A. Evergreen Cemetery – now listed on National Register of Historic Places (Paul report)

Message from Barbara: "Just wanted to share the good news that the Evergreen Cemetery has been officially listed on the National Register of Historic Places. This is a wonderful recognition of the cemetery's important historical and cultural value and is a result of years of effort to document the cemetery's historical value by the Historical Commission, and in particular Paul Russell, as well as Jeanne Johnson and many other town residents. it looks like the Evergreen Cemetery was listed on August 4, 2021. If this is now official, I think we may want to make some sort of announcement."

B. Flagpoles and fencing

C. Flexible wraps around traffic signal boxes—further discussion?

D. Local Historic Districts—further discussion?

E. Holbrook bells—do we know where the Medway church bells (now unused) are located? Gene was going to give Jeanne Johnson a contact number to try to find out. On Oct. 6, Gene said he is working on it.
