. At this point, Mr. Burke stated a dangerous situation on Prospect Street with approximately 8-11,000 volts running overhead, which he considered high voltage. Dr. O'Leary stated that they had attended the ribbon cutting ceremonies at Route #495 held in Milford, and said that within the next couple weeks an Industrial Commission would be appointed.

Planning Board member Leo MacDonald said his department had recently reprinted the building code booklet. He said they were still awaiting a decision from the Attorney General's office on the last town meeting. Selectman Borek asked if the Planning Board had taken steps on the rezoning for industrial use. Mr. MacDonald said his board had recently reviewed all areas of town and were at the point on proposing at a town meeting new rezoning locations which would include several industrial areas.

Paul Merrill, Chairman of the Finance Committee spoke next. He said that the town payroll was now partly being done by data processing and was working out very well. He said that his committee was also interested in including data processing for the Assessor's Dept. in the coordination of assessor's notices, and possibly with the water department. He said new budget forms were being revised. He said that Medway had the most comprehensive forms of any town around. Mr. Merrill said that any problems on articles to be studied before town meeting had now been resolved, and he was receiving cooperation from all departments. He was asked when forms would be available for budget processing and he said they were proceeding post-haste and would be available the same as last year around the first of November. He said his committee was busy working on problems towards revising the calendar year toward a fiscal year and members would be attending seminars. Mr. Merrill named members serving on sub-committees.

Edward Handverger spoke for the Water Board and said they were faced with the problem of rebuilding of stand pipe in West Medway which would run approximately \$20-\$30 thousand. He said that the town should be searching for another water supply. He also suggested the purchasing of land, putting bills on data processing.

Fire Chief Joseph Julian was called on next but was out of town. Hyman Kramer was not present. Mr. Harold Bemis spoke for the ZBA saying they were constantly getting in trouble, and other than that nothing much was new.

Highway Supt. Thomas McGowan said the roads were all in bad need of oiling and repairing. He said because of lack of funds and men that some roads had been let go for the last ten years, where they should have been done every three of four. The subject of a DPW was discussed at length. Paul Merrill said he could see no sense of urgency when the board has appointed capable men to a town government study committee for this purpose. Attorney Handverger said a change in charter comes under home rule but would not interfere with idea of having somebody appointed for the position. He said that he would have to look it up but believes that the Water Dept. was created under a special act under legislature that made provisions for who was to run the department but that other town departments could come under the Selectmen's jurisdiction.

It was brought to the attention of all departments that the Board was looking for somebody to serve on the Conservation Commission and the Industrial Board and anybody that knew of somebody that was interested should submit their name.

Veterans' Grave Officer Allan Osborne reported that funds for the care of veterans' lots and graves were inadequate. He noted the town is appropriating approximately \$1.75 per year for the care of each lot and grave and that it should be approximately \$4.50.

Drainage and Sewerage problems at Main Street and Cottage Street were discussed briefly and the Board of Selectmen said they were looking into different phases of drainage for that area. The meeting adjourned to the room of the Selectmen's office at approximately 10:30 p.m.

A permit was issued to the Sophomore Class for a dance to be held at the High School on October 30, 1969.

A permit was also issued to the Boosters Club for Rosemary VanRye to conduct dance classes for approximately 10 weeks commencing on October 3, 1969.

A thank you letter was received from Eleanor Kingsland and Barbara House for the Board's concern on the problem of providing a safe walking area at Winthrop and Main Streets, and installation of sidewalks.

A letter of thanks was also received from the businessmen, professional men, clergy and 800 patrons for their assistance in the continuation of postal services at the sub-station in Medway Square.

The meeting adjourned at approximately 12 midnight.

Respectfully submitted:

Shirley Paulette

BOARD OF SELECTMEN

MEETING OF THE BOARD OF SELECTMEN
September 15, 1969

The meeting opened at 7:00 p.m. with bid openings for the reconstruction of Sanford Hall. Representatives were present from the following companies. Waynrich, Inc. - Framingham with a bid of \$186,700; Parkman Construction Co. West Roxbury, \$163,573. (low bidder); Jayson Construction Co., Danvers, Mass. \$178,074.; Faneuil Construction Co., Newton, Mass.- \$172,542.; Thomas Construction Corp., Winthrop, Mass. \$224,490. - Mr. Robert Soforenko was also present. Discussion followed with members of the finance committee, Daniel Disenso, Frank Bocanowski, and Leonard Carucci. The board plans on submitting an article in the special town meeting anticipated for the middle of October.

The name of Carl F. Young was drawn for jury duty for the criminal & civil session commencing October 6, 1969.

Mr. Daniel Disenso asked if the board could do something about the deplorable condition of the bus shelter on Main Street donated by the Lions Club. The board took the matter under advisement.

Mr. Walter F. Zagal, representing The Division of Savings Bank Life Insurance and Miss Amerlia E. Fantone, Manager, Framingham Savings Bank appeared before the board to discuss coverage of town employees under savings bank life insurance. The members of the Board stated that they would discuss the matter with the Finance Committee.

Mr. Robert Longo, Oakland Street appeared before the board asking when he would receive a check for land damages. He said that it has been sometime and that his patience was running low. Town Counsel said that the bank has to make a release before payment is made. Mr. Longo asked why this has not been done and Attorney Handverger said that it was up to Mr. Longo's Attorney. After a short discussion, Mr. Handverger said he would see the treasurer of Medway Savings Bank and get a release and that Mr. Longo should have his check on 25th of September. Later in the meeting the members of the Board signed a voucher in the amount of \$1700. payable to Mr. Robert Longo. A voucher was also signed in the amount of \$5,000 to William Kendrick, Attorney and Robert Gilbert Grove.

Permission was granted to Richard Mann to paint a sign at 117 Main Street for Milford Auto Parts, Albert Trotta not to exceed 12 square feet.

Permission was denied Henry Zide on a unanimous vote for a Class 2 used car license on Village Street. Mr. Zide was referred to the Zoning Board of Appeals. (Chapter 48, Section 15)

The Board discussed the drainage problem of Mr. & Mrs. Chester Blomgren, 100 Oakland Street and asked town counsel about the legality of blocking the drain. The Board took the matter under advisement and Selectman Borek will take a look at the site.

The Board also requested that Attorney Handverger secure an easement on the Nirenberg property at Sunset Drive so that they may have a foot path.

A letter was received from John Alexander, 35 Summer Street suggesting that a warning light be erected on Route 109 and Summer Street. The Board took the matter under advisement and will discuss with the Chief further.

A letter was received from the Milford Chamber of Commerce inviting the members of the Board to attend the opening ceremonies of Route 495, September 23, 1969 at 11:30 a.m. A luncheon will follow at the Rod & Gun Club.

Permission was granted to Karen Dronzek, 249 Village Street to give baton lessons to approximately 15 girls at her home on Wednesdays. This is a non profit organization and they will be known as the Medway Jeannettes.

Civil Defense Director Henry Zide asked the board for permission to overhaul revolvers used by the Police Department. The Board after discussing it and weighing the pros and cons told Mr. Zide to have six revolvers repaired and use monies from his present budget. He also asked permission to have the Patrol Wagon overhauled. The board suggested that he get an estimate. Also discussed was the use of the generator in times of emergency. It was decided to have a joint meeting with the board of fire engineers to discuss the situation.

On a Lahnston-O'leary motion, Mr. Albert Borek, Holliston Street was appointed to fill the vacancy of Mr. Charles McCarthy who resigned from the Finance Committee.

The board decided to have Mr. Arthur Manoogian attend their next meeting to discuss the 8 ft. taking on Ellis Street.

The following were appointed to the Recreation Activities Committee:
Selectman Edward Borek, Charles Bresnahan, Thomas Carpenter, John Fenton, Robert Koczwar, Paul DeSimone, James Redding, Christopher Russo.

The board signed and approved the establishment of speed regulations by the police and state on Winthrop, Summer and Holliston. The copies were given to town clerk for recording and will be forwarded to the state.

Discussion on multi-unit dwellings was held. Discussed was the hearing set for Sept. 23, of John and David Wilfert, Trustees of Wilfert Bros. Realty, represented by P. Joseph Kenney, attorney. Discussed was qualifications of hearings and it was questioned whether or not they were entitled to a hearing. Town Counsel said the ZBA was set up to accept all appeals desired to be heard. Dr. O'Leary and Selectman Lahnston had visited an apartment constructed by the petitioner and both agreed it was a beautiful complex and would be an asset to the town as far as tax revenue.

The meeting adjourned at approximately 12 midnight.

Respectfully submitted:

Shirley Paulette, secretary

Richard J. O'Leary
Anton P. Lahnston

MEETING OF THE BOARD OF SELECTMEN
September 8, 1969

The meeting opened at 7:00 p.m. with Dr. Richard J. O'Leary and Selectman Anton T. Lahnston.

At 7 p.m. sub-bids on the remodeling of town hall were opened. The following were present. Mr. B. R. Iaccarino, Mr. William Seaver, Miss Rosemary Shea, Dodge Reports, Mr. Paul Greenstein, Mr. Richard Magnanti. Bids were as follows: Robert Scott, Inc. 18 Moreland Street, W. Roxbury, (arch. case work) \$9800. Parkman Construction Co. W. Roxbury, \$12,200. Cheviot Corp. 55 Fourth Avenue, Needham Heights, (acoustical) \$3,871. Gasten Electrical Co., 189 Deli Street, Boston, \$18,700. Star Electric Corp. \$17,400. Colony Electric Co., Worcester \$14,949. Ralph Noone Lumber, Worcester, \$10,900. Patrick Ross Co., Cambridge (caulking) \$1,997. Western Waterproofing, Boston \$2,485. Joseph Gazzola, Inc., Boston (painting) \$10,210. Battista Clemenzi, Hamilton (furring, lathing & plastering) \$4,355. Empire Plate, Cambridge, \$3,043. Lydon & Haas, Norwood \$11,030. Wambold Plumbing & Engineering Corp., Waltham, \$9,690.

Eleanor Kingsland & Barbara House, Winthrop Street appeared before the board and requested a priority on the installation of sidewalks in town. Both stated that the traffic on Winthrop Street has increased and is causing a hazardous condition for children walking to the elementary school. They asked if a temporary sidewalk could be installed to keep the children off the street. The members agreed to visit the spot on Wednesday to see what could be accomplished. The residents also voiced complaints on the hours Medway Block was travelling over the streets. They said it was very annoying at 4:30 a.m.

Eleanor Kingsland was granted a permit for the Republican Town Committee to conduct a "Chicken Barbeque" at the High Street School from 2 p.m. - 4 p.m. on Sept. 14, 1969.

A letter was received from John and Rose Corrado of 81 Oakland Street complaining of the condition of Paul Revell's yard next door. They stated it was a "junkyard" The members also agreed to visit this site on Wednesday, Sept. 10, 1969.

The V.F.W. called requesting permission to conduct a jazz festival on Sunday, Sept. 14, 1969 from 7-11 p.m. After a lengthy discussion on the matter with the Chief, the board took it under advisement.

A hearing was held at 8 p.m. on the acceptance of Sunset Drive and Meadow Road. Two residents appeared from each street. The only question was brought up was from a resident of Meadow Road stating a drainage problem. They were advised that all must be in order because the Planning Board had approved it. The matter was taken under advisement.

A letter was received from Mr. Danello, Milford Ambulance Service requesting an appointment with the Board to discuss services. A letter was sent to Mr. Danello asking him to appear at the meeting of the Board on Sept. 22.

Robert Briggs was appointed to the conservation commission.

Rockton Taunton Gas Co. was granted permission to install a service into 10 Charles Street for Frederick Ribotto.

A letter of resignation was received from Thomas McGowan, Highway Superintendent to be effective on October 31, 1969. A lengthy discussion followed the letter with the Highway Supt. on the possibility of forming a Dept. of Public Works. The Board reluctantly voted to accept Mr. McGowan's resignation. A letter of resignation was also received from Patricia Marcone as clerk for the Highway Dept., to be effective on October 31, 1969.

A notification was received on a public hearing to be held at Nevins Hall, Framingham from the Department of Public Utilities on Boston Edison's petition to install lines for the transmission of electricity from Medway to Sudbury to be held at 10 a.m. on September 22, 1969.

A request for additional \$4,000 for veteran's benefits was received from the Veteran's Agent, Hyman Kramer.

The meeting adjourned at approximately 12 midnight.

Respectfully submitted:

Shirley Paulette
Shirley Paulette, Secretary

Read, amended, and approved;

Richard J. O. Leary

MEETING OF THE BOARD OF SELECTMEN - AUGUST 25, 1969

The meeting opened at 7:30 p.m. with Selectman Anton T. Lahnston acting as Chairman and Edward A. Borek.

At 7:30 p.m. Mr. Robert Byrnes, American Tel.&Tel. Co. Representative met with the board and requested an article be submitted in the next special town meeting for an easement.

Mr. Maurice Poyant and Mr. Leonard Poyant, representing Poyant Signs, Inc. 2812 Acushnet Avenue, New Bedford and Mr. James Civilinski, representing Mars Department Store appeared before the board and asked permission to erect a store sign on the building of Mars Dept. Store located at Main St. Because of the excess size of the sign the request was referred to the Zoning Board of Appeals.

Mr. Irving Finklestein attended the meeting and informed the board he is planning construction of a restaurant between the Post Office and the gas station on Route 109. He told the board he had an approved percolation test and approval of the Planning Board. He said there would be no window service and the layout would consist of approximately 32 seats and would be a chain restaurant catering to sandwiches and ice cream. Discussion between the Board and Mr. Finklestein over the traffic problem was held. Finklestein said he would be willing to go along with any suggestions the board might have in accomplishing a safer entrance and exit from the restaurant.

A hearing was held on the petition of the Boston Edison for the following installations and was approved: Massapoag Street, installation of two new poles. Massasoit Street, one new pole; Village Street, one new pole.

A permit was granted to the Lions Club to hold a Pancake Breakfast on September 7, 1969 at the High School from 7 a.m. to noon.

Supt. of Highways, Thomas McGowan met with the Board and discussed departmental matters.

Permission was granted to Mr. Gino's to erect a 4 x 3' sign.

Mr. John Reardon and Mr. Harold Bemis, members of the Board of Health met at length with the Board of Selectmen. Both board agreed that a stricter regulation should be put on the granting of building permits. A suggested line of order was as follows: Board of Health, Bldg. Inspector, Wiring Inspector, and Plumbing Inspector. The Board of Health will work out a plan and meet with the members of the Board of Selectmen at a later date. Also discussed was the problem of the removal of dead animals. It was agreed that a fee should be paid and a reliable person hired. The Board will discuss this with the Finance Committee.

Mr. Gardner Rice, Lovering Street appeared before the Board on a grading problem where his new driveway has been installed creating a water problem.

Mr. Henry Zide appeared before the Board and asked if the pole on Cottage Street could be removed. He said it was a dangerous situation and his buses could not make the turn on to Main Street. The Board told Mr. Zide they would check into it.

MEETING OF THE BOARD OF SELECTMEN

AUGUST 11, 1969

The meeting opened at 7:30 p.m. with all members present. The minutes of the last meeting were read and approved.

Mr. & Mrs. Chester A. Blomgren, 100 Oakland Street appeared before the board to request a street light near their property. The Board advised the Blomgrens that they would have the Chief check and see the necessity and if a light was necessary would notify Boston Edison.

Mr. Robert Dunton, 42 Highland Street appeared before the Board to be interviewed for employment on the Highway Department. Later in the evening after discussing the interview the Board voted not to employ Mr. Dunton because of his inexperience on heavy equipment. Mr. Dunton was so notified.

The following appeared to register a complaint about the Park Department:

Mr. Robert Korzwara, Mr. James Jeffers, Mr. John Fenton, Mr. James Redding, Mr. Paul Desimone. These men represented the Jr. League, Little League, Babe Ruth League and St. Joseph's Corps Club. The chief criticism was that the Park Commissioners had constantly promised better facilities and has not provided such. The group stated that a full time employee of the Park Dept. had not improved the situation of the parks condition and that the grass cutting and lining of basepaths before the games had been done by the different leagues. A complaint was levied at the School Committee on the condition of the field at the North Elementary School. Following a very lengthy discussion the Board agreed to call a joint meeting of all the groups involved to see if the situation could be improved. A tentative date was set for September 4, 1969.

Mr. Samuel Polinsky, 16 Colonial Road appeared before the Board to file a complaint about very strong and disturbing odors from piles of hops which are being stored at the Katsuff Farm. He said these hops were being brought in to town from a brewery and that hundreds of tons were being stored causing unbearable odors. Police Chief Giallonardo was brought into the discussion. Mr. Andrew Martin, Colonial Road has also complained of the situation. Chief Giallonardo said that he has advised his department to be on the lookout and to stop them from transporting over the Medway roads. The Board said they would do all in their power to have this stopped.

Mr. Irving Finklestein appeared before the board and requested permission to install a sign at his Main Street garage. The board suggested that he hold his request until the recent by-law changes are approved by the attorney general allowing for larger signs.

Highway Supt. Thomas McGowan discussed departmental matters with the Board.

Police Chief William Giallonardo also discussed departmental matters. The following names were submitted to Civil Service for special police officers: Mr. Lawrence Burns, Mr. Harris Kochansky, Mr. John Flood, Mr. William Armstrong, Mr. James Jeffers, Mr. Marshall Forrest, Mr. George Caram, Mr. Joseph Mangiacotti and Mr. John Ward.

AUGUST 11, 1969

Page Two

At 8 p.m. a hearing was held on the request of Mr. & Mrs. Miklos Hidy, dba Hidy's Health Club, Inc. for an all alcoholic club license. No one appeared in opposition to the request. The nearness of the school was brought up and the board said they would check with town counsel. Regarding a question by the board about minors being allowed to use the premises, the owners said they would not allow anyone under 21 years of age in the building. The availability of a license was brought up by Mr. Borek. The Board took the matter under advisement.

At 8:30 the following residents of the Samwin Road area met with the Board to discuss the apartment complexes proposed by Mr. Samuel Winniker; The following opposed the apartments strongly: Mr. Russell Reynolds, 8 Sanderson Street, Mr. & Mrs. John Marshall, Holliston Street, abbutters, Mr. & Mrs. Allan Osborne, abbutters, Mr. & Mrs. Walter Polesky, abbutters, Dr. & Mrs. Kenney, abbutters, Mr. Joseph Julian, abbutter, Mr. Ralph Martin, abbutter, Mr. John Peters, Maryland Nursing Home, abbutter, Mr. Thomas Rourke, abbutter, Mr. Edward Skeans, Holliston Street, Mr. & Mrs. Ellis Mr. Leonard Garrucci, interested, and Mr. Lawrence Leigh, interested, Mr. James Jeffers, representing the Planning Board, Mr. Walter Johnson, Bldg. Inspec. Dr. O'Leary opened the meeting by stating that the Board wanted to bring the residents up to date on what was happening on the proposal. He said the building inspector was asked not to issue the permits for the building, temporarily. He said that the town would now have to make a decision. He said that percolation tests had proved excellent and everything seemed to be in order. The complexes proposed consisted of 11 apartments in one unit and 22 in the second, a total of 33 apartment units. Mr. James Jeffers said that this plan had originally been approved for single dwellings. The abbutters strong points of view were drainage, safety and right of way. Mr. Peters, Maryland Home said that there was not enough suitable footage for a road. He said that the complexes would be a disaster to the elderly patients. Residents questioned why the Board of Health had given their approval when the drainage was so bad. Mrs. Polesky pointed out the danger of the roads in the area, stating that there was barely room now for two cars to pass and with the addition of apartment houses the condition would worsen. She pointed out the danger of the children walking to school in this area particularly with the lack of sidewalks. The Board was asked by Mr. Martin if legal advice could be received on this proposal. Dr. O'Leary told the people that Town Counsel Handverger had asked not to be involved with the proposal because of his involvement with Mr. Winniker. Dr. O'Leary said they had consulted with other lawyers. All the residents complained of poor sewerage in that area. After an hour's discussion on the matter the Board voted to instruct the building inspector not to issue the permits in the best interest of the town of Medway.

Mrs. Helga Thompas was granted permission for a toy sale at 9 Delmar Road for the benefit of the Jimmy Fund on August 27, 1969.

Brockton Taunton Gas Co. was granted permission to install services into 8 Alder and 8 Ellis Street with the stipulation that they notify highway dept. and police department.

A letter of resignation was received from Edwin Mosher from the School Addition Building Committee. The following were appointed to the School Addition Building Committee. Mrs. Joyce Hofstra, and Mr. Allan Richardson.

August 11, 1969

Page Three

Mr. Ernest Wight was appointed as Sealer of Weights and Measures.

The weekly warrant was signed in the amount of \$13,891. The board's next meeting was called for August 25, 1969.

MEETING OF THE BOARD OF SELECTMEN - JULY 28, 1969

The meeting opened at 7:30 p.m. with Anton T. Lahnston, Acting as Chairman, and Edward A. Borek. The minutes of the last meeting were read and approved.

At 7:30 p.m. Mr. Raymond McCausland appeared before the Board and requested permission to convert his garage at 208 Main Street into an Accounting Office. He was informed that the Board had to deny his request because the property was located in a residential area. The Board referred him to the Zoning Board of Appeals.

A letter was received from Samuel Pinkham regarding an easement for a foot path through the Nirenberg property to the North Elementary School. He noted that the footpath was not a part of the original contract and up until a few months ago, the Committee was tied up in arbitration which was now settled and did leave funds that could be used for the path. He stated that it would not be prudent to construct a foot path on private property without any legal agreement. He also said that this had been discussed with all parties concerned and as soon as an legal easement was obtained they would go ahead.

A permit was issued to St. Joseph's Band for a parade to be held from the square to the rectory grounds on August 9, 1969 at 4 p.m.

A letter was received from Congressman Harold D. Donohue stating that he had contacted the General Services Administration concerning procedures for the the town to follow to purchase a surplus bulldozer. He stated that he would advise further as soon as more information is available.

A letter was received from Governor Sargent stating that approval will not be given by the Outdoor Advertising Board against any local ordinances or by-laws in the future.

Mr. John Wilfert, representing Old Colony Apartments appeared before the Board and presented brochures and photographs of apartments constructed in Arlington and Woburn. He stated that he had purchased the Ollendorf Property on Main Street, consisting of approximately 11 1/2 acres. He said he plans to construct apartment dwellingunits. He said finalized plans were not ready as yet but that he had met with the Planning Board. He invited the Board and the Planning Board members to visit units that were in existence. Both members said that they would be interested in visiting the units. He said the units would be of colonial design and would consist of one and two bedroom apartments. He estimated the rental rate at approximately \$205. per month.

Brockton Taunton Gas Co. was granted permission to install a gas service into a home on 14 Sanford Street owned by John Reardon.

The weekly warrant was signed in the amount of \$110,933.49 and the meeting adjourned at 9 P.M. (a first)

MEETING OF THE BOARD OF SELECTMEN
JULY 21, 1969

The meeting opened at 7:30 p.m. with all members present.

A permit was issued to John Dronzsk, 249 Village Street to attach a Notary Public sign to a fence or mailbox.

Mr. Paul F. Mitchell, 271 Village Street was granted permission to conduct a real estate business from his home and erect a sign in accordance with specifications not to exceed 12 sq. ft. Mr. Mitchell also requested permission to conduct a laminating business from his home. Permission was denied due to agricultural residential Zone II district. He was referred to the Zoning Board of Appeals.

A copy of the resignation letter received by the town clerk regarding the resignation of Charles McCarthy from the Finance Committee was received.

Mr. & Mrs. Roger F. Dunham, 15 Charles Street appeared at the meeting to file a complaint about a tree that was cut down on their property without their permission. The Board explained that the reason the limbs were cut were because they created a dangerous situation. After a lengthy discussion on the matter Mr. & Mrs. Dunham were dissatisfied with the explanation and indicated that they would turn the matter over to their attorney. The Board decided to send a letter to Mr. & Mrs. Dunham stating that they have decided to have the tree agent trim the said tree in such a manner as described by law with the purpose of removing the dangerous situation and reference was made to Chapter 87, Section 5 of the General Laws.

The Board voted to send a letter to the Water Commissioners on fixing the driveway that was damaged at the property owned by Mr. Gerald C. LeBlanc, 40 Lovering Street. A copy of this letter was also sent to Mr. LeBlanc.

At 8 p.m. a public hearing was held on the Boston Edison Co. for the storage of 300,000 gallons of kerosene in two 150,000 gallon above ground tanks on West Street. The following attended the hearing: Mr. Warren Roche and Mr. William Stickney, Boston Edison Co., Fire Chief Joseph Julian, Highway Supt. McGowan, Town Counsel Handverger, James Coakley, Eleanor Castle, Robert Niro, Mr. & Mrs. Ashman. The major discussion on the request concerned safety precautions involving the installation. Fire control and conditions were discussed. Company representatives explained the fuel would be used in conjunction with the Jet Engine Edison Plant located in the same area, with the fuel to be used for emergency purposes only. It was explained tanks would be 32½ ft. in diameter and 24 ft. high. The above ground tanks would permit gravity feed eliminating below ground pumping and it was estimated tanks would require filling approximately 25 times a year with access from Summer Street for refueling. The Board said it was their understanding that a previous meeting held with Mr. Roth of the Boston Edison Co. that automatic foam would be included by the Edison Co. at the time of the tank installation to insure maximum safety. Edison representatives said that there was no state regulation requiring automatic foam and that the company had received approval from the state. It was further explained that the tanks would be surrounded by dikes to serve as storage area for any possible leaks and the area would be enclosed by a seven foot fence with additional barbwire. Chief Julian said that it was difficult for fuel to catch fire. Julian said that water would be a necessity however in case of fire to cool the tanks to avoid explosion. He said that a small amount of foam was kept on hand but additional foam would have to be purchased from area towns.

Chief Julian said it was more important that a water line be connected to the site because the existing water line is presently 1500 feet away. Residents did not oppose but had several questions such as would the homeowners fire insurance increase and in case of fire could it travel to the Edison Equipment across the street. Edison replied "no". Also discussed was the traffic flow. Selectman Lahnston asked if the greatest possibility of fire would arise when refueling was in process. The representatives agreed that this is true. The Board stated that they would take the matter under advisement but they were extremely concerned about the safety hazards. The Board decided to have Mr. Frederick Roth, representative of the Boston Edison Co. attend the next meeting to discuss this.

The Board set the date of August 11, at 8 p.m. for a public hearing for Hidy's on their application for a club license. Patriot Ledger in Quincy was sent a letter for advertisement on this hearing.

Mr. Leonard Carucci asked the Board that if future articles proposed at town meetings could contain the sponsor names. The Board agreed that this be done.

Selectman Edward Bofek said that he would have an article submitted on changing the figure of \$300 to \$1,000 for bid figure minimum on town department purchases.

The Selectmen voted to forward a letter to Mr. Samuel Pinkham, School Building Committee for the North Elementary School, encouraging him to take steps in the immediate future for the construction of a path across the Nirenberg Property to Sunset Drive.

Permission was granted to Brockton Taunton Gas Co. for the following:

- Massasoit Street: approx. 350' of 2" steel main
- Massapoag Street: approx. 400' of 2" steel main
- Massapoag Street: gas services into Lots A, B, C, D, and E, for Reardon Ins.
- Fisher Street: 12" main on Fisher Street and run approx. 100' of 6" main in a westerly direction in Milford Street, approx. 4400' of 6" main in a northerly direction to make a tie to existing 6" main on Fisher Street at Country Way for K.B. Rafferty.
- Fisher Street: Gas service into Lot A for Joseph Lewis
- Oakland Street: Gas service into Lot 85 for Robert Heavey
- Village Street: Gas service into Lot 249 for John Dronzek.

Permission was tabled on the request for Carlson Corp., Mars Department Store on Main Street.

Mr. John Chiumento, Chris Russo, Mr. Patterson appeared before the board to request permission for the Jaycees to hold a block dance on August 22, from 7-11 p.m. The following names were submitted for chaperones: Mr. John Chiumento, Mr. Chris Russo, Mr. Patterson, Mr. Hannon, Mr. & Mrs. Carl Eaton, Mr. Henry Miller, Mr. Andy Spezzano, Mr. Dave Harrington, Mr. Dick Simard, and Carol Hannon. Permission was granted.

Mr. Eugene Passi, "Mr. Gino's", 62 Wellsmere Road, Roslindale was granted a Common Victualer's license for the sale of pizzas & submarine sandwiches in the vacated building on Village Street formerly occupied by the Post Office.

Mr. Charles Bresnahan was granted permission to erect a 2 x 2 sign on the corner of Village Street & Charles River Road showing direction to the Tennis Courts.

An application was received from Keystone Carpet Service, Main Street to erect a 3 x 6 sign. Permission was denied because of the zoning laws and Mr. Davidson was referred to the Zoning Board of Appeals.

It was decided to send letters to Senators Brooke, Kennedy, Representatives Woods, St. Cyr, Senator Quinlan, and Congressman Donohue thanking them for their help in keeping the Medway Post Office Sub-Station open.

The board set a date of August 11, 1969 at 8:30 p.m. to meet with all residents of the Samwin Road area to discuss the disposition of the request of Mr. Samuel Winiker to construct apartment houses. Mr. Walter Johnson was also invited to attend this meeting and was asked to withhold the building permit until after that date.

The Board voted to hold a meeting on September 8, at 8 p.m. to discuss the acceptance of Meadow Road and Sunset Drive. All abutters of this property will be notified of this meeting.

The Board voted to send a letter to the Jaycess for the job well done on the fourth of July weekend.

The Board voted to meet on Tuesday, July 22 for bid openings on the renovation of Town Hall. Bids were postponed due to the "Moon Monday" holiday. They also voted to meet on July 28, August 11, and August 25, and September 8, 1969.

The meeting closed at approximately 12 Midnight.

Board of Selectmen

MEETING OF THE BOARD OF SELECTMEN

July 7, 1969

The meeting opened at approximately 7:30 p.m. with Dr. Richard J. O'Leary, Chairman and Anton Lahnston present.

A hearing was held at 8:00 p.m. on the petitions of the N. E. Tel. & Tel. Co. Mr. J. Melpignano appeared to represent the telephone company. Petitions were heard and granted for the installation of the following:

1. One guy wire and anchor from a pole on Summer St.
 2. Seventeen poles, guy wire and anchor on seventeenth pole on Causeway St., southerly side.
 3. Seven poles on West Street.
- All poles to be co-owned with Boston Edison Co.

A permit was granted to Fr. Harrington to hold Field Days on Aug. 7, 8, 9 for St. Joseph's Parish. Field days to be held on Rectory grounds, Barber St.

A permit was granted to the Service League of the Village Congregational Church to hold a chicken barbecue on July 26, 1969 from 5 to 7 p.m. on the Village Green.

A permit was granted to the Village Congregational Church to hold a fair on Saturday, September 20, 1969 from 10:00 a.m. to 4:00 p.m. on the Village Green.

George R. Tabor was appointed special police officer for the V.F. W. for the ensuing year. This appointment resulted from the resignation of John Plympton.

It was also voted to appoint H. Edwin Shaul as Constable for the remainder of the year of 1969 in conjunction with his duties as Deputy Tax Collector.

The application for a Club License by Hidy's Health Farm was held up because it has not been incorporated.

A letter was received from Eugene Marshall, Manager of the Milford branch of the N. E. Telephone and Telegraph Co. relative to the type of service Medway residents can expect in October of 1970. He also requested a copy of the minutes of the selectmen's meeting of Dec. 16, 1968 when he had appeared and explained the type of service that can be expected in the future.

A letter was received from H. Peter Wood of the Norfolk County Mosquito Control relative to the complaint of Mrs. Fontanella regarding the spraying of her strawberries.

Discussion was held relative to article on special town meeting of July 17, 1969 regarding the acceptance of Sunset Drive by the town. An order must be made up changing lay-out of plans in order for this street to be properly accepted by the town. There is not enough time prior to town meeting to have this done and also notify all residents of the street. Therefore, this will have to be tabled until the next town meeting. Mr. Handverger will advise Mr. O'Leary the correct procedure for the order.

July 7, 1969

Mr. Charles Bresnahan of the Park Dept. appeared and requested permission to use the fire department's boat on July 8, 1969 to sprinkle chemicals on the pond. Permission was granted.

He also requested that an article be included in the special town meeting to be held July 17, 1969 for permission to purchase or take by eminent domain land adjacent to the park in West Medway using funds available in the Conservation Fund. Discussion was held and Mr. Lahnston suggested the article should come from the Conservation Committee and with their approval. Dr. O'Leary advised that he felt this article should be submitted for a September town meeting when the turnout of voters would be better. He stated he is in favor of the town purchasing this land, but feels the article should not be added to the upcoming July 17 meeting and he so advised Mr. Bresnahan. Mr. Lahnston also felt he would like to see a recent appraisal of the land.

Mrs. Lillian Bowen of Richard Rd. and Mr. & Mrs. George Miles of Holliston St. attended meeting relative to the Dog Leash Law article which is included on the special town meeting of July 17, 1969. They questioned whether or not the article had a chance of being passed or not. They were also upset that no coverage had been made of the article in the Milford newspapers. Various questions arose relative to the cost of enforcing this type of law. The article as it appears on the warrant for the July meeting does not include provisions for its enforcement. Dr. O'Leary informed them that he had discussed this article with the Finance Committee and in their opinion an article of this type should not be included in a July meeting but rather at an annual town meeting. It was his understanding, therefore, that the finance committee was going to recommend that this article be tabled until the annual town meeting. He suggested that these people contact Paul Merrill relative to the Finance Committee's decision. Dr. O'Leary feels that the article is not specific enough regarding enforcement, etc. and said he could not vote for it as written at present.

A letter was received from Douglas Knotts, Treasurer of the Medway Savings Bank commending the Chief and Officers of the Medway Police Department for their assistance in the fast apprehension of the armed robbers of the Millis Branch of the Medway Savings Bank.

A letter was received from the Civil Service covering job description for police sergeant.

The meeting adjourned at approximately 12:00 M.

Respectfully submitted:

Maureen E. Smith, Sec.

Read, Amended, and Approved:

MEETING OF THE BOARD OF SELECTMEN
JUNE 9, 1969

The meeting opened at approximately 7:30 p.m. with Edward A. Borek and Dr. Richard J. O'Leary.

The name of Edward Handverger, 333 Village Street, was drawn for jury duty for the criminal session, commencing July 7, 1969.

Mr. Edward Warwick, 51 Lovering Street discussed the Lovering Street reconstruction with the Board and asked if they could give a date on the approximate completion. The Board explained the delay was due to shortage of men and also the workload of the Highway Dept. at this time. They told Mr. Warwick that they hoped to get going as soon as possible.

Mr. & Mrs. Richard Goodspeed, Wellington Street appeared before the board and asked what regulations there were in the town on owning a horse. They stated that their neighbor plans on buying a horse and that they are not in favor. The Board told Mr. Goodspeed that this rule would come under the jurisdiction of the Board of Health and that the people would have to obtain a permit from them.

The following applicants appeared in person to apply for the position on the Highway Department: Mr. Hollis Smith, 50, 11 Broad Street. Mr. Smith said he had done mason work. He said he had just come from Las Vegas and California, and hoped to settle in Medway. (SS. 018-18-7391) He gave the name of Mr. Allan Smith, West Groton for a reference.

Mr. John Sarkinan, 9 Broad Street also applied for the position. He said that he had previously been employed by the Dennis Water Department. He said he was 28 years of age. SS. 024-28-9161. He is presently working part time for his brother-in-law. He hoped to get something steady and wished to settle in Medway. He said he had experience operating all types of machinery and had worked part-time for the Barnstable Highway Department. He gave the following references: Mr. Gordon Barker, Supt. Water Dept., Dennis. Mr. Al Andrews, Supt. Barnstable Highway Dept.

A permit was granted to "Red" Greene for the Medway Booster's Club to conduct a dance on June 14 at the Elementary School. He was granted the permit with the stipulation that eight chaperones be present, two of which would be women.

Mr. Joseph Malloy and Mr. Frank Boczanowski attended the meeting to discuss the town hall renovation. It was decided to go out for bid with sub-bids to be opened on 14 July and general bids on 21 July.

A letter was received from Donald Bukis requesting that he be considered for the position on the Highway Department.

The Board voted to hold a public hearing on the joint petition of the Boston Edison Co. and the New England Tel. & Tel. to erect and relocate telephone poles throughout various locations on Monday, June 23, 1969 at 8 p.m. Mr. J. P. Melpignano, New England Tel. & Tel. was so notified.

Mr. Charles Bresnahan went into Executive Session with the Board at approximately 10:30 p.m. to discuss the findings of the ZBA on the Booth Hearing.

Mr. Bresnahan is very disturbed about the finding and would like to appeal it. It was voted to have Miss B. Isabelle McGourty send a copy of the finding to Town Counsel as soon as she was notified. Miss McGourty was advised of this.

The meeting adjourned at approximately 12 midnight.

Respectfully submitted:

Shirley Paulette
Shirley Paulette, Secretary

Richard J. O'Leary

MEETING OF THE BOARD OF SELECTMEN
JUNE 2, 1969

The meeting opened at approximately 7:30 p.m. with all members present.

The following appeared to discuss the dog leash law: Mr. & Mrs. George Miles, Holliston St., and Mrs. George Bowen, Richard Road. The committee said that they are investigating the dog leash law in the surrounding towns and left a report with Selectman Lahnston to look over.

The names of Felix Parchesky, 3 Milford Street, Line Foreman, N. E. Tel. & Tel. and Mr. Arthur D. Nelson, 316 Village Street, Yacht Designer were drawn for jury duty commencing on July 8, 1969, criminal session.

Mr. Earl Wilbur, 3 High Street was granted permission to conduct a barbeque on June 22 at his residence.

Mr. Robert Tedford, 35 Broad Street appeared before the Board and asked to be considered for a position with the Highway Department. After an interview with Mr. Tedford the Board voted to hire him as an employee.

Mr. John McGowan, Jr., Charles River Road, applied for an application for a Class II Used Car License. The Board denied the request because of the zoning laws and referred him to the Zoning Board of Appeals.

Mr. McGowan also submitted his resignation as Sealer of Weights and Measures.

The Board discussed at length highway departmental matters with Thomas McGowan.

Mr. Earl Hofstra, Main Street was granted permission to erect a sign at 171 Main Street advertising his real estate.

The board met at length with Board of Health, Highway Supt. Building Inspector, Town Counsel and representatives of the Mars Discount Dept. Store: Mr. Samuel Freeman, Developer and Mr. David Cavanaugh, Project Engineer, Carlson Corp. The discussion was held on whether or not they would be allowed to run their drainage into the town line. After a lengthy discussion the Board decided to meet with the engineer from the firm on Friday at the location and discuss and look over the area pertaining to the drainage.

Mr. Earl MacRae and Mr. Richard Bennet appeared before the board to request permission to hold a dance at the Elementary School on June 7 and on June 28. After a discussion it was decided to deny the request, because of the problem of chaperones.

Mr. Joseph Winiker appeared before the board and applied for a permit to construct multi-family dwellings. Winiker told the Board that a hearing was held in 1964 with the ZBA and he was denied because of the lack of frontage. Town Counsel Handverger was also present for the discussion. Thomas Curley, Board of Health Agent was asked if a percolation test had been taken. He said the test was one of the best ever taken and that the Board of Health could not deny the permit. The Selectman said that they did not have the right to issue a permit and referred him to the Building Inspector.

Mr. Herbert Rivkin, complained about a sign recently installed across from his store on Village Street. He said that it limited parking to his customer. The matter was discussed later in the evening with the Chief of Police and it was decided to have the sign removed.

A renewal of a shuffle board license was granted to the Village Inn.

A renewal of a junk dealers license was granted to Edward Maron, Maple Street.

A letter of resignation was received from Mr. Edmund Charland, High School Addition Investigation Committee.

Mr. Joseph Ellis, 1 Farm Street appeared before the Board and said that he would be interested in serving on committees for the town. He gave a brief summary of his background.

Mr. Henry Zide appeared before the Board at their request. He said that he had removed all the junk cars from his property. He did not feel that his property was a health hazard. He said that all the buses except two were registered.

The meeting adjourned at approximately 1:00 a.m.

Respectfully submitted:

Shirley Paulette, Secretary

MEETING OF THE BOARD OF SELECTMEN - MAY 27, 1969

The meeting opened at approximately 7:00 p.m. with all members present.

At 7:00 p.m. Mr. & Mrs. Raymond Davis appeared at the request of the Board on a dog complaint made by neighbors. Also present were the neighbors that made the complaint on the Davis's dogs, Mr. & Mrs. Louis Ezzy and Mrs. Nancy Brady. Another neighbor that did not attend the previous meeting, Mr. Trigger was also present. Mr. Davis said that he has been restraining his dogs and would continue to do so. After a heated discussion on the matter, Chairman O'Leary said that he would be in touch with the Chief of Police and would notify Mr. Davis of the Board's decision. Mr. Davis did say he would restrain the dogs, but felt the problem went a little further than dogs. Mrs. Ezzy spoke on the matter and brought up the fact of obscene language, etc. Chairman O'Leary suggested that perhaps if the people as well as the dogs could restrain themselves that it would be a lot easier for all concerned. Mr. & Mrs. Davis plan on moving in approximately a month.

Warrant No. 21 was signed in the amount of \$148,986.43.

The Board adjourned to the Special Town Meeting at the High School to hear the reports and vote on the articles for the proposals on the school.

Respectfully submitted,

Shirley Paulette
Shirley Paulette, Secretary

Richard J. O'Leary

Edward A. Borch

Meeting of the Board of Selectmen
May 19, 1969

The meeting opened at 7:30 p.m. with all members present. The minutes of the last meeting were read and approved.

At 7:30 p.m. Mr. & Mrs. Louis G. Ezzy, and Mrs. Nancy Brady, Vernon Road appeared and registered a complaint about three dogs owned by Mr. & Mrs. Raymond Davis, Vernon Road. After a discussion it was decided to have Mr. Davis attend the next meeting of the Board of Selectmen on Tuesday, May 27, @ 7:30 p.m.

Mr. A. T. Handverger attended the meeting and discussed legal matters with the Board.

At 8 p.m. a Public Hearing was held on the application of Michael E. Rojee and George A. Caram for a license for a Retail Package Goods Store for the sale of all alcoholic beverages. Mr. P. Joseph Kenney, Attorney appeared and spoke in favor of the license. No person appeared to object to the license. Mr. Caram & Mr. Rojee said that the license would be taken under advisement. Later in the evening on a Lahnston-O'Leary motion it was voted 2-1 to award the full liquor license to Mr. Caram & Mr. Rojee. Forms on the favorable action taken and the original application were forwarded to the ABC for their approval.

Mrs. Marge Ranahan, Village Street, appeared before the board to complain about the property owned by Mr. Henry Zide, on Village Street. She said that is becoming a worse junk yard every day and that Mr. Zide has no license to operate a junk yard. Mr. Thomas Curley, Board of Health was called in and asked how he felt. He said that rats could get into the upholstery and that it was a health hazard. It was decided to send Mr. Zide a letter and ask him to appear at the meeting of the Board on June 2, @ 8:30 p.m.

Mr. David Whitten, Charles Street, Mr. Gordon Stewart, Charles Street, Mr. William Oncay and Mr. Thomas Jones, Mr. David Dillon and Mr. Jeff Young of Charles Street appeared before the board and said that there have been two cases of hepatittis and mononucleousus in their neighborhood and felt the reason was ppor drainage, and water lying stagnant from this. After a lengthy discussion on the matter it was decided to look at the situation and see if the highway department could uncover a blocked drain in the area.

A letter was received from the Planning Board withdrawing the name of Henry Zide as their recommendation for field representative.

Mrs. Rose Hidy, Hidy's Health Club owner, appeared before the board to inquire if there was a Club License available and also if she could serve food to the public. She was referred to the Board of Health on the food, and was advised that the Board would write a letter to the ABC as to whether or not there was a license available. A letter was written to ABC requesting the number of licenses available for the sale of all types of all alcohol, in different categories.

A permit was issued to St. Joseph's Corps Club for a Whist Party to be held on May 28 @ the Jr. Sr. High School.

It was voted to award the bid for the planting of trees to Ken Tripp, Norfolk for the amount of \$1795. Trees to be planted in the fall, 100 crimson, 100 Norway Maples. Mr. Tripp was so advised.

A letter was received from John Clark stating that he had transferred from the Highway Department to the Water Department. The Board did not feel that they had the power to accept such a transfer and decided to send a letter to Mr. Clark notifying him of such and asking that he submit a letter of resignation.

Joseph Rojee was granted permission to decorate the Town Hall for Memorial Day for the same price as in previous years.

The following were appointed to the Doctor's Committee: Jacob Sheinkopf, M.D. Ralph Greene, Optometrist; Albert Perlmutter, Dentist; Charles Soforenko, Dentist; Lloyd Teran, Dentist; P. Joseph Kenney, Attorney, John Reardon, Board of Health Representative; Irving Finklestein, Businessman, Mr. Morris Nirenberg; Mr. Romeo Krantz, Mr. Charles Crowley, Mr. Alfred Brennan, Mr. Joseph Hanlon, Mr. Cornelius Stokes, Mr. Lawrence Button, Mr. William Kenney. Appointments were sent to each with a notice of an organizational meeting to be held on May 29, 1969 @ 8:30 p.m. at the North Elementary School.

*Harold Sheinkopf
M.D.*

A letter was sent to Mr. Merrill asking that a copy of the tree agent's budget in detail be sent to Mr. Slatkavitz, Holliston Street.

The meeting adjourned at approximately 1 a.m.

Respectfully submitted:

Shirley Paulette, Secretary

Richard J. O'Leary

Edward A. Borch

MEETING OF THE BOARD OF SELECTMEN

MAY 12, 1969

The meeting opened at approximately 7:30 p.m. with all members present.

At 7:30 p.m. Mr. Alfred Mayer, 68 Oakland Street appeared before the board to discuss a drainage problem on his property. He said that water builds up in front of his home and that he thought that a catch basin would be the best solution for the problem. After discussing the matter with Thomas McGowan, the Board said they would look over the situation to see what could be done.

The following residents appeared before the board with a complaint: Mrs. Marjorie Dicenzo, Mr. & Mrs. James Jeffers, Mrs. Elizabeth DeLuca, Mr. Joseph Malloy, Mrs. Lawrence Henneberry, Mrs. Robert Fish, Mr. & Mrs. Robert Bayard, Mrs. Paul Lavasseur. Mrs. Dicenzo spoke for the group and said they were all very concerned over the deplorable situation the School Street Park was in and over the multi-family units. She said that the situation at the park was dangerous because of the broken glass, broken see-saws, no trash receptacle, etc. Dr. O'Leary said that this was a problem for the park department, but said that he would send a letter to Mr. Bresnahan, Chairman of the Park Dept. requesting that action be taken to clean-up the area. The residents said that automobile parking in the area was becoming hazardous due to the renovation of single family homes into multi-family dwellings. They said that the streets were inadequate to handle numerous amount of parked cars. Mr. James Jeffers said that the area was zoned Commercial III and that multi-family was not allowed unless pre-existing. Dr. O'Leary said that there was a court case pending on one of the units, and that in the future the Board would check permits issued. They also said that they would have the building inspector check into the dwelling where there were not windows in one of the rooms.

Anne Marie Berlyn, a Newton resident appeared before the Board and said she was interested in purchase of property at 127 Holliston Street. She said she was interested in construction of a kennel at that property. and wanted to know if it was zoned for such a business. After a discussion, the Board told her that this was a residential area and referred her to the Zoning Board of Appeals.

Mr. Robert Nutting, Mr. Larry Cibley, and Mr. Frank Forte appeared from the Bellingham Celebration Committee and presented the Board with tickets and an invitation to attend the Water Follies as part of Bellingham's celebration on June 16.

Donna Lambert, 90 Village Street requested a permit to operate a real estate business from her home. Permission was granted on a unanimous vote.

Mrs. Lambert also asked if something could be done on the traffic on lower Village Street. She said one side is posted 35 miles and the other is posted for 25 miles. The Board said they would check with Chief Giallonardo further, but that the signs were under the jurisdiction of the Department of Public Works.

Mr. Joseph Julian appeared briefly to remind the members of the Norfolk County Firemen's Association Meeting to be held on Thursday at the Fire Station. The Board said they would attend.

The Board discussed at length the meeting of the School Addition Investigation Committee and the School Building Committee. A date of May 27, was decided. The Warrant will contain eight articles altogether. It was decided to have each of the committees give their report to the town before a vote was taken. The Board felt that this was the only fair way for the townspeople to choose.

The Board met with Chief Giallonardo on departmental matters. Officer Salvatore Spataro also appeared before the Board at the request of the Board. A letter was received from Officer Spataro's doctor stating that he was physically fit to resume his duties. The Board voted to have Officer Spataro resume his duties on May 18, 1969 and the Chief was notified by letter. He was also asked to keep a watch on the physical ability of Officer Spataro.

The Board voted to award the bid of the Town Barn to Dura-Bility Construction Co. on the recommendation of the Town Barn Committee. Town Clerk B. Isabelle McGourty was notified of the award and that it was awarded in the best interest of the Town of Medway.

Bids were open on the planting of 50 crimson maples and 50 Norway Maples. Bids were received from Wrentham Nurseries for a total of \$2750 and from Ken Tripp of Norfolk for a total of \$1795. The bids were taken under advisement.

A notification was received for the Annual Prison Industrial Meeting to be held on May 21, at the Mass. Corr. Institute. The Board will not attend.

Notification was received from the ABC Commission on the hours of opening for the Memorial Day Holiday, on May 26.

The Board voted to grant permission to USM Division to fill in land in back of their property, and they were so notified.

Mr. Sumner Ellsworth of Ellsworth & Holman Associates appeared before the board to discuss engineering on the Sewerage Treatment Plant. Mr. Ellsworth said he would draw up an agreement and meet with the Board again.

Meeting of the Board of Selectmen

May 12, 1969

Page Three

It was decided to notify Mr. Sidney Finklestein, Mr. Robert Belland, and Mr. Chester Reska that the Town would extend the drain 10' to the property line to try and alleviate the water problem in their area.

The Board decided to send letters to Senator Quinlan, Representatives St. Cyr and Woods and a copy to J. Kinney O'Rourke on the Senate Bill 1349 concerned with local control of bill-boards. The Board feels very strongly towards passage of this bill.

It was decided to send a letter to Mr. James T. Cronin, stating that Chapter 90 Construction on Winthrop to Pond Street would not be done by the Highway Dept. but would go out for bid.

The meeting adjourned at approximately 1:05 a.m.

Respectfully submitted:

Shirley Paulette, Sec'y

MINUTES OF THE MEETING
BOARD OF SELECTMEN
MAY 5, 1969

The meeting opened at approximately 8:00 p.m. with all elected and appointed town officials. Dr. Richard J. O'Leary addressed the group. He stressed the importance of better communication between all the departments and the need for "empathy and sympathy" among all the departments. He felt that this meeting was the first big step in that direction. The following were called upon to discuss the major projects and problems and how other departments could help in these projects and problems.

The first to speak was Edward A. Borek, member of the Board of Selectmen. He said that the major projects of the Selectmen's Department were as follows: Renovation of the Town Hall; Purchase of Land from the New Haven Railroad; Town Sewerage; Drainage Program; Traffic Lights; and Control Speed Zones; To Secure a Doctor for the Town. The major problems of the selectmen were: A better means of communication between departments and the Board of Selectmen; Information from other departments of their policies and regulations; The problem of pay increases and benefits to town employees. How can other departments help? When projects by various departments are undertaken the Selectmen be informed; Copies of policies and regulations of various boards be given to the Board of Selectmen for use by them for information only; At budget time a general understanding of pay increases and benefits granted to Town employees; With the help of all boards and other town officials that a complete book of rules and regulations of the various boards and laws now enforced in the town be compiled.

The next to speak was B. Isabelle McGourty, Town Clerk and Treasurer. She stated that the workload has increased in the town for the Town Clerk and for the Town Treasurer. She said that the town is now seriously considering the use of Data Processing, thus eliminating some of the workload, but still felt that in the near future the two jobs will have to be separated and done by one person.

Due to the fact that Mr. Joseph Potenza, Chairman for the Board of Assessors was out of town, Mr. James Coakley spoke of the sentiments of the Board of Assessors. He said that the major projects in the future are in the area of mapping, that is to have new linens or originals which would be beneficial to the entire town. This might not be too expensive if the names of the property owners are not included on each lot. Mr. Coakley stated that at the present time they are bringing the maps up to date and making corrections. Several years ago when the original linens were done by Schofield Co. there were unnecessary expenses involved in the area of writing the names of owners on each lot. This was a waste of money when you consider the fact that property changes hands

Board of Assessors (Cont'd)

frequently and the same names remain on the maps. He said their card system, which is alphabetical in names of property owners and another set which indicates the lot number and page on the map, it is not necessary to include the names of the property owners on the original lines. This plan will be considered and investigated in detail when his board moves into its new office. Mr. Coakley said that the Assessors are interested in a solid tax base for the town and feel a sincere effort should be formulated for an area to be classified as an industrial park. A major concern of course would be sewerage and drainage but steps should be taken in this area immediately. He said that in a few years Medway would feel the impact of Route 495 especially in the housing area which means more schools and a higher tax rate. The Assessors feel all departments should solidify and move to a common goal by making provisions to attract industry to the town.

Mr. John Bresnahan, Chairman, Medway School Committee spoke next with the following comments. Mr. Bresnahan said that in discussing the three questions asked that they were probably in a little different category than the others. He complimented the Board for calling the meeting and said that he thought all departments could join together. He said their problem is different in that it takes the giant share of the tax dollar. He said the school department must provide solid school program, hire and retain good teachers, keep curriculum up to date and provide necessary tools and school housing. Chairman Bresnahan said the number of teacher has grown in the past eight years from 50 to 129, beginning in September. He said their major problem is school housing. He said the junior senior level is on double session now and the situation will get worse. "We have 84 seniors graduating this year and more than 200 seventh graders entering in the fall." He suggested the possibility of naming a "Medway Committee" consisting of one member of each board to discuss the issues of the town. He said we are all striving for a better Medway.

Mr. Edmund Charland gave the report of the High School Addition Investigation Committee. He said his committee was established to look into the feasibility of an addition to the present high school and that this was their major problem. He said his committee was soon ready to present three proposals to the voters that would mean less building and less cost. He said their proposals will see the town through the housing needs at the secondary level for the next 10 years. He also suggested a school housing needs committee be established consisting of members of each town board.

Mr. Harold Bemis of the Board of Public Health spoke next. He said that public sewerage would be the answer to his board's problems. Mr. Bemis said every time there is a wet spring his board's problems intensify. He also asked that sub-division plans be delivered in enough time so his board could have ample time for study. He also stated the problem of finding a town doctor should be a joint effort of the various boards.

Mr. Robert Clorite, Chairman, Water Commissioners stated that there was a difference of opinion on the fluoridation problem and that his board was completing the updating of maps, reducing the amount of money outstanding, compiling a list of department policy, and a crash program on updating water pipes. He said, "How can other departments help us?" Finance Committee, extra funds; Highway Department, equipment; New office in the town hall and a place to store town records. He said that all the records are now in the town hall and not in a person's home where they used to be stored.

Mrs. Mary Downey spoke briefly when the School Building Committee was called on. She said she would rather have Mr. Wayne Miller, Chairman talk on any problems. She did say the town was pretty familiar with the suggestions of their committee. Mr. Miller was not present.

Mr. Charles Bresnahan, Chairman, Park Department said that their projects and problems are almost coincidental. He said the need for playfield space was critical. He said all playfield areas were being utilized beyond capacity. He requested all school building committees to include this as an automatic facility on all proposed plans. He also said the Planning Board could stipulate when sub-divisions are planned to include playfields. The second project he spoke of was the clarification of water at the West Medway Pond. He asked if the elimination of some town boards and the consolidation of other boards could not be done. He asked for a "pilot" program wherein the school gyms might be kept open in the summer. He said in the past he has had the cooperation of all departments concerned and hoped that this would continue in the future.

Jeanne Pinkham, Chairman of the Board of Library Trustees said their major problem was the acquisition of a centralized library. She said the two present libraries lacked space and parking facilities were bad. She said she did not think the other town departments took the library board seriously enough and cooperation was needed from all boards to solve the Library situation.

Chairman Joseph Hennessey, Planning Board asked how fast the town wanted to grow. He said that his board is now in the process of proposing a new industrial area in the northwest area of town. He said his Board has been and is now in communication with the Holliston Planning Board. 60% of the land would be in Holliston and 40% in Medway. He said that he hoped that sometime in July or August his Board could put the proposal before the town on the rezoning for industry. He said their second project was a complete revision of the rules and regulations of the Planning Board, to allow better control on drainage and the third was a complete study of the flood plains, designed to lessen damage by floods. In answer to Mr. Eresnahan's question on playfield space, he said that his Board looks at every sub-division with a view to seeing if there is space available. He said at this time there is a plan before them and the town would acquire approximately five acres of land, three acres of which would be good for playground area. He said this land will be graded and seeded. He said a major problem facing the board is no communication with voters before a town meeting and said he would like to overcome voter apathy. He asked for more cooperation from town boards prior to a town meeting. He suggested that a public bulletin board be erected near the office with all daily, monthly, and bi-monthly meetings published. He asked that all boards make a joint effort for immediate sewerage, and to see that it is actually started to get installed. We would like to know how fast you want the town to grow? Do you want neighborhood schools? He said let's leave some land by acquiring some land.

Jerome Hanlon spoke for the Housing Authority. He said that the problem for housing for the elderly was serious. Mr. Hanlon said that they have received 50 applications from the elderly but have been turned down on locations to build. He said many are old time residents. He asked if any proposed area could be suggested and if so to contact the Housing Authority on any ideas.

Town Counsel Handverger said that he thought the idea of this meeting was very good and said if every town board acted independently that it would be chaotic. He said that he thought that sewerage was very important. He said that the Planning Board and Board of Health must be careful on the problem of drainage. He said that the best appraiser for land to be taken by eminent domain through court proceedings must be obtained. He said that more consultation should take place between town boards.

Town Accountant Youman was called on next, but was not present.

Mr. Paul Merrill, Chairman, Finance Committee gave his report as follows: What are my department's major projects in the near future? What are my department's major Problems? How can other departments help in these projects and problems? Our projects are: 1. Data Processing 2. Revised budget forms, including a separate salary budget. 3. Revised and expanded annual report and recommendation letters to the voters. 4. Town Hall renovation. Our problem: Our Finance Committee is not given enough time to study articles to be presented at Town Meetings. Suggested solution: It is suggested that the department proposing an article meet with the Finance Committee approximately two weeks prior to Town Meeting or that Town Meeting date be set jointly by the department in question, Board of Selectmen and the Finance Committee, thereby giving the Finance Committee sufficient time and notice to study the proposed article. Town departments should come to the Finance Committee for additional funds before going into any major deficit spending rather than waiting until after they have gone into the red. The Town Accountant should notify the Town Departments at regular intervals of their budget balances, also departments should, where ever possible, anticipate deficit spending. The various departments cannot prepare timely year end budgets due to not having budgetary figures at the proper time. He suggested that the Town Accountant should get year end budget figures out earlier so that the various departments can present a timely budget. He stated that this has been agreed upon last year by the Board of Selectmen and the Town Accountant.

Fire Chief and Forest Warden Joseph Julian said his department was presently installing fire boxes at different locations in the town. Chief Julian said he would like to see higher salaries for the firefighters because of the increase in the workload due to the increased population. He asked that the updating of fire machinery continue with the purchase of new equipment.

Mr. Hyman Kramer, Director of Veterans benefits said that his category was handled by state laws guiding him. (Chapter 115 of the General Laws) He did state that his budget for allowance should be increased because of the anticipated growth. He said that practically every family in the state of Massachusetts is eligible for benefits in one way or another.

Mrs. Barbara Corey, Board of Registrars spoke next. She said that "initially, I would like to state that I, too, am strongly in favor of this type of meeting. I commend the Board of Selectmen for emphasizing the need for interdepartmental cooperation and understanding. It is important within a department as well. As a member of the Board of Registrars, I would like to explain that the following comments represent my answers to the Selectmen's questions and do not necessarily constitute the view of the Board as a whole."

Board of Registrars (Cont'd)

Mrs. Corey said that the Registrars major project should be in updating the voting list as required by laws so that it is arranged in numerical order of the street numbers. It is currently in alphabetical order. She stated that a new form for the voting list, instead of a large difficult to handle sheet should be had. She said shw would like to see an 8 1/2" x 11" booklet form which might be put out on IBM machines. This is done in some other towns, including Norfolk, which has a much smaller voting population. Some registrars find that this aids them in keeping lists current and accurate. She said that the major problems they have is a serious lack of space for files and storage of materials. She hoped that this would be eased with the planned renovation of the town hall. She said that she could see no immediate need for assistance from other departments, that they are of course, closely allied with the Town Clerk. Without her knowledge, patience, understanding and untiring effort they could not function at all. She stated that they were deeply indepted tp her.

Speaking for the Zoning Board of Appeals, Harold Bemis said this Board was a highly controversial one. He said that his board will alleviate problems when they can for the townsepeople, but that they had rules to follow. He also spoke briefly on the job of the cemetery commissioners and the upkeep of the graves on perpetual care.

Walter Johnson, Building Inspector said that his major problem is a serious one. He said though a home may be structurally sound, the landscaping is not completed for proper drainage. He said many drive-ways were not installed properly and caused excessive water drainage. He said the law has to be enforced, but the town should compensate their employees when going to court. He suggested a more efficient way of ridding the town of condemned property. He said the building code of the town should be updated.

Francis Kelley, Gas Inspector was not present.

Mr. Gordon Hasenzahl spoke on behalf of the Conservation Commission. He said their major projects were acquiring land to be used for parks and projects. He said sewerage and drainage was a problem but it was going to take time to eliminate this. He said the lack of interest by the residents was their major problem and asked how to get them interested. He said the same people in town were serving on several boards and that something had to suffer because one person can not do all the work.

Chief of Police William J. Giallonardo spoke on the duties as Police Chief, Fence Viewer and Field Driver, and Dog Officer. He said that his department is now in the process of making a survey for traffic lights at the intersection of Route 109 and Route 126. He spoke on the influx of hoodlums with the coming of Route 495 close to Medway. He spoke on recruitment problems and also the idea of a minimum maximum wage salary to be proposed. He also mentioned the town's acquisition of radar and how this may help the slowing down of motor vehicles in the town.

Mr. Allan Osborne spoke next on the maintenance of Veterans Graves. He said that the laws on the upkeep of these graves are very strong. He said that his budget has not been updated for the past 25 years. Mr. Osborne also spoke as Warden of Precinct II. He said that they were having problems with counters and recommended that when the Democratic and Republican Town Committees make recommendations that they keep in mind the ability of these people to count.

Mr. Thomas McGowan, Highway Superintendent spoke next. Mr. McGowan told the group that his workload has increased and that out of 124 streets in town, all but four were faced with drainage problems. He said that his department would be starting the installation of new drain pipes on Milford Street. He stressed the need for town sewerage. He said his department was behind in road construction because of the increased workload due to drainage problems. Mr. McGowan stressed the need for parents to speak to their children about damaging street signs and blocking up drain pipes. He asked if a joint effort could be made for citizens to remove debris from their property. He stated that we are coming to a time when a Department of Public Works will be necessary.

Mr. Henry Zide, Civil Defense Director said that he would submit his report at a later date, due to the time element.

Dr. O'Leary congratulated and thanked the departments for their fine cooperation in the joint meeting and said that a meeting will be scheduled for a later date to discuss the problems and finish the meeting. The meeting adjourned at approximately 10:40 p.m.

MINUTES OF THE MEETING - MAY 5, 1969
BOARD OF SELECTMEN

THE MEETING OPENED AT APPROXIMATELY 8:00 P.M. WITH ALL ELECTED AND APPOINTED TOWN OFFICIALS. DR. RICHARD J. O'LEARY, ADDRESSED THE GROUP. HE STRESSED THE IMPORTANCE OF BETTER COMMUNICATION BETWEEN ALL THE DEPARTMENTS AND THE NEED FOR "EMPATHY AND SYMPATHY" AMONG ALL THE DEPARTMENTS. HE FELT THAT THIS MEETING WAS THE FIRST BIG STEP IN THAT DIRECTION. THE FOLLOWING WERE CALLED UPON TO DISCUSS THE MAJOR PROJECTS AND PROBLEMS AND HOW OTHER DEPARTMENTS COULD HELP IN THESE PROJECTS AND PROBLEMS.

THE FIRST TO SPEAK WAS EDWARD A. BOREK, MEMBER OF THE BOARD OF SELECTMEN. HE SAID THAT THE MAJOR PROJECTS OF THE SELECTMEN'S DEPARTMENT WERE AS FOLLOWS:

Renovation of the Town Hall; Purchase of Land from the New Haven Railroad; Town Sewerage; Drainage Program; Traffic Lights; and Control Speed Zones; To Secure a Doctor for the Town.

THE MAJOR PROBLEMS OF THE SELECTMEN WERE:

A Better means of communication between departments and the Board of Selectmen; Information from other departments of their policies and regulations; The problem of pay increases and benefits to town employees.

HOW CAN OTHER DEPARTMENTS HELP?

When projects by various departments are undertaken the Selectmen be informed; Copies of policies and regulations of various boards be given to the Board of Selectmen for use by them for information only; At budget time a general understanding of pay increases and benefits granted to Town employees; With the help of all boards and other town officials that a complete book of rules and regulations of the various boards and laws now enforced in the town be compiled.

The next to speak was Miss B. Isabelle McGourty, Town Clerk and Town Treasurer. She stated that the workload has increased in the town for the Town Clerk and for the Town Treasurer. She said that the town is now seriously considering the use of Data Processing, thus eliminating some of the workload, but still felt that in the near future the two jobs will have to be separated and done by one person.

Due to the fact that Mr. Joseph Potenza, Chairman for the Board of Assessors was out of town, Mr. James Coakley spoke of the sentiments of the Board of Assessors. He said that the major projects in the future are in the area of mapping, that is to have new liners or originals which would be beneficial to the entire town. This might not be too expensive if the names of the property owners are not included on each lot. Mr. Coakley stated that at the present time they are bringing the maps up to date and making corrections. Several years ago when the original lines were done by Schofield Co. there were unnecessary expenses involved in the area of writing the names of owners on each lot. This was a waste of money when you consider the fact that property changes hands frequently and the same names remain on the maps. He said with their card system, which is alphabetical in names of property owners and another set which indicates the lot number and page on the map, it is not necessary to include the names of the property owners on the original lines. This plan will be considered and investigated in detail when his board moves into its new office.

BOARD OF ASSESSORS'S (Cont'd)

Mr. Coakley said that the Assessors are interested in a solid tax base for the town and feel a sincere effort should be made to bring desirable industry in to the town. Plans should be formulated for an area to be classified as an industrial park. A major concern of course would be sewerage and drainage but steps should be taken in this area immediately. He said that in a few years Medway would feel the impact of route 495 especially in the housing area which means more schools and a higher tax rate. The Assessors feel all departments should solidify and move to a common goal by making provisions to attract industry to the town.

Mr. John Bresnahan, Chairman, Medway School Committee spoke next with the following comments. Mr. Bresnahan said that in discussing the three questions asked that they were probably in a little different category than the others. He complimented the Board for calling the meeting and said that he thought all departments could join together. He said their problem is different in that it takes the giant share of the tax dollar. He said the school department must provide solid school program, hire and retain good teachers, keep curriculum up to date and provide necessary tools and school housing. Chairman Bresnahan said the number of teachers has grown in the past eight years from 50 to 129, beginning in September. He said their major problem is school housing. He said the junior senior level is on double session now and the situation will get worse. "We have 84 seniors graduating this year and more than 200 seventh graders entering in the fall." He suggested the possibility of naming a "Medway Committee" consisting of one member of each board to discuss the issues of the town. He said we are all striving for a better Medway.

Mr. Edmund Charland gave the report of the High School Addition Investigation Committee. He said his committee was established to look into the feasibility of an addition to the present high school and that this was their major problem. He said his committee was soon ready to present three proposals to the voters that would mean less building and less cost. He said their proposals will see the town through the housing needs at the secondary level for the next 10 years. He also suggested a school housing needs committee be established consisting of members of each town board.

Mr. Harold Bemis of the Board of Public Health spoke next. He said that public sewerage would be the answer to his board's problems. Mr. Bemis said every time there is a wet spring his board's problems intensify. He also asked that subdivision plans be delivered in enough time so his board could have ample time for study. He also stated the problem of finding a town doctor should be a joint effort of the various boards.

Mr. Robert Clorite, Chairman, Water Commissioners stated that there was a difference of opinion on the fluoridation problem and that his board is conducting a complete investigation of the fluoridation system. He said his board was completing the updating of maps, reducing the amount of money outstanding, compiling a list of department policy, and a crash program on updating water pipes. He said "How can other departments help us?" Finance Committee - extra funds; Highway Dept. can help with equipment; New office in the town hall and a place to store town records. He said that all the records are now in the town hall and not in a person's home where they used to be stored.

Mrs. Mary Downey spoke briefly when the School Building Committee was called on. She said she would rather have Mr. Wayne Miller, Chairman talk on any problems. She did say the town was pretty familiar with the suggestions of their committee. Mr. Miller was not present.

Mr. Charles Bresnahan, Chairman, Park Department said that their projects and problems are almost coincidental. He said the need for playfield space was critical. He said all playfield areas were being utilized beyond capacity. He requested all school building committees to include this as an automatic facility on all future proposed plans. He also said the Planning Board could stipulate when sub-divisions are planned to include playfields. The second project he spoke of was the clarification of water at the West Medway Pond. He asked if the elimination of some town boards and the consolidation of other boards could not be done. He asked for a "pilot" program wherein the school gyms might be kept open in the summer. He said in the past he has had the cooperation of all departments concerned and hoped that this would continue in the future.

Jeanne Pinkham, Chairman of the Board of Library Trustees said their major problem was the acquisition of a centralized library. She said the two present libraries lacked space and parking facilities were bad. She said she did not think the other town departments took the library board seriously enough and cooperation was needed from all boards to solve the Library situation.

Chairman Joseph Hennessey, Planning Board asked how fast the town wanted to grow. He said that his board is now in the process of proposing a new industrial area in the northwest area of town. He said that his Board has been and is now in communication with the Planning Board for the town of Holliston. 60% of the land would be in Holliston and 40% in the Town of Medway. He said that he hoped that sometime in July or August his Board could put the proposal before the town on the rezoning for industry. He said their second project was a complete revision of the rules and regulations of the Planning Board, to allow better control on drainage and the third was a complete study of the flood plains, designed to lessen damage by floods. In answer to Mr. Bresnahan's question on play field space, he said that his Board looks at every sub division with a view to seeing if there is space available. He said at this time there is a plan before them and the town would acquire approximately five acres of land, three acres of which would be good for a playground area. He said this land will be graded and seeded. He said a major problem facing the board is no communication with voters before a town meeting and said he would like to overcome voter apathy. He asked for more cooperation from town boards prior to a town meeting. He suggested that a public bulletin board be erected near the office with all daily, monthly, and bi-monthly meetings published. He asked that all boards make a joint effort for immediate sewerage, and to see that it is actually started to get installed. We would like to know how fast do you want the town to grow? Do you want neighborhood schools? He said let's leave some land by acquiring land.

Jerome Hanlon spoke for the Housing Authority. He said that the problem for housing for the elderly was serious. Mr. Hanlon said that they have received 50 applications from the elderly but have been turned down on locations to build. He said many are old time residents. He asked if any proposed area could be suggested and if so to contact the Housing Authority on any ideas.

Town Counsel Abraham Handverger said that he thought the idea of this meeting was very good and said if every town board acted independently that it would be chaotic. He said that he thought sewerage was needed. He said that the Planning Board and Board of Health must be careful on the problem of drainage. Whatever we do, the best appraiser for land to be taken by eminent domain through court proceedings must be obtained. He said that more consultation should take place between town boards.

Town Accountant was called next, but was not present.

Mr. Paul Merrill, Chairman, Finance Committee gave his report as follows:

What are my department's major projects in the near future? What are my department's major problems? How can other departments help in these projects and problems. Our projects are: 1. Data Processing 2. Revised budget forms - including a separate salary budget. 3. Revised and expanded annual report and recommendations letter to voters. 4. Town Hall Renovation. Our problem: Our Finance Committee is not given enough time to study articles to be presented at Town Meetings. Suggested Solution: It is suggested that the department proposing an article meet with the Finance Committee approximately two weeks prior to Town Meeting or that Town Meeting date be set jointly by the department in question, the Board of Selectmen and the Finance Committee, thereby giving the Finance Committee sufficient time and notice to study the proposed article. Town departments should come to the Finance Committee for additional funds before going into any major deficit spending rather than waiting until after they have gone into the red. The Town Accountant should notify the Town Departments at regular intervals of their budget balances, also departments should, wherever possible, anticipate deficit spending. The Various departments cannot prepare timely year end budgets due to not having budgetary figures at the proper time, said Mr. Merrill. He suggested that the Town Accountant should get year end budget figures out earlier so that the various departments can present a timely budget. He stated that this has been agreed upon last year by the Board of Selectmen and the Town Accountant.

Fire Chief and Forest Warden Joseph Julian said his department was presently installing fire boxes at different locations in the town. Chief Julian said he would like to see higher salaries for the firefighters because of the increase in the work load due to increased population. He asked that the updating of fire machinery continue with the purchase of new trucks.

Mr. Hyman Kramer, Director of Veterans benefits said that his category was handled by state laws guiding him. (Chapter 115 of the General Laws) He did state that his budget for allowance should be increased because of the anticipated growth. He said that practically every family in the state of Mass. is eligible for veterans' benefits in one way or another.

Mrs. Barbara Corey, Board of Registrars spoke next. She said that initially, I would like to state that I, too, am strongly in favor of this type of meeting. I commend the Board of Selectmen for emphasizing the need for interdepartmental cooperation and understanding. It is important within a department as well. As a member of the Board of Registrars, I would like to explain that the following comments represent my answers to the Selectmen's questions and do not necessarily constitute the view of the Board as a whole.

BOARD OF REGISTRARS (Cont'd)

Mrs. Corey said that the Registrars major project should be in upgrading the voting list as required by law so that it is arranged in numerical order of the street numbers. It is currently in alphabetical order. She stated that a new form for the voting list, instead of a large difficult to handle sheet should be had. She said she would like to see an 8 1/2" x 11" booklet form which might even be put out on IBM machines. This is done in some other towns, including Norfolk, which has a much smaller voting population. Some registrars find that this aids them in keeping lists current and accurate. She said that the major problems they have is a serious lack of space for files and storage of materials. She hoped that this would be eased with the planned renovation of the town hall. She said that she could see no immediate need for assistance from other departments, that they are of course, closely allied with the Town Clerk. Without her knowledge, patience, understanding and untiring effort they could not function at all. She stated that they were deeply indebted to her.

Speaking for the Zoning Board of Appeals, Harold Bemis said this Board was a highly controversial one. He said that his board will alleviate problems when they can for the townspeople, but that they had rules to follow. He also spoke briefly on the job of the cemetery commissioners ~~and~~ ^{briefly} the duties of the cemetery commissioners on the upkeep of the graves on perpetual care.

Walter Johnson, Building Inspector said that his major problem is a serious one. He said though a home may be structurally sound, the landscaping is not completed for proper drainage. He said many driveways were not installed properly and caused excessive water drainage. He said the law has to be enforced, but the town should compensate their employees when going to court. He suggested a more efficient way of ridding the town of condemned property. He said the building code of the town should be updated.

Francis Kelley, Gas Inspector was not present.

Mr. Gordon Hasenzahl spoke on behalf of the Conservation Commission. He said their major projects were acquiring land to be used for parks and projects. He said sewerage and drainage was a problem but it was going to take time to eliminate this. He said the lack of interest by the residents was their major problem and asked how to get them interested. He said the same people in town were serving on several boards and that something had to suffer because one person can not do all the work.

Chief of Police William J. Giallonardo spoke on the duties as Police Chief, Fence Viewer and Field Driver, and Dog Officer. He said that his department is now in the process of making a survey for traffic lights at the intersection of Route 109 and Route 126. He spoke on the influx of hoodlums with the coming of Route 495 close to Medway. He spoke on recruitment problems and also the idea of a minimum maximum wage salary to be proposed. He also mentioned the town's acquisition of radar and how this may help the slowing down of motor vehicles in the town. He spoke of the Holliston Street Bridge hazard and the control of speed throughout the various parts of town.

Mr. Allan Osborne spoke next on the maintenance of Veterans Graves. He said that the laws on the upkeep of these graves are very strong. He said that his budget has not been updated for the past 25 years. He said the upkeep of graves has gone up from \$1.65 to \$4.50 per grave. He said that the flag should fly over a veterans grave 24 hours a day, 7 days a week, 52 weeks a year and that they are provided one flag a year. Mr. Allan Osborne also spoke as Warden of Precinct II. He said that they were having problems with counters and recommended that when the Democratic and Republican Town Committees make recommendations that they keep in mind the ability of these people to count. He said that the eyesight of some of the counters was bad and that they slowed down the rest.

Mr. Thomas McGowan, Highway Superintendent spoke next. Mr. McGowan told the group that his workload has increased and that out of 124 streets in town, all but 4 were faced with drainage problems. He said that his department would be starting the installation of new drain pipes on Milford Street. He stressed the need for town sewerage. He said his department was behind in road construction because of the increased workload due to drainage problems. Mr. McGowan stressed the need for parents to speak to their children about damaging street signs and blocking up drain pipes. He asked if a joint effort could be made for citizens to remove debris from their property. He stated that we are coming to a time when a department of public works will be necessary.

Mr. Henry Zide, Civil Defense Director said that he would submit his report at a later date, due to the time element.

Dr. O'Leary congratulated and thanked the departments for their fine cooperation in the joint meeting and said that a meeting will be scheduled for a later date to discuss the problems and finish the meeting. The meeting adjourned at approximately 10:40.

Respectfully submitted:

A communication was received from the Bellingham Board of Selectmen notifying the Board of a rescheduled meeting on the Charles River Study. The meeting will be held in Bellingham on May 8 at 8 p.m. at the Town Hall. Mr. Gordon Hasenzahl was informed of the change in the meeting.

It was unanimously decided to employ the services of Ellsworth & Helman Associates to do the engineering studies on the Sewage Treatment Facility. Mr. Ellsworth was so notified, and a request made of him to contact the Board Secretary for an appointment to discuss the matter further.

A letter was received from John Plympton resigning from the Highway Department effective immediately and also as a special police officer for the V.F.W. Post. The resignation was accepted and a letter was sent to Mr. Plympton accepting the resignation and thanking him for past services.

It was also decided to send a letter to Mr. Roger Corey thanking him for his many years of devoted service to the Town as a member of the Finance Committee.

The Board voted to go out on bid at the request of the Tree Agent, John Slatkavitz, for fifty norway maples and 50 crimson maples, 10-12 ft. in height and 1 1/2 inch caliber with one growing season guaranteed. Bids to be opened May 12 at 8 p.m.

The Boston Edison Co. was granted permission for use of the town hall civil defense room for a program meeting on May 8, from 9 a.m. - 3 p.m.

Mr. Douglas Knotts, Sunset Drive appeared before the Board and asked when acceptance of Meadow Road and Sunset Drive could be put before the voters. Town Counsel advised that Sunset Drive could be accepted because easements had been secured but that Meadow Road could not be accepted because of a pending court case. Mr. Knotts stated that these roads were without the services of rubbish pickup, police protection and highway dept. services. Mr. Knotts asked if these articles could be written up for the next special town meeting. Dr. O'Leary said that he preferred that they be written up for the meeting that followed because the next meeting would involve the Schools.

The Corp. Club was granted permission for an appreciation Whist for April 30 at the Jr. Sr. High School from 7-11 p.m. and for a Spaghetti Supper on May 10 at the Elementary School. Permission was granted to the Catholic Daughters for a Whist Party to be held at St. Anthony's center on May 6.

A letter was received from Joseph Higgins, Village Street, asking that he be considered for any openings on the Highway Dept. The letter was taken under advisement and filed.

Permission was granted to Mr. Gilbert Greene to erect a real estate sign at 113 Main St. with the same specifications as provided in the letter from Mr. Cassidy. The sign to be 3 x 4 ft. Mr. Greene was so notified.

On a Berek-Lahnston motion the following were unanimously appointed: Mr. Donald Blethen for a three year period on the Finance Committee, Mr. Charles Silva, for a three year period and Mr. George Archer for a three year period. Also appointed on a unanimous vote was Mr. Paul Merrill to serve as representative for the Board of Selectman on the Memorial Day Committee and Mr. James Wojdylak and Mr. Daniel McCarthy on the Memorial Day Committee representing the Legion Post.

MEETING OF THE BOARD OF SELECTMEN
APRIL 28, 1969

The meeting opened at approximately 7:30 p.m. with Dr. Richard J. O'Leary, Selectman Anton T. Lahnston, and Selectman Edward A. Borek. The minutes of the last meeting were read and approved.

Mr. Thorne appeared before the Board and asked to have a name drawn for jury duty for the criminal session beginning May 12, 1969 at Dedham. The following name was drawn: Mr. Frederick J. Ranahan, 295 Village Street, Trouble Man, Boston Edison Co.

A letter was received from the Board of Library Trustees requesting permission to draw from the general government account in the amount of \$100 to hire Walter Cunha of the Boston Athenaeum, a specialist in the preservation and restoration of historical materials. The Board voted to grant permission, with the stipulation that the amount not exceed \$100.

The Board voted to grant permission to the Breckton Taunton Gas Co. to replace a 2" main on Charles Street from Campbell Street and to install 500' on Haven Street from Village to Charles Street.

At 8 p.m. Radar Bids were opened and read. Two bids were received. Central Equipment Co., Millis, bid in the amount of \$895. in accordance with specifications provided. G.H. Kenney Associates bid in the amount of \$850. in accordance with specifications. Later in the meeting after discussion on the matter with the Chief of Police, it was unanimously voted to award the bid to Central Equipment on the grounds that it was in the best interest of the town, mainly because of the close proximity. Town Clerk was so notified. At 8:15 p.m. bids were opened on the Base Station Radio. Bids were received from Allied Communications Corp. and from the Motorola Co. in accordance with the specifications provided by the Chief. Allied Communications Corp. bid in the amount of \$1,091.00 for one G.E. transistorized base station, Model DM74RAS22. Motorola submitted a bid in the amount of \$1,125.50. After discussion later on in the meeting it was voted to award the bid to Allied Comm. Corp. in the amount of \$1,091.00.

Money appropriated was \$1,100. and it was decided to award the bid to the lowest bidder in the best interest of the Town. Town Clerk & Chief of Police were both notified.

The following citizens appeared before the Board with a drainage problem: Mr. Chester Reska, Mr. Robert Belland, and Mr. Sidney Finklestein of Lovering Street. Selectman Lahnston said that he had seen the area and it appeared that land fill covered a natural gully that once existed. The first possibility was that the town may have possibly closed up the duct with the reconstruction or possibly been filled in. Selectman O'Leary asked what the responsibility of the town was, and felt that the matter should be taken care of. It was decided after discussing the problem that the best solution would be to get together with the Highway Supt. and look into the matter. The citizens asked if possibly the water could be pumped by the fire dept. or highway dept. because of the dangerous situation. The Board decided that this could be done as soon as possible and that in the next week they would get together and look into the situation.

Mr. Benjamin Landi, 67 Alpine Place, Franklin requested permission through the Board's secretary to open a fruit stand for the summer months on the property of Mrs. Crosby on Main Street. Permission was denied because of the present zoning by-laws prohibiting this type of business.

Mr. Thomas Campbell, Pond Street appeared before the Board to request permission to conduct his outdoor stand on the corner of Main & Pond Street as he had done in previous years. Permission was granted.

Chief William Giallonnardo met and discussed departmental matters with the Board. The Selectman asked the Chief if he had any definite date on the return of Patrolman Salvatore Spataro. He stated that he would check. After checking he said that Patrolman Spataro would see his doctor on the 11th of May and report his findings. The Board asked that the Chief attend the meeting on May 12 with Patrolman Spataro to discuss his return. Also discussed was the possibility of installing lights at the intersection of route 126, Main & Village Streets. On this matter the Board decided to get in touch with Mr. Cronin, DPU, and have him set up an appointment with the Board to look over the situation. The Chief submitted a list of Special Police Officers for reappointment. The Board appointed all names submitted on a unanimous vote. It was decided to get in touch with Mr. Heuser, Norfolk County Mosquito Control and have him set up an appointment to attend a meeting to discuss the mosquito problem for the coming year.

The secretary was dismissed at approximately 1:15 a.m.

Meeting of the Board of Selectmen
April 21, 1969

The meeting opened at 7:30 p.m. with Dr. Richard J. O'Leary, Anton T. Lahnston and Edward A. Borek.

At 7:30 p.m. Mr. Arthur Adams, 231 Daniel Street, and David J. Adams, 101 Wachusett Street Franklin, along with Anthony Sadowski, Lincoln Street appeared before the Board seeking information on a transfer of Beer & Wine License from Anthony J. Sadowski to the Adams Brothers. An application was filed and the Board said to go ahead and advertise in a County newspaper before any decision on the matter could be made. They also requested if they would be allowed to open on Sunday. Dr. O'Leary said that he would check with Town Counsel and let them know.

Mr. R. J. Fitzmaurice, Brockton Taunton Gas Co. Supt. appeared before the Board at the request of the Selectmen. They discussed numerous gas installations throughout the town and also said that in a few cases the Company failed to notify the Highway Supt. Mr. Fitzmaurice said that he would make sure that the Supt. was notified in all cases and would submit a list of installations planned for the year. Mr. Fitzmaurice also said that the Gas Co. was responsible for the restoration of property after an installation. The Board stated that they had a few instances that this was not taken care of, but has been since notifying Mr. Fitzmaurice.

A Junk Collector's permit was issued and given to the Town Clerk for the renewal license of Louis F. Cereone, Village Street, Medway.

A letter was received from Senator Quinlan inviting the Board to a meeting at the Elementary School at 8 p.m. on Wednesday, April 23, 1969. Senator Quinlan will give a talk on current and pending legislation.

Dr. Lee J. Herzig, 66 West Street, Veterinarian appeared before the Board and asked if it were possible to erect two small direction signs to his hospital. He stated that many people are having difficulty finding his location because of dark roads. The Board said that they would have to check the legality of posting the signs. The Board also said that they would like to review the site, to be sure that they would not be a hazard.

Police Chief William Giallonardo appeared before the Board briefly to discuss departmental matters. The Board told the Chief that they are compiling statistics to present at the May 1 meeting of the Board of Selectmen in the town of Medfield, on the relocation of Route 109. The Chief stated that there has been eight deaths on Route 109 since 1964 and a total of 462 automobile accidents.

The Board adjourned to the next room to meet with the Finance Committee on the Special Town meeting articles. The meeting will be held Thursday, April 24 at the Jr. Sr. High School. Eighteen of the articles were submitted by the Planning Board.

After a lengthy discussion with the Finance Committee the Board commenced with their meeting. Discussed was the appointments of new members to the Finance Committee. Dr. O'Leary stated that Roger Corey was not interested in being reappointed. Also, Mr. Charles McCarthy stated that he was not interested in being reappointed. The Board did unanimously vote to appoint Joseph Malloy to a three year term and also Henry Zide as Civil Defense Director.

Selectman Lahnston brought up the name of George Archer as a Finance Committee member. The Board took the name under advisement. They also discussed the possibility of John McGowan as a member. Dr. O'Leary said that he would check with Town Counsel on the "Conflict of Interest Law" as to whether John would be in conflict as he is also a Fireman and Sealer of Weights and Measurers.

Discussed was the appointment of members to the Conservation Committee. It was decided to send a letter to Gordon Hasenzahl stating that the Board was going to increase the membership to six and asked for recommendations. On a unanimous vote Mr. Walter Brough and Mr. Paul Wilson were both reappointed for a two year and a three year term consecutively.

It was also decided to send the Conservation Commission a letter requesting that one of their members attend the Charles River Study Meeting to be held on May 1 in the Town Hall in Bellingham because of the Board's commitment for another meeting on the same night.

The Board signed the Warrant in the amount of \$20,384.80.

The Secretary was dismissed at 12 midnight.

MEETING OF THE BOARD OF SELECTMEN
APRIL 16, 1969

The meeting opened at approximately 7 p.m. with Dr. Richard J. O'Leary, Anton T. Lahnston and Edward A. Borek.

A letter was received from Sumner D. Charm Associates offering their services to the Board regarding matters of collective bargaining, technical assistance, wage and salary programs, organization or feasibility studies and economic surveys. The Board decided to forward the letter to the School Committee.

Requisitions were received from the Civil Service Commission. The list of Patrolmen eligible included one name, Paul Joseph Vipraio, 76 Alpine Place Franklin. Civil Service Commission noted that the certification should be acted upon within two weeks. The Board decided to wait until their next meeting on Tuesday, April 22, before any action on the authorizations are made.

The Board decided to send letters to the Commanders of the V.F.W. Post and the American Legion Post requesting them to submit to the Board as soon as possible two names each of men willing to serve on the Memorial Day Committee.

The Board received a letter from the Outdoor Advertising Division of the Commonwealth of Mass. in answer to a letter to them requesting that hearings be held in the town of Medway. The letter said that due to lack of appropriations, all hearings must be held in the city of Boston. Mr. Lahnston will attend the hearing scheduled on the petition of Donnelly & Sons Advertising.

A letter was received from Governor Francis Sargent in reference to outdoor advertising. He asked that the towns review by-laws pertaining to this type of advertising. He asked that towns issue injunctions against violators and see that illegal signs were removed. He said that he will instigate the legislature for more control on outdoor advertising and if these are not complied with will have local authorities enforce more control.

The Board discussed the transfer of a Beer & Wine License from Henry J. Sadowski to Michale E. Rojee and George A. Caram. After reviewing the application and legalities, the Board unanimously voted to approve the transfer. The vote came on a Borek-Lahnston motion. Form 43 was sent to the ABC Commission for it's approval of the transfer.

A letter was received from the Zoning Board of Appeals notifying the Board that they had approved the petition of Adams and Amato of Natick based on a hardship occurring if the variance was not approved.

Mr. Robert Tedford, 35 Broad Street sent a letter to the Board requesting to be considered for a position on the Highway Dept. The matter was taken under advisement.

A letter was received from John F.X. Davoren, Sec. of State requesting a recommendation for Robert T. Livermore who has filed for a certificate of incorporation under Chapter 180. The Board will ask Chief Giallonardo to check the record for Mr. Livermore before action is taken on the matter.

Meeting of the Board of Selectmen

April 16, 1969

Page Two

A letter was received from ZBA notifying the Board of the public hearing to be held at the town hall on April 29 at 8 p.m. on the petition of the Boston Edison Co.

Other meeting dates discussed were as follows:

Medfield Board of Selectmen for discussion of relocation and widening of Route 109 on April 30. Charles River Study Program Meeting with the Town of Bellingham on May 1. Also on May 1, meeting at Dean Jr. College at 6:30 p.m. on Route 495 discussion. Registration will be forthcoming. Norfolk County Selectmen's Assoc. at the Twin Lantern on May 12.

The Board went into executive session to discuss matters pertaining to Patrolman Salvatore Spataro on his ability to return to work.

The secretary was dismissed at approximately 8:30 p.m.

BOARD OF SELECTMEN

Meeting of the Board of Selectmen
March 4, 1969

The organizational meeting of the Board opened at 7:30 p.m. with Selectman Richard J. O'Leary, Selectman Edward A. Borek, and Selectman Anton Lahnston. The minutes of the last meeting were read and approved.

The Board organized for the year as follows: Selectman Borek opened the meeting with nominations being accepted for Chairman. Selectman Lahnston nominated Selectman O'Leary, Selectman Borek seconded the motion. No other nominations were made for Chairman. Selectman O'Leary was VOTED. Selectman Borek then accepted nominations for Clerk. Selectman O'Leary nominated Selectman Lahnston, Selectman Borek seconded the motion. No other nominations were made and Selectman Lahnston was so VOTED.

Dr. O'Leary thanked the members for their confidence in electing him Chairman and welcomed Selectman Lahnston to the Board.

Mrs. Shirley Paulette was appointed Secretary to the Board for the coming year on a unanimous vote.

The Board announced that Annual Reports are now ready and would be available at the Town Clerk's office until 4:30 p.m. After 4:30 p.m. the books could be obtained at the Police Station. It was decided not to deliver the books door-to-door this year.

At 8 P.M. the fire engineers, Mr. Joseph Julian, Mr. Jerome Hanlon, and Mr. William Douglas appeared for the opening of bids on a Four Wheel Forest Fire Truck. The only bid received and opened was that from the Farrar Company, Woodville, Mass. They submitted a bid of \$11,795.00 with truck in-trade, and an alternate bid of \$11,900, 50/500 GPM. (Water Capacity) The Board took the bid under advisement. It was decided to send a letter to Mr. Clarence Farrar, President thanking him for the bid and advising him that before an award could be made the Article would have to be voted on at the Annual Town Meeting.

On a Borek-Lahnston motion the following were appointed on a UNANIMOUS VOTE:

Mr. A. T. Handverger, Town Counsel (1970)
Mr. Joseph Julian, Fire Engineer (1970)
Mr. Jerome Hanlon, Fire Engineer (1970)
Mr. William Douglas, Fire Engineer (1970)
Mr. Joseph Julian, Forest Warden (1970)
Mr. Thomas McGowan, Highway Superintendent (1970)
Mr. John Slatkavitz, Tree Agent and Moth Agent (1970)
Mrs. Anne V. Hanlon, Board of Registrars (Term to expire 1972)
Mr. John P. McGowan, Sealer of Weights and Measures (1970)
Mr. Walter Johnson, Building Inspector (1970)
Mr. Richard J. Choate, Assistant Building Inspector (1970)

At approximately 8:30 p.m. Mrs. Florence Mucci, Richard Road appeared before the Board with a complaint of the excessive amount of snow being deposited in her driveway. She stated the plow is picking it up and travelling about 160 feet before depositing the snow in her driveway. Dr. O'Leary stated that he had researched the matter of snow and that this was the largest amount of snow we have received in this area since 1716. She said that she realized this, but at the same time was being faced with twice the amount of anybody else because of the way the contractors were dumping it. Mrs. Robert Quinn, a neighbor of Mrs. Mucci's stated that he felt that this was true of Mrs. Mucci's driveway. She said that she had contacted the Highway Superintendent and received no satisfaction. Dr. O'Leary said that he thought Mr. McGowan was doing a good job for the amount of snow received. He said that he would check with Mr. McGowan to see what could be done on the matter.

Mr. Charles Bresnahan, former Selectman, appeared before the Board and congratulated Selectman Lahnston on his victory. He said that both he and Mr. William Kenney would be glad to be of service to the Board in any way that they could on decisions that might have been made while they were in office. Dr. O'Leary thanked Mr. Bresnahan for the offer.

Mrs. Barbara Corey, appeared before the Board and expressed concern over the amount of snow and whether it might create flood conditions. She requested the Board make some type of preparation in case this did happen. After a discussion on the matter, the Board said they would warn the residents to be prepared and would look further into details on what could be done. The Board also stated that the residents should be shovelling their hydrants.

Police Chief William J. Giallonardo appeared before the Board to discuss departmental matters. He submitted a letter from Henry M. Clements, Patrolman, resigning from the Police Department as of March 22, 1969. The Board asked that the Chief have Patrolman Clements submit a copy of his letter of resignation to the Town Clerk and to the Board before any action would be taken.

Correspondence was received from Mr. Robert Ramsey, 2 Clinton Street, Framingham, informing the Board of the services of Mr. William Curtis, 15 Holmes Road, Ashland, a registered fire engineer. The Board agreed to have Mr. Curtis meet with the Board in about six weeks and it was decided to send a letter to Mr. Curtis informing him of the recommendation.

Mr. Al Brennan, United Shoe Machinery, Main Street, applied for a permit to erect a sign in their place of business. The sign is 14 square feet. The present zoning law reads the limit of signs to be no more than 12 square feet. The Board decided not to make a decision until they check with Town Counsel on the zoning law.

Meeting of the Board of Selectmen March 4, 1969

Page Three

Selectman Lahnston was dismissed at 12 midnight.

Dr. O'Leary said that he would attend the meeting of the Mass. League of Cities and Towns to discuss the tax problem for local communities at the Norfolk Central School on March 8, 1969. Selectman Lahnston will check with Dr. O'Leary and try to attend the meeting also. Selectman Borek said that he would not be able to attend this week but would attend the meeting at Stoughton next week, March 15, 1969.

The Board went into lengthy discussions on the budgets for 1969, and met briefly with the Finance Committee. Also discussed was the Town Barn proposal.

The Secretary was dismissed at 1 a.m.

MEETING OF THE BOARD OF SELECTMEN
APRIL 14, 1969

The meeting opened at 7:30 p.m. with Dr. Richard J. O'Leary, Anton T. Lahnston, and Edward A. Borek. The minutes of the last meeting were read and approved.

A permit was issued to the Demolay for a basketball game on Friday, April 18, 1969 at the High School and for a Dance at the Elementary School on April 26, 1969.

A permit was also issued to Helga Thompson, Chairman, Art Festival Committee for an exhibition to be held on May 17 and 18 at the Elementary School.

Mrs. Dorothy Haas, Coffee Street, appeared before the Board with photographs and issued a complaint about the Brockton Taunton Gas Co. doing damage to her property when installing gas mains. After a brief discussion it was decided to send a letter to Mr. R. J. Fitzmaurice, Brockton Taunton Gas Co. and have him come to the Board's meeting to discuss this problem and others.

At the request of the Board of Selectmen, Mr. Leo Gulley, Sector Director of Civil Defense appeared before the Board. Also present were Henry Zide, and Albert Pickering. The Board discussed at length Civil Defense matters. Mr. Gulley said that Civil Defense leaders for the various towns were all on a voluntary basis. He noted that the role of a civil defense director was that of serving as a coordinator for the Selectmen and other departments, such as Police, Fire and Highway. Mr. Gulley stressed the importance of public relations and stated that residents should be kept informed of the importance of the civil defense program. Mr. Gulley said that he would be glad to attend any meetings any time the Board had any questions and would be glad to discuss any problems. No decision was made on the appointment of a Civil Defense Director, and the matter was taken under advisement.

Mr. Sidney Finklestein appeared before the Board and stated that his property had approximately four feet of water due to a leaching area, on the property of "Chet" Reska. The Board said they would check the area with Tom McGowan, Highway Supt. and see if a drain could be put in to eliminate the problem. Mr. Finklestein said that this problem did not exist before the reconstruction of Lovering Street and felt that the drain might have been covered over.

Mr. Paul Mitchell, Mr. Leo MacDonald, Mr. Paul Wilson and Mr. James Jeffers, Planning Board members met jointly and discussed changes in the Zoning By-Laws. They discussed at length the articles that will be included in the Warrant for the Special Town Meeting to be held on April 24, 1969. The discussion of swimming pool regulations brought about the question of whether or not all swimming pools should be required to be fenced in.

Mr. George Miles, Holliston Street, appeared before the Board to ask about the possibility of some type of dog leash law. He said that he had two pet rabbits killed this week by a neighbor's dog inside his garage. He also said that one of his children had been bitten by a dog. The Board said that they thought an investigation was warranted on the matter. The Board will take the matter under advisement and look for volunteers to serve on the committee to look into the matter.

The following members of the High School Addition Investigation Committee met jointly with the Board: Mr. Edmund Charland, Mr. Everett Peet, Mr. Robert Harrington, Mr. William Danforth and Mr. Richard Coakley. Also attending were members of the School Building Committee Mr. Wayne Miller, Mr. Ben Summers Mrs. Mary Downey and School Committee member Mr. Daniel Seacoard, Finance Committee member Mr. Roger Corey. The Committee discussed at length the proposal that they will be putting before the town. They noted that they have hired Priestly Associates to help them out in their investigation. They said that Priestly Associates will prepare a brochure to be distributed to the voters describing the proposal which the committee will put before the voters. The Committee plans to submit alternate proposals as well. They said that they would first propose a free standing addition to the present high school which will contain approximately 100,000 sq. ft. This will be used to house grades 7, 8, and 9 and the present building will house grades 10, 11, and 12. The addition will include 11 special areas, 46 regular classrooms. The present proposal will cost approximately \$2.6 million completely furnished. The Committee asked that a special town meeting be called for the first part of May. They said they would have special hearings on the proposal before the meeting. Mr. Wayne Miller said that he could not commit the support of his committee in support of the proposals set forth by the investigation committee until he looked further into the matter.

The Warrant which includes 17 articles prepared by the Planning Board and five additional articles was discussed and prepared.

The meeting adjourned at approximately 11:20 p.m. The Board decided to continue their meeting on April 16, 1969.

Respectfully submitted:

Shirley Paulette

BOARD OF SELECTMEN

Meeting of the Board of Selectmen

April 7, 1969

The meeting opened at 7:30 p.m. with Dr. Richard J. O'Leary, Edward A. Borek, and Anton T. Lahnston.

A permit was issued to the American Legion Post for a Dance and a one day "Beer & Wine Linense" for Friday, April 18, 1969. Also a permit was granted to the Legion Auxiliary for a "Poppy Day" sale to be held on the 8th & 9th of May, 1969.

Mr. David Newton, 100 Lovering Street, appeared before the Board and stated that he had been rejected by the New England Police Photographer's Association. He said that he would like to be appointed a Special Police Officer, in order that he may join the Association. He said because he was not a member of the Police force, and just a Photographer for the Department that he was not eligible. The Board told Mr. Newton that they would discuss the matter with Chief Giallonardo and notify him of the decision.

Mr. Paul Wilson appeared before the Board and discussed the possibility of the Police Department handling dog licenses. He stated that he had received several complaints about the hours that the licenses may be obtained. The Board said that they would check with Town Counsel and Chief Giallonardo on the matter.

At 8 P.M. Bids were opened on highway department materials. Bids were scheduled to be opened on the Photo-copying Machine, but there were no bids received. The Board decided that they would go ahead and purchase the machine, not to exceed the appropriation.

Highway Dept. Bids were as follows:

E. C. Murray Construction Co., Inc. - \$ 8.50 per ton in place. Asphalt Paving

Trimount Bituminous Products Co. - Asphalt, per gal. furn. & Applied or delivered to containers:

Asphalt:

SC2 and SC5 Road Oil \$.187

RC 70, RC 250, RC 800, RC3000 .196

Bit Concrete Hot mix F.O.B. Ashland \$ 6.10 per ton

Bit Concrete Cold Patch F.O.B. Ashland, \$6.10 per ton

At approximately 9 p.m. a telephone call was received from Mr. John J. Tringle, 43 Lovering Street, complaining about a water problem. The Board said they would look into the matter.

A letter was received from the A.B.C. Commission with the following Patriot's Day regulations: hotels, taverns, restaurants and clubs may sell during usual hours. Pkg. Stores may sell between the hours of 1 and 11 p.m. Manufacturers, wholesalers and importers shall make no sales or deliveries at any time during the day. Reg. Pharmacists shall not make any sale at any time during the day without a prescription.

Correspondence was received from the Civil Defense Agency requesting the town to submit costs during the February and March snowstorms.

A letter was received from the Outdoor Advertising Division of the Comm. of Mass. notifying the Board of a public hearing to be held on an application #45651, John Donnelly & Sons - on Route 109 near P 20/85. The hearing is scheduled for April 22, 1969 at 10 a.m. in Room 505 at the Outdoor Adv. Div., 80 Boylston Street. It was decided to send a letter to the Board Secretary requesting that the hearing be held in Medway. A certified letter was sent on the next morning.

The Board of Selectmen appointed three Associate Members to the Zoning Board of Appeals: Mr. Allan Osborne, 1 yr. term, Mr. Peter Rutherford, two year term, and Mr. Walter Wasnewsky, three year term on a unanimous vote.

A notification was received on a conference and dinner to be held on May 1 at Dean Junior College. A registration form will be forthcoming on the affair.

Articles for the Special Town Meeting to be held on April 24, 1969 at the High School were discussed. The majority of articles were submitted by the Planning Board.

The Board voted to meet on April 22, 1969 because of the Patriot's Day Holiday that falls on April 21.

Mr. & Mrs. Robert Lilja, Mr. & Mrs. Clifford Young, Priscilla Road, Mr. Louis Tancer, Lovering Street, and Mr. Robert Rigoletti, Lovering Street appeared before the board to ask what could be done on the water problem that they are encountering. Mr. Young said that he had water in his cellar that amounted to approximately 32 inches. Mr. McGowan told the residents that the work to be done on Lovering Street for drainage had not been started because the town had voted down the appropriation at the Annual meeting. Mr. McGowan said that the problem would be alleviated when reconstruction of the area is done. He said that easements had been asked about two years ago but the residents never came up with the easements. The residents said they would offer easements if it would help the problem. The Board told the residents that they would go up and look over the situation with Mr. McGowan to see what could be done.

A lengthy discussion was held on the violation of the Jay-Moor Construction Co., leasing property from Walter J. Malloy. After discussing the matter it was decided that the property is located in a Commercial area and prohibits the housing of trucks, bulldozers, trailers and other large machinery. Mr. Borek said that a business of this type should go before the ZBA for a variance for some other location where it is not residential. Mr. Lahnston said that it would be annoying to him to have trailer trucks, etc. making all types of noise at 6 a.m. Town Counsel said the issue could be taken to court but would probably take months to decide. No decision was reached and the Board took the matter under advisement.

A letter was received from Walter J. Malloy complaining of a violation in zoning by Joseph Rojee, 162 North Street stating that Mr. Rojee was located in a residential district and although he had a business prior to 1951 he did not then have trailers which are now used for floats in parades openly parked on his property. The Board took the matter under advisement.

The Brockton Taunton Gas Co. was denied a permit for installation of gas mains on Campbell Street because the property does not belong to the town.

The meeting adjourned at 12 midnight.

Meeting of the Board of Selectmen
March 24, 1969

Mr. Edward Skeans, Holliston Street, appeared before the Board to request renewal of his Auctioneer's License. The Board approved his request. He also requested permission to conduct an Auction at 102 Lovering Street (Teschner Property) on March 29, 1969 from 10 a.m. - 8 p.m. Permission was granted.

Mr. Joseph Hennessey requested that the Board set a date for the Special Town Meeting to be held by the Planning Board sometime between the dates of April 17th and 30th. The matter was taken under advisement.

Mr. Joseph Malloy was granted permission to conduct an "American Red Cross Tag Day Sale" on March 28 and March 29 in front of Fernandes Shopping Center. He said he would contact the Manager at Fernandes on the matter. Permission was granted.

Mr. Richard MacInnes, 105 Milford Street appeared before the Board and stated that he was very concerned over the water problem on his property. He reminded the Board that money had been appropriated at the Annual meeting for drainage to eliminate his problem and asked when this would be started. Mr. McGowan then entered the meeting and said that the work would be started as soon as the weather permitted. He stated that his department had been busy checking with other problems. He said he would go to the MacInnes property the next day and pump any excess water. On other Highway Dept. matters, Mr. McGowan presented specifications and noted that the Highway Dept. Equipment Bids would be opened on April 7, 1969 at 8 p.m.

At 8 p.m. a public hearing was held on the joint petition of the New England Tel. & Tel. Co. to relocate telephone poles on Ellis Street (13). Mr. J. P. Melpignano, District Agent, Right of Ways for the N. E. Tel. & Tel. was present to discuss the matter. No abutters appeared. Permission was granted with the stipulation that the old poles be removed from the area. The petition was signed by the Board, turned over to the Town Clerk for recording and forwarded to Mr. Melpignano. (Underground Conduits) - James Sheehan, Plant Svc. Mgr. N.E. Tel. & Tel. - Framingham. (If poles are not removed.) The Board voted to advertise for bids on a "Photo-Copying Machine". Specifications to be obtained from Chairman O'Leary. Bids to be opened on Monday, April 7, 1969 at 8 p.m.

Mr. Angelo Spezzano telephoned Dr. O'Leary and asked to be considered to serve on the School Building Committee. The Board took the matter under advisement.

Mr. Timothy Higgins representing the "False Impressions" appeared before the Board with Mr. Richard Parella and Mr. Michael Parella. They submitted the following names as chaperones, as requested the previous week by the Board for a Teen-Age Dance at the Elementary School on April 12, 1969: Mr. & Mrs. Richard Parella, Mr. & Mrs. John Parella, Messrs. Richard & Michael Parella and Miss Diane Purington. The Board granted permission for the dance from 8-11 p.m.

Meeting of the Board of Selectmen

March 24, 1969 (Two)

Mr. Albert Pickering, Mr. Elliot Gessman, Millis and Mr. Augustus Leverone appeared before the Board to request permission to purchase antennas and coaxial cables for the Civil Defense Communications Center. They also presented designations in case of an emergency. On a Borek-Lahnston motion the Board voted to approve the request to purchase these items not exceeding \$90.

Chief William Giallonardo appeared before the Board to discuss departmental matters. He said he would like to appoint another patrolman and submitted the name of Richard Paulette. On an unanimous vote the Board created the position and voted to appoint Richard Paulette on a permanent intermittent basis pending his notification of his Civil Service Examination.

On a Borek-Lahnston motion, Mr. Arthur Choate was unanimously voted as Sub-Division Control Consultant. On a Lahnston-Borek motion, Mr. Arthur W. McLean was unanimously voted as a member to serve for a three year period on the Zoning Board of Appeals. On a Borek-O'Leary motion, Mr. Robert Goode was appointed Wiring Inspector. Selectman Lahnston abstained from voting. On a Lahnston-Borek motion, Mr. Robert Belland was appointed on a unanimous vote as Assistant Wiring Inspector.

Mr. McGowan discussed the danger of "footpath" from the North Elementary School to Holliston Street. He noted that in spots the water was very deep. Selectman Lahnston said that this path was closed by the School Committee sometime ago. It was decided to send a letter to Mr. John Bresnahan, Chairman of the School Committee recommending that this policy be adhered to because of the dangerous situation.

A letter was received the Board of Selectmen, Town of Norfolk informing them that they have written a letter to Governor Sargent about the Finance Committee's views on the tax situation. They suggested the majority medicaid payments be restricted. They asked the support of the Medway Board. Selectman O'Leary noted that he had written to Senator Quinlan on the matter voicing the Board's opinion.

A letter was received from Mr. Robert Mais, 86 Winthrop Street asking the Board why commercial equipment was allowed to park overnight and on weekends in the Winthrop Street Area. He asked if this was a residential area. The Board decided to send a letter to Mr. Mais and ask him to attend a meeting to discuss the problem.

The Board voted to meet with all appointed and elected town officials on Monday, May 5, 1969 at 8 p.m. at the Sanford Hall. Dr. O'Leary will prepare an Agenda and a copy will be sent to all departments, and personnel.

The Board asked the press to publicize the fact that organizations and groups should get permission from the Board for the use of Sanford Hall. They noted that many groups did not clear through the Board and as a result conflicted with others.

The weekly warrant was signed in the amount of \$ 34,900.86.

The meeting adjourned at approximately 11:45 p.m.

Richard J. O'Leary
Edwin J. Lahnston
Edward A. Borek

Meeting of the Board of Selectmen
March 17, 1969

The meeting of the Board opened at 7:30 p.m. with Chairman O'Leary, Edward A. Borek and Anton T. Lahnston. The minutes of the last meeting were read and approved.

The name of Ellen R. McDonough, 26 Milford Street, housewife, was drawn for jury duty for the criminal & civil session beginning April 7, 1969.

Mr. James Norton appeared before the Board briefly and stated his opinion on the appointment of a Wire Inspector for the town. He felt that Mr. Goode has been doing a good job and was qualified. The Board said that they would take the matter under consideration.

Mr. Timothy Higgins appeared before the Board, representing the group, "The False Impression" requesting a permit to hold a dance at the Elementary School on April 12, 1969. He said that he had inquired at the school and that they told him to get a permit from the Board before they allowed the dance. The Selectmen requested that Timothy return with a list of adult chaperones for the dance before a permit can be issued.

Miss Dale Fitzpatrick, and Miss Peggy Taylor appeared before the Board to seek permission to open a Boutique at the store on Main Street owned by Mrs. Mildred Crosby. The girls wished to sell clothing that they would make at home and earn money for college education. The Board told the girls that they would have to consult with Town Counsel. Later in the evening Town Counsel stated that it would have to be checked out to see exactly what type of business was to be operated and this would determine whether or not they would have to seek a variance from the Zoning Board of Appeals. Chairman O'Leary said that he would check with Mrs. Crosby to determine her intentions. Selectman Lahnston said that he "hated to kill the girls initiative, and thought that it was a good idea".

Fire Chief Joseph Julian appeared before the Board to discuss the new forest fire truck. The Board voted to award the bid to the Farrar Co, Woodville, Mass. Chief Julian said that it would probably be several months before the truck would be ready. He also sought to burn down immediately, while the ground is wet, the building on the Drew property on the corner of Wellington and Norfolk Avenue. Mr. Walter Johnson said that he would send a registered letter to Mr. Drew and notify him of the intentions. When this final attempt is made the building can then be destroyed.

Mr. Albert Pickering, Mr. Robert Ripley, and Mr. Augustus Leverone appeared before the Board to ask support of the Selectmen to reorganize the civil defense communications organization. Mr. Pickering noted that the town always had a strong communications system until 1964. Chairman O'Leary told the residents that a review was going to be made of the Civil Defense system. It was noted that the Civil Defense budget is now \$146. Chairman O'Leary suggested the men continue their efforts. The Board granted the men permission to use the Boston Edison room in the basement.

Mr. John Dronzel, 249 Village Street appeared briefly and stated that he was interested in local state aid problems. He said that he would do anything he could as an individual citizen such as writing letters to representatives when he thought it might help the program. Chairman O'Leary stated that the Legislative Bulletins would be on file in the library and that he and any other citizen could make use of the bulletins in finding out what bills were before the house, etc.

Mr. Irving Finklestein, appeared before the Board to seek permission for a sign at the Charles Building on 113 Main Street for Dr. Perlmutter. It was unanimously voted to give permission to Mr. Finklestein for the sign he submitted to the Board. Mr. Finklestein was notified by letter of the permission.

Selectmen discussed enforcement of the town by-laws on the parking of trucks and unregistered vehicles. Chairman O'Leary said that it has been a past policy to take action when a complaint was received in the area concerned. Selectman Lahnston argued the Board should enforce the by-law or change the by-law, but that the burden of a complaint should not be the responsibility of the citizens.

A Public Hearing was scheduled for the joint petition of the Boston Edison Co. and the New England Tel. & Tel. Co. for Monday, March 24, 1969 at 8 p.m. The abutters were notified. The hearing is for relocation of poles on Ellis Street.

A letter was received from the Bellingham Anniversary Parade Chairman, Mrs. Chase inviting the Board to participate in their parade on June 29 at 1:30 p.m. The Board said they would make every effort to try to attend.

A letter was received from Senator John Quinlan on the local aid problem. The Board decided to send Senator Quinlan a letter stating that they were of unanimous opinion that the five articles adopted by the Massachusetts Selectmen's Association Special Town Meeting on March 15, held in Stoughton expressed very concisely the feelings of the Board, and encourage Senator Quinlan to put much emphasis into the solution of the local aid problem.

A letter was received from Mr. Robert J. Penza, 17 Village Street, Medway, Mass. requesting permission to operate a Real Estate Business from his home on 17 Village Street. Permission was granted with the stipulation that if any traffic hazard developed the permit would be revoked. (Bomar Real Estate)

Chief William J. Giallonardo appeared before the Board to discuss departmental matters. He asked that Mr. David Consigli be appointed as a patrolman to fill the vacancy created by Henry M. Clements effective March 23, 1969. On a Borek-Lahnston motion David Consigli was unanimously voted as a permanent-intermittent patrolman pending results from his civil service examination. Also discussed was the appointment of Richard Paulette. The Board said that they would take the matter under advisement. Chief Giallonardo told the Board that Patrolman Spataro would not be back to work for at least two months and would like the Board to make a decision on what the legalities are on a physical examination. Town Counsel Handverger said that he would check into it. The Board agreed to have Mr. Spataro come to a meeting. Also discussed was the damage of the Police Cruiser. The Chief stated that he would check with Cecil King sometime this week, on the insurance claim.

A permit was issued to the Alumnae Association to hold a dance March 29, 1969 at the Elementary School.

The following were appointed on a unanimous vote of the Board:

Mr. David H. Youman, Town Accountant - Term expires 1972
Mr. Hyman Kramer - Director of Veterans' Services - 1 year
Mr. Harold Bemis - Cemetery Commissioner - 1 year
Mr. Fred B. Clark - Cemetery Commissioner - 1 year
Mr. Charles Crowley - Cemetery Commissioner - 1 year
Mr. Francis J. Kelley - Gas Inspector - 1 year
Mr. Joseph Niedbala - Assistant Gas Inspector - 1 year
Mr. Joseph Malloy - Measurer of Lumber - 1 year
Mr. William J. Giallonardo - Fence Viewer and Field Driver - 1 year
Mr. Allan G. Osborne - Veterans Graves Officer - 1 year

It was decided to have the members of the Conservation Commission attend the meeting of the Board on Monday, March 31, 1969 at 8:30 p.m.

The Weekly Warrant was signed in the amount of \$ 65,655.90

The secretary was dismissed at approximately 12:25 a.m.

The Board of Selectmen for the Town of Medway have received from MICHAEL E. ROJEE, and GEORGE A. CARAM, an application for a transfer of License for Wines & Malt Beverages not to be drunk on premises. License held by Henry J. Sadowski d/b/a Sadowski's Market, 116 Village Street, Medway, Mass. Said premises located at 116 Village Street. Consists of entrance on Village Street, rear door on School Street for receiving goods only. First floor, two rooms, no cellar. Front room for displaying goods. Back room for storage.

Very truly yours,
 BOARD OF SELECTMEN
 ANTON T. LAHNSTON, Clerk
 DR. RICHARD J. O'LEARY, Chairman
 5-11 APR 15 1969
 TOWN OF SHARON

Town of Medway Invitation To Bid

The Board of Selectmen of the Town of Medway, (Mass.) will receive sealed bids for a Photo Copying Machine. Specifications may be obtained from Dr. Richard J. O'Leary, Chairman of the Board of Selectmen. The outside of the envelope should be marked "PHOTO COPYING MACHINE BID" and delivered to the Board of Selectmen on or before April 7, 1969 at 8 P. M. at which time they will be publicly opened and read.

The Board of Selectmen reserve the right to accept or reject any or all bids or to accept a bid other than the low bid, if they feel it is in the best interest of the Town of Medway to do so.

Signed,
 Dr. Richard J. O'Leary
 Chairman

Anton T. Lahnston, Clerk
 Edward A. Borek
 Medway, March 28, 1969.

MEETING OF THE BOARD OF SELECTMEN
FEBRUARY 25, 1969

The meeting opened at 7:30 p.m. with Edward A. Borek, Richard J. O'Leary, and Richard J. Coakley. The minutes of the last meeting were read and approved.

Mr. Robert Lebert, 4 Pine Street, appeared before the Board to request permission to erect a sign at 113 Main Street. After a discussion on the matter, it was voted to allow him to erect a permanent 2 x 4 sign in the rear, (near the mail box) and a temporary 3 x 4 sign in the front.

Mr. Joseph Hennessey, Chairman, Planning Board discussed at length zoning regulations on use of advertising signs. Mr. Hennessey stated he would look further into information he has received from area towns on zoning regulations and try to come up with a regulation that would conform to use by the town.

Mr. Carl Eaton, 2 Clover Lane and Mr. Charles Leffler, 66 Winthrop Street appeared before the Board to discuss a drainage problem. Mr. Eaton stated that he would like the town to extend the drain. He stated that the drain, as it is now, is a health hazard and also a safety hazard. Mr. Borek said that the Board would discuss the matter with the Supt. of Highways, and as soon as the weather permits would go up and look it over and see what could be done.

The Board opened bids at 8 p.m. for the construction of a town barn. The following bids were received and opened:S&

S&M Co., Southboro - Masonry Building	\$ 44,900.
Metal Building	38,900.

Dura-Bility Construction, Medfield - Steel	35,450.
--	---------

Allied Steel Buildings, Norwood - Steel	33,900. (LOW BIDDER)
---	----------------------

A letter of Resignation was received from Mr. Paul Conlon, 379 Village Street resigning from the Finance Committee because of a transfer in his job. It was voted to accept Mr. Conlon's resignation with regret, and a letter thanking him for a job well done was sent to Mr. Conlon.

The School Addition Investigation Committee appeared before the Board and stated that they had organized with Mr. Edmund Charland, Chairman and Mr. Everett Peet, secretary. Other members attending were Mr. Richard J. Coakley, Mr. Robert Harrington and Mr. William Danforth.

The Board went into executive session at approximately 9:45 with Mr. David Yeuman.

It was voted to change the public hearing scheduled for Monday, February 24, 1969 to Monday, March 10, 1969 at 8 p.m. The hearing was scheduled in connection with a petition from the New England Tel & Tel. Co. for relocation of a pole on the corner of North & Holliston Street. The abbutters were notified of the change as well as the Telephone Co.

A permit was issued to the St. Joseph's Corps Club for a "Cherry" Whist to be held at the elementary school on Feb. 26, 1969.

The Board voted to meet and organize on Tuesday, March 4, 1969. The reporters were notified of the change in date.

The Secretary was dismissed at approximately 12:20 a.m.

Respectfully submitted:

Shirley A. Paulette

Shirley Paulette, Secretary

Meeting of the Board of Selectmen
February 17, 1969

Mr. Edwin Crimmings, Medway Housing Authority met briefly with the Board to discuss the possibility of a site for the housing for the elderly on the abandoned railroad property. Selectman Borek stated that he had the map at his home and Mr. Crimmings could pick it up during the week for a further look at it.

Fire Chief Joseph Julian and Fire Engineers Jerome Hanlon and William Douglas met with the selectmen to discuss the 1969 budget for the Fire Department. An increase from \$2.50 to \$4.00 an hour was requested for the call firemen and also an increase in salary for the Engineers and Captain. The Board noted that they had agreed to recommend up to eight percent increases for all departments and did not agree with the request. The Board felt that \$2.75 was a good figure but stated that they would like the matter discussed with the Finance Committee further before a definite decision is made. The Engineers noted that the surrounding towns were paying their men at much higher rates. Jerome Hanlon stated that he felt the Fire Department had been neglected for several years and that it was only fair for them to be considered. Chief Julian stated that his men did a good job and at times had to go out in the middle of the night with below zero weather. He also noted there had been seven major fires this year. Also discussed was the possibility of a new Forest Fire Truck. The Engineers told the Board that the 1939 Ford was in bad shape and it was very difficult to obtain parts when the Truck needs repairs. It was agreed that the Engineers should go out on bid and that an article would be inserted in the Annual Warrant. Selectman Borek stated that a space had been left on the Warrant specifically for this purpose and although the Warrant was at the Printer's he would see that it was added.

The following residents from King Phillip Road attended the meeting to discuss road improvements in the Charles River Road area: Mr. James O'Leary, Mr. Robert Higgins, Mr. Robert Ripley, Mr. Chet Oberlander, Mr. Richard Yeomans, and Mr. William Kirchdorfer. Mr. James O'Leary did most of the speaking for the group. He stated that homes had been on the road for seven years and during this time no road improvements had been made. He stated that parking was very inadequate and that there was a very dangerous condition because of the snow and a six foot drop into the river. He stated that they would like some kind of safety barrier put up. He said that a four wheel plow truck almost went into the river in the last storm. He said we have no street parking facilities and that if they ever got another storm on top of this one that they would be stranded. Mr. James O'Leary said that delivery trucks hesitated coming down the road and the mail truck parked at the end and walked down. Chairman Borek said that there are many streets in town that only have single lanes and thought that the Supt. of Highways did a fine job with the equipment he had. The residents requested tree stumps be removed and the road widened. Selectman Coakley said the problem wasn't as easy to solve as they might think. Money has to be appropriated, surveys made and recommendations made before work could be started. Selectman said they would discuss the problem with the highway Supt. The residents wanted to know when something could be done and also stated that they wanted some type of barrier immediately, for the six foot drop. The Board said that it would have to be voted at a town meeting probably in the early spring and if approved the work could possibly be started some time in May.

A letter was received from the Jay-Moor Construction Co. in regards to the letters sent to them informing them that they were in violation of the zoning by-laws. They told the Board to refrain from sending them any more letters that they were given permission to go as far as dumping debris on the property which they have not done-as of yet. They stated to refer any more complaints to Mr. Walter Malloy, with whom they have a year's lease. They also said that they had discussed the problem with Mr. Malloy and that he was willing to go to court on the matter. The Board agreed to consult with Town Counsel on the matter at the next meeting.

The Board discussed at some length the use of town sewerage with a representative from the construction company that was to build a Mars Department Store next to the Shopping Plaza. The Board looked over the blue-prints with the Builder and discussed whether the pipe would be sufficient for the surface drainage that would come from the area with the construction of this building. The Board said that they would like to discuss the matter with the highway supt.

*

The following men were appointed to the "High School Addition Investigation Committee" and notified of such. Mr. Everett Peet, Mr. Edmund Charland, Mr. Robert Harrington, Mr. William Danforth and Mr. Richard Coakley. Chairman Borek nominated Everett Peet, seconded by Selectman Coakley, opposed by Selectman O'Leary. Edmund Charland, 10 Prospect Street, nominated by Selectman Borek, and voted unanimously. Mr. Robert Harrington, Lincoln Street, nominated by Borek, seconded by Coakley and opposed by O'Leary. William Danforth, West Street, nominated by Borek, seconded by Coakley and voted unanimously, Richard Coakley nominated by Borek seconded by O'Leary and Coakley abstaining. Selectman O'Leary nominated John Bresnahan, with no second to the motion. According to the town meeting the group must report their recommendation within 60 days. Selectman O'Leary asked if this could also be a building committee. Borek stated they must report back and if the committee found it feasible the town could vote them as a building committee.

A public hearing was scheduled for Monday, Feb. 24, on the erection of a Telephone Pole at the corner of North & Pine Street. The Abouttours Mr. Edward Hanlon, and Mary B. Crowley were notified.

*Other names submitted for consideration to the the "High School Addition Investigation Committee" were as follows: Mr. Joseph White, Mr. Allan Richardson, Mr. Harold Bemis, Mr. Ralph Martin, Mr. Frank Farnum, Mr. Leonard Thomas, Mr. Max Greenberg, Mr. John Bresnahan, and Mr. William Bauer and Mr. Edward Handverger.

A permit was issued to the Alumnae Association for a dance at the Elementary School on Wednesday, February 19, 1969.

The meeting adjourned at approximately 12:30 a.m.

Respectfully submitted:

MEETING OF THE BOARD OF SELECTMEN
FEBRUARY 3, 1969

The meeting opened at 7:30 p.m. with Chairman Edward A. Borek, and Richard J. Coakley. The minutes of the last meeting were read and approved.

The Board received an invitation from the Bellingham "Brothers of the Brush" inviting them to a Dog Sled race to be held on Sunday, February 9, 1969. The Board accepted and acknowledged the letter from Mr. William Eltzroth of Bellingham.

The Alumnae Association was granted permission for the use of Sanford Hall on Sunday, February 9, 1969.

Mr. Wayne Miller, Chairman, School Building Committee asked permission to borrow money from the Consultant Fee Account. He estimated between \$500-\$600. The Board noted that there was only \$1500 in the Account.

Town Counsel submitted five articles for the Annual Warrant for the Town Sewerage Program. All the articles pertained to land taking either by purchase or by eminent domain.

The Board voted to send registered letters to Jay-Moor Construction Co. of Millis and to Mr. Walter Malloy stating that they were in violation of the zoning by-laws and to remove the vehicles from the property immediately or else the Board would commence with legal action. This letter was sent on the advice of Town Counsel Handverger.

It was voted to have the Fire Engineers attend the meeting of the Board on Monday, February 10, 1969 to discuss the Fire Department Budget for the year 1969.

The Annual Warrant was discussed. The Warrant includes 34 articles.

The Board discussed budgets at length. The Secretary was dismissed at approximately 11:15 p.m.

Respectfully submitted:

Shirley Paulette, Secretary

Meeting of the Board of Selectmen
January 27, 1969

The meeting opened at 7:30 p.m. with Chairman Borek, Dr. Richard J. O'Leary and Richard J. Coakley. The minutes of the last meeting were read and approved.

A letter was received from Senator Edward M. Kennedy confirming Dr. O'Leary's letter of January 5 regarding the continuation of the Postal Facilities at Medway Square. Senator Kennedy stated that he would look further into it and discuss the matter further.

Permission was granted to James E. Cassidy, Araphoe Road to erect a sign on property at 109. The principle name of the sign will read Gas Gil Real Estate and will be a 4 x 3. An additional sign will be used for promotional purposes and will be 4 x 2.

A permit was granted to the Odd Fellows for a "Bean Supper" to be held on January 31, at 6:30 p.m. at the Odd Fellows Hall.

The Board adjourned to the Planning Board rooms at the request of the Planning Board to attend their meeting to discuss a land taking on Ellis Street. The Planning Board meeting was also represented by Town Counsel, Highway Supt. McGowan, members of the Board of Health and Contractors Sanford Kaplan and Arthur Manoogian. An eight foot taking was discussed at length.

Police Chief William Giallonardo discussed traffic surveys that would start on Tuesday, January 28. The main concern would be Winthrop Street, Summer Street and Holliston Street. Also discussed was the budget and the Chief presented a brochure on the equipment. He also requested that permission be granted to add money in the budget for a camera. Chief Giallonardo stated that in certain violations it is mandatory to mug and print. Chairman Borek told the Chief to add it to the budget and he could discuss it with the Finance Committee.

Thomas McGowan, Highway Supt. discussed departmental matters with the Board. Chairman Borek showed Supt. McGowan correspondence from the Dept. of Public Works stating that the town should notify the Gas Co. when every installation of digging up of the roads is made. Mr. McGowan agreed that this should be done and also suggested that the Gas Co. should install lower lines than any other utility for safety measures. Chairman Borek also discussed the condition of Ellis Street with the Supt.

The Board discussed the Warrant and the Budget for 1969 at length.

The Secretary was dismissed at approximately 11:00 p.m.

Respectfully submitted,

Richard J. O'Leary
Richard J. Coakley

Meeting of the Board of Selectmen
January 20, 1969

The meeting opened at 7:30 p.m. with Edward A. Borek, and Dr. Richard J. O'Leary. Richard J. Coakley was absent. The minutes of the last meeting were read and approved.

A permit was issued to the Demolay for a dance at the Elementary School on February 8, 1969.

Correspondence was received from State Rep. George Woods stating that he had filed three bills that might be of interest to the local board. (1) State Board of Education adopt a standard plan for architectural construction. (2) Requirement of all banks including federal savings and loan associations make payments to cities and towns of monies held by them in their tax accounts and (3) A legislative amendment to the constitution provide for voting by citizens who have resided in the community for six months, within the town or district in which the right to vote is claimed for three months.

Selectman Richard J. O'Leary received notification from Donald P. Steele, Director, Boston Post Office Dept. relative to Dr. O'Leary's letter of January 5, 1969 on the keeping of the Post Office in Medway Square. Mr. Steele stated that the closing has temporarily been postponed until a further study can be made of the facilities.

Joseph Melpignano, District Agent, Right of Ways, New England Telephone & Telegraph Co. discussed at length the erection of poles on Ellis Street on the joint petition presented by New England Tel. & Tel. and Boston Edison Co. He stated that he would submit a new plan.

The Board voted to deny permission to Irving Finklestein's request of January 13, 1969 to advertise on the opposite side of a billboard located on his property on Route 109. Mr. Finklestein was notified in writing.

The Board discussed at length acceptance of new streets with Town Counsel. Town Counsel said that the Planning Board should request and secure deeds for any new roads from the contractor.

The Board was notified of the Norfolk County Association meeting to be held at Cedar Lodge in Stoughton on January 27, 1969. Because of a prior meeting scheduled with the Planning Board, Board of Health, Kaplan and Manoogian and Town Counsel at 8 p.m. to discuss the land taking at Ellis Street.

The Board discussed the meeting to be held at Holliston Town Hall on Wednesday, January 22, at 8 p.m. The Board plans to attend.

A permit was granted to St. Joseph's Corp Club for a Band Concert at the Jr. Sr. High School on January 26 and a permit for a Whist Pary at the Jr. Sr. High School on January 29, 1969.

The Board voted to appoint David Newton, 100 Lovering Street, photographer for the Police Department. Mr. Newton appeared earlier to request the appointment. He was notified of such.

Meeting of the Board of Selectmen January 20, 1969

Meeting of the Board of Selectmen
January 13, 1969

The meeting opened at 7:30 p.m. with Edward A. Borek, Richard J. O'Leary, and Richard J. Coakley present. The minutes of the last meeting were read and approved.

A letter was received from Mrs. Helen Converse, 21 Meadow Road, stating that she was interested in becoming a Policewoman in case of an opening.

Thomas McGowan, Highway Supt. was present and discussed departmental matters. Discussed at length was the petition of the New England Tel. & Tel. Co. and the Boston Edison Co. to install poles on Ellis Street. It was decided to get in touch with J. P. Melpignano, D/A, Right of Way, New England Tel. & Tel. and have him attend the next meeting to discuss the joint petition further and decide which side of the street the poles should be placed.

A letter was received from the Sudbury Board of Selectmen inviting them to attend a meeting with Mr. Buzzell, Special Counsel for overhead power lines. The meeting will be held Wednesday, Jan. 22, 8 pm at the Sudbury Town Hall. The Board will be attending the meeting at the Holliston Town Hall on the same night and will not be able to attend.

James E. Cassidy, Bellingham asked for permission to erect a sign for a real estate business to be located on Route 109 across from the Shopping Center on property owned by Irving Finklestein. The Board told Mr. Cassidy to submit exact specifications on what he wanted and they would discuss the matter.

At 8 p.m. the Board met with Wayne Miller and Mrs. Mary Downey, School Building Committee. Dr. O'Leary told the School Building Committee that he did not feel that the Board was "dragging their feet" as was previously issued in a statement by Mr. Ben Summers, member of the Building Committee in a newspaper release. Dr. O'Leary said the reason for not acting upon their request to have a town meeting sooner was that no money appropriation could be asked until Jan 1, 1969. Chairman Borek asked if the Committee still wanted a town meeting. Mr. Miller replied that they had been awaiting approval. Selectman Borek asked when they thought they would be ready. A date of February 6, 1969 on a Thursday was set. Selectman Borek told Mr. Miller there may be other articles and Mr. Miller said he preferred it be restricted to the school issue only because of its importance. Mrs. Joan Hunter and Mrs. Eleanor King, representatives of the Women League of Voters were present to observe.

A permit was granted to the Jaycees for a dance at the Elementary School on January 25, 1969.

Chief Giallonardo was present to discuss departmental matters. A letter was received from the DPW regarding speed limiting in the town and offering their assistance by personal contact. Chief Giallonardo said the surveys could not be done until spring. He said the project will be expensive due to high cost of signs. The Board will meet with the Chief on Tuesday, January 21, 1969 to discuss the 1969 budget.

A permit was issued to the Legion Post for a dance and all alcoholic beverages for Saturday, January 18, 1969 at Legion Hall.

At approximately 9:15 p.m. the Board met with Anthony Ozella, Wm. Kenney, Richard MacInnes, Town Counsel Handverger, Supt of Highways, Gerald Griffin to discuss the water problem on Milford Street. Selectman asked Ozella if he had filed original plans on the homes built on Milford St. and if he had intended to putting a road in. Ozella stated that the land was used up for construction of new homes and had no such intent. Selectman Borek stated houses in this area were above the road and the driveways should be lowered. Selectman Borek told Ozella he filled town land in front of the property where the water once flowed freely. Mr. MacInnes said the water is coming from the ground underneath the fill. Mr. Kenney disagreed. After a lengthy discussion it was agreed to run a drain on the opposite side of the street. Mr. McGowan said the highway is up in the area constantly working on the situation. It was decided that Mr. Ozella will be billed \$500. for pipe and the town will pay for the expense of installation. The contractor said if the condition still remains troublesome that he would then lower the driveways himself. All were agreeable. Mr. McGowan said that he would go ahead and order the pipe and the first good day he would do the work.

The matter of the Jaymoor Construction Co. leasing the building from Mr. Malloy on Barber street was discussed at length with Town Counsel .

Town Counsel Handverger ruled that Jaymoor was in violation. It was voted to send a letter to Jaymoor Construction and Mr. Walter Malloy asking that steps be taken immediately to relieve the condition.

Mr. Irving Finklestein requested permission to use the other side of an existing billboard sign for advertising. Mr. Finklestein said when he builds another building that the sign would then have to be removed, but until then he would like to make use of the sign. The board took the matter under advisement.

Edward Reardon met with the Board and discussed the 1969 town insurance budget. A total of \$20,489. was given, an increase of approximately \$1,500 over last year's budget.

The secretary was dismissed at approximately 11:50 p.m.

Meeting of the Board of Selectmen
January 6, 1969

The meeting opened at 7:30 p.m. with Edward A. Borek, Richard J. O'Leary, and Richard J. Coakley. The minutes of the last meeting were read and approved.

Mr. John Chiumento, Medway Jay-Cees inquired about permission to run a dance at some future date at one of the schools. Mr. Borek told Mr. Chiumento to contact the Supt. on the Schools and when they had a date to notify the Board for permission.

Mr. Thomas McGowan, Highway Supt. was present to discuss departmental matters. Discussed at length was the Milford Street water condition. Mr. Ozella sent a letter to the Board stating that he would not be able to attend this meeting but would attend the next meeting on January 13. Mr. MacInnes, 105 Milford Street will also attend the next meeting. A map showing the original drawing of Milford Street was reviewed by the Board and Mr. McGowan. Mr. Coakley stated that he had received several telephone calls on the matter from residents that felt it was not the Town's problem and that the Town should not have to rectify the problem. Selectman O'Leary stated that it was partially the town's error and that if some type of arrangement could be made with the contractors to share in the expense that it would be the best solution. Selectman Borek stated that something had to be done. Mr. Borek said that he had checked and the culvert was never recorded. The Board agreed that the Water Dept. should inform them when an installation is made. Mr. McGowan stated that the Water, Telephone and Gas had all added to the problem by adding excess fill in the area. The Board will discuss the problem further at the next meeting with Mr. Ozella, the Contractor.

A letter was received from the Planning Board, Town of Holliston, inviting the Board to a meeting to be held at the Holliston Town Hall on January 22, 1969 at 8 p.m. to discuss the airport. The Board plans to attend.

Representative John St. Cyr, Millis appeared before the Board. He told the Board he would like to hear from them on different issues of the town. He stated he was at the town office the third Thursday of each month to discuss any problems the townspeople may have. He notified the Board that towns may file bills anytime during the year.

Mr. Joseph Hennessey, Mr. Leo MacDonald, and Mr. Paul Mitchell, Planning Board members appeared before the Board to discuss planning board matters. Mr. Hennessey stated that the Planning Board had recently held a hearing on Multi-unit dwellings and that the Board felt that they would like another town meeting to clarify the issue on multi-family housing. Mr. Hennessey said that the Planning Board felt that they would like the articles entered in the Annual Town Meeting. He stated that it would give the Planning Board more time to inform voters on what the articles proposed, and that there would be a larger attendance. Mr. Hennessey stated that he had spoke to the Town Clerk and that the Nov. 18 articles should have gone into the Attorney General's Office in the next day or two. He said that they hoped to receive an answer by the next town meeting. The Selectmen felt that it would not be a good idea to submit these type of articles in an annual warrant, because of the controversial nature. Both Boards agreed to a tentative date of Feb. 20, 1969. The Planning Board also submitted their annual report, and the report of the field representative. Reports of three streets were presented

by the Planning Board; Meadow Road, Sunset Drive and Kenart Road. Selectman Borek stated that he would like the Planning Board to submit a full description of all the streets before they can be accepted at a town meeting. Mr. Borek said that he would like the Planning Board to submit plans on proposed sub-divisions.

Mr. Edwin Crimmings, Medway Housing Authority submitted his report for the year 1968. The Board told Mr. Crimmings that they would like him to submit a report for the Board of Welfare from January - June.

Mr. Gardner Rice, Lovering Street discussed water problems on his property with the Board. He said that he has had an increasing problem since the widening of Lovering Street. He said that the nearest catch basin was approximately 250'. He said that he would like the town to install a catch basin. The Board agreed that they would look at the problem before deciding what to do.

Police Chief Giallonardo was present and discussed departmental matters. The Board will meet with the Chief on January 21, to discuss budget for the year 1969.

A lengthy discussion was held on the Jay-Moor Construction Co. of Millis. Mr. Borek stated that he had received telephone calls from several residents stating that the Construction Co. had been dumping all sorts of debris in the town dump. Mr. Borek said that he had taken a ride down and looked over the place. He stated that they had inadequate toilet facilities, inadequate heating facilities and were also welding in the building. Mr. Borek said that he had spoken with a representative of the company and that he told him that he had a one year lease with Walter Malloy and that he would leave when the lease was up. The Company is also storing numerous trucks, bulldozers, unregistered trucks, plows, etc. on the property. Dr. O'Leary stated that he had received a call also on the matter and that the men had used vulgar language and that there were young children in the neighborhood. A petition was signed by residents awhile back and presented to the Board. At that time Mr. Walter Malloy was asked to attend the next meeting. He stated he was sending his lawyer to handle the situation. Mr. Handverger said that he was Mr. Malloy's lawyer and would look into the problem. The Board agreed that Jay-Moor is in violation of the zoning laws and should be asked to leave. Mr. Borek said that he would bring the matter up to Mr. Handverger when he returns from vacation. The Board of Health also discussed the matter and agreed to send a letter to the Co. informing them that they would no longer use the town dump.

A letter was received from the Framingham Trust Co. re/ Stock of the Fitz-Ren, Inc. After reviewing the letter it was agreed to check with Town Counsel on the matter before making any decision.

A discussion was held with the Board of Health on the town dump. Mr. Borek said that he was in favor of submitting an article for installation of a fence that would be big enough and strong enough so that people could not enter the dump in any way. He stated that hours should be set for better control.

The meeting adjourned at approximately 12 midnight.
