Medway Street Naming Committee  
October 31, 2019  
Sanford Hall - Medway Town Hall – 155 Village Street

Present:  Fran Hutton Lee, GIS Coordinator  
          Donna Greenwood, Assessor  
          Jeff Lynch, Fire Chief  
          Allen Tingley, Police Chief  
          Susy Affleck-Childs, Planning and Economic Development Coordinator

The meeting was convened by Susy Affleck-Childs at 1:05 pm to discuss two applications for street names.

**Evergreen Village – 22 Evergreen Street**
The Committee signed the application form authorizing the use of Balsam Way for the street name for Evergreen Village. This name had been agreed to at the September 30, 2019 meeting.

**William Wallace Village - 274 Village Street**
Susy reported that she had heard from Larry Rucki, the developer of the proposed William Wallace Village, after the September 30th meeting. They would like to go with Sterling Circle for the street name instead of Alba Way that had been agreed to at the September 30th meeting. Susy indicated that they understand it would have to be spelled “Sterling” not “Stirling” which is the more historically accurate word but one likely to be misspelled. The Committee signed the application form authorizing the use of Sterling Circle for the street name for William Wallace Village.

**Meeting Minutes**
Committee members reviewed the draft minutes of the September 30th Street Naming Committee meeting. A correction was offered by Fran Hutton Lee regarding the meaning of the word Alba. The word is not Gaelic, it is Roman. It does not refer to grandfather but was and is used to refer to Scotland.

*A motion was made by Jeff Lynch and seconded by Fran Hutton Lee to approve the minutes of the September 30th meeting with the correction as noted. The motion was approved unanimously.*

Susy thanked members for attending.

*A motion was made by Jeff Lynch and seconded by Donna Greenwood to adjourn the meeting. The motion was unanimously approved.*

The meeting was adjourned at 1:09 p.m.

Respectfully submitted,  
Susy Affleck-Childs  
Medway Planning and Economic Development Coordinator
