The work of the Oak Grove Task Force included meeting over the last 18 months to come up with the current Article which is to amend the Zoning Bylaw and Zoning Map to include a Form Based District which will be rezoning portions of the West Industrial Zone and Agricultural Residential II Zone to Oak Grove Business Park, and Oak Grove neighborhood zones. There will be transitional buffer zones within the zoning districts.

The Trust/Committee wanted to know what this bylaw change means in regards to affordable units in the town. It was explained that this does not change the requirement for affordable housing.
