The Town of Medway Electric Vehicle Charging Station Cost Recovery Policy

The Town of Medway will allow Town staff to charge their Town issued electric vehicles (EV) at no cost.

The Town of Medway will allow public access to the EV charging stations for a fee.

The fee shall be composed of the following elements:

1. Cost of electricity
2. Cost to maintain the Charge Point network license
3. Cost of the Charge Point Flex Billing fee (10% service fee)

The Cost Recovery Policy shall allow the Town flexibility to adjust the fee based on pricing changes to any one of the four elements.

Electric vehicles utilizing the charging stations longer than 8 hours will be charged a parking fee of \$5.00. Each additional hour will result in a \$5.00/ hour fee.

Any vehicle parked in a way that interferes with access to the charging stations is subject to parking violations enforced by the Medway Police Department.
