I. PROCEDURAL HISTORY

1. On June 27, 2022, the Applicant filed for a special permit under Section 8.2 Accessory Family Dwelling Unit for the construction of an accessory family dwelling unit.
2. Notice of the public hearing was published in the Milford Daily News on July 20, 2022, and July 27, 2022, and notice sent by mail to all parties in interest and posted in Town Hall as required by G.L. c. 40A, §11.
3. The public hearing was opened on August 3, 2022. The hearing was closed the same evening.
4. The Property is located in the Agricultural Residential II (AR-II) District. The front setback requirement is 35 feet and the side and rear setback requirements are 15 feet. The minimum lot area requirement is 30,000 sq. ft. and the minimum frontage requirement is 150 feet. Accessory Family Dwelling Units are allowed by special permit.
5. The Board notified Town departments, boards and committees of this application. The Board did not receive any comments.
6. All documents and exhibits received during the public hearing are contained in the Zoning Board of Appeal's files and listed in Section V. of this Decision.
7. On April 21, 2021, the Board granted a special permit for this property for use as a two-family dwelling, as well as a variance based on the lot being undersized (only 9,138 square feet). The Board's Decision is recorded at the Norfolk County Registry of Deeds at Book 39522, Page 118.

II. TESTIMONY

Attorney Stephen Kenney was present representing the applicant to discuss the application. Attorney Kenney stated that the applicant had come before the Board in 2021 and was granted a special permit for a two-family home and a dimensional variance. Once the work had been done, the Building Inspector determined that the state Code requirements for a two-family home were not met, including fire code requirements. The applicant is now requesting the dwelling be considered an Accessory Family Dwelling Unit, since it does meet the Code requirements for an AFDU, and the prospective buyer would prefer it as an AFDU. Attorney Kenney stated that this would better fit the area of town, and that the dwelling unit would meet the AFDU criteria as stated in the Zoning Bylaw. The AFDU will be located in the basement, with the principal single-family dwelling occupying the first and second floor. It was explained that the "L" shaped section of the basement shown on the left side of the basement Floor Plan is not part of the AFDU, because it is used for HVAC and similar uses for the entire building. As a result, the portion of the basement that constitutes the AFDU is less than 800 square feet.

Chair White noted that a special permit and variance was granted in 2021 to allow the applicant to create a two-family home, and that it should be stated in the decision that the requirements for

a two-family home are not met, and if a future resident wishes to create a two-family home at this property, they will have to go through the proper avenues to do so. Attorney Kenney agreed to such a condition being included in the decision.

III. FINDINGS

In making its findings and reaching the decision described herein, the Board is guided by G.L. c. 40A, as amended, and by the Medway Zoning Bylaw. The Board also considered evidence and testimony presented at the public hearing and comments submitted by residents placed in the public record during the course of the hearings.

A. Section 8.2 Accessory Family Dwelling Unit Criteria

The Board found that the application meets all the required criteria for Section 8.2 on the following findings:

1. An accessory family dwelling unit shall be located within:

- a. a detached single-family dwelling (principal dwelling unit); or
- b. an addition to a detached single-family dwelling (principal dwelling unit); or
- c. a separate structure on the same premises as a detached single-family dwelling (principal dwelling unit).

The proposed AFDU is within a detached single-family dwelling (principal dwelling unit).

2. There shall be no more than one accessory family dwelling unit associated with a detached single-family dwelling (principal dwelling unit).

The proposed AFDU is the only AFDU on the premises.

3. No accessory family dwelling unit shall have more than one bedroom, unless a second bedroom is authorized by the Board of Appeals pursuant to 8.2.C. 8.

The proposed AFDU will have only one bedroom as shown on the Plot Plan.

4. An accessory family dwelling unit shall not exceed 800 sq. ft. of gross floor area.

The proposed AFDU will be less than 800 sq. ft.

5. There shall be at least one designated off-street parking space for the accessory family dwelling unit in addition to parking for the occupants of the detached single-family (principal dwelling unit). The off-street parking space shall be located in a garage or in the driveway and shall have vehicular access to the driveway. The location, quantity, and adequacy of parking for the accessory family dwelling unit shall

be reviewed by the Board of Appeals to ensure its location and appearance are in keeping with the residential character of the neighborhood.

There is at least one designated off-street parking space for the accessory family dwelling unit in the driveway of the subject property.

6. Occupancy of the single-family dwelling (principal dwelling unit) and accessory family dwelling unit shall be restricted as follows:

a. The owners of the property shall reside in one of the units as their primary residence, except for bona fide temporary absences due to employment, hospitalization, medical care, vacation, military service, or other comparable absences which would not negate the primary residency standard. For purposes of this Section, "owners" shall mean one or more individuals who hold legal or beneficial title to the premises.

The owners of the property shall reside in one of the units as their primary residence.

b. The accessory dwelling unit and the detached single-family dwelling (principal dwelling unit) shall be occupied by any one or more of the following:

i. the owner(s) of the property;

ii. the owner's family by blood, marriage, adoption, foster care or guardianship;

iii. an unrelated caregiver for an occupant of the detached single-family dwelling or the accessory family dwelling unit, who is an elder, a person with a disability, handicap or chronic disease/medical condition, or a child.

The accessory family dwelling unit will be occupied by the owner's relative.

7. An accessory family dwelling unit shall be designed so as to preserve the appearance of the single-family dwelling (principal dwelling unit) and be compatible with the residential character of the neighborhood. Any new separate outside entrance serving an accessory family dwelling unit shall be located on the side or in the rear of the building.

The accessory family dwelling unit is within the existing dwelling and is compatible with the residential character of the neighborhood. The new separate outside entrance will be located on the rear of the building.

B. Section 3.4 Special Permit Decision Criteria

The Board found that the application meets all the required Special Permit Decision Criteria for Section 3.4 on the following findings:

1. The proposed site is an appropriate location for the proposed use.

- 2. Adequate and appropriate facilities will be provided for the operation of the proposed use.*
- 3. The proposed use as developed will not create a hazard to abutters, vehicles, pedestrians, or the environment.*
- 4. The proposed use will not cause undue traffic congestion or conflicts in the immediate area.*
- 5. The proposed use will not be detrimental to the adjoining properties due to lighting, flooding, odors, dust, noise, vibration, refuse materials, or other undesirable visual, site, or operational attributes of the proposed use.*
- 6. The proposed use as developed will not adversely affect the surrounding neighborhood or significantly alter the character of the zoning district.*
- 7. The proposed use is in harmony with the general purpose and intent of the Zoning Bylaw.*
- 8. The proposed use is consistent with the goals of the Medway Master Plan.*
- 9. The proposed use will not be detrimental to the public good.*

The Board finds that the Applicant has demonstrated through evidence submitted, including the Plot Plan, the Floor Plans, review of the square footage and usage of the AFDU, that it has met all the required Special Permit Decision Criteria under Section 3.4 of the Zoning Bylaw.

IV. CONDITIONS OF APPROVAL

Based upon the findings of the Board and testimony and information received into the record during the public hearing process, the Board hereby **GRANTS** the Applicant, Reardon Family Irrevocable Trust, a **SPECIAL PERMIT** under Section 8.2 Accessory Family Dwelling Unit of the Zoning Bylaw for the construction of an accessory family dwelling unit on property located 201 Village Street (Parcel ID: 60-106) subject to the **CONDITIONS** herein:

1. Smoke, heat and carbon monoxide detectors must be installed in accordance with the Massachusetts Fire and Building Codes.
2. This special permit and is subject to all subsequent conditions that may be imposed by other Town departments, boards, agencies, or commissions. Any changes to the special permit and that may be required by the decisions of other Town boards, agencies or commissions shall be submitted to the Board for review as a new request.
3. Any work or use that deviates from this Decision may be a violation of the Medway Zoning Bylaw. All conditions imposed by this Decision are mandatory, and any violation of a condition imposed by this decision may be a violation of the Medway Zoning Bylaw. Any violations of this Decision may prevent the issuance of a building permit and/or occupancy permit, or result in the issuance of a cease and desist order, noncriminal penalties, or fines, as further provided in Section 3.1 of the Zoning Bylaw. Please note that Section 3.1.F of the Zoning Bylaw provides:

1. Anyone who violates a provision of this Zoning Bylaw, or any condition of a variance, site plan review decision or special permit, shall be punishable by a fine of not more than three hundred dollars for each offense. Each day during which any portion of a violation continues shall constitute a separate offense.
2. As an alternative means of enforcement, the Building Commissioner may impose noncriminal penalties pursuant to G.L. c. 40, § 21D and Article XX of the Town's General Bylaws, in accordance with the following schedule:
First offense: warning (verbal or written)
Second offense: one hundred dollars
Third offense: two hundred dollars
Fourth and each subsequent offense per violation: three hundred dollars
4. As provided in Section 3.4.E of the Zoning Bylaw, special permits shall lapse within two years, which shall not include such time required to pursue or await the determination of an appeal under G.L. c. 40A, §17, from the grant thereof, if a substantial use thereof has not sooner commenced except for good cause, or, in the case of a special permit for construction, if construction has not begun by such date, except for good cause. Upon receipt of a written request by the applicant filed at least 30 days prior to the date of expiration, the Board may grant an extension for good cause. The request shall state the reasons for the extension and also the length of time requested.
5. All site work shall be in compliance with the documents submitted to the Board as listed in Section V of this Decision, including the Plot Plan and Floor Plans, provided, however, that the Building Commissioner may approve minor changes in the course of construction that are of such a nature as are usually approved as "field changes" that do not require further review by the Board. The dimensions shall not be changed without Board approval, except that minor changes in dimension that do not increase the size of the addition or encroach on any required setback may be allowed by the Building Commissioner as field changes.
6. There shall be no tracking of construction materials onto any public way. Daily sweeping of roadways adjacent to the site shall be done to ensure that any loose gravel and dirt is removed from the roadways and does not create hazardous or deleterious conditions for vehicles, pedestrians or abutting residents. In the event construction debris is carried onto a public way, the applicant shall be responsible for all clean-up of the roadway which shall occur as soon as possible and in any event within twelve hours of its occurrence.
7. The owner must affirm that there is no connection whether direct or indirect to the Town storm water system from the site, including any drainage sump pump, perimeter drains, roof drains, or any other source.
8. This special permit shall be recorded with the Registry of Deeds prior to issuance of an occupancy permit for the accessory family dwelling unit.
9. Upon transfer of ownership of the property, if the new owners desire to continue to exercise the special permit, they must, within thirty days of the conveyance, submit a notarized letter to the Building Commissioner stating that they will occupy one of the dwelling units on the premises as

their primary residence, except for bona fide temporary absences, and that the accessory family dwelling unit is to be occupied by one of the parties specified in Section 8.2.C.6.b. of the Zoning Bylaw.

10. The owner of the property shall provide a bi-annual certification to the Building Commissioner verifying that the unit not occupied by the owner is occupied by one of the parties specified in Section 8.2.C.6.b. of the Zoning Bylaw, or that the space is being used for another lawfully allowed use pursuant to the Zoning Bylaw.

11. A driveway and parking area sufficient for the single family and AFDU use will be provided. Any existing impervious surface not used for the driveway and parking will be removed and replaced with landscaping and lawn.

12. To address the concerns raised by the abutter, the applicant agreed that no driveway, parking, or paving is allowed in the western area of the lot that is currently unpaved. This prohibition includes the rectangular area shown on the Plot Plan as bounded on the west by the property line; on the south, by the line from the back west corner of the building to the property line on the west with the notation 27.3'; on the east, by the west side of the building and a straight line from the front west corner of the building to Village Street, which includes the notation 38.3'; and on the north by Village Street.

13. No exterior changes to the building will be made other than what is required by building code, fire code or other code for the approved AFDU use.

14. The building may be used only as a single family dwelling with AFDU. It may not be used as a two-family dwelling unless it is made compliant, pursuant to a duly issued Building Permit, with all applicable fire, building, and other codes applicable to a two-family dwelling.

V. INDEX OF DOCUMENTS

A. The application included the following plans and information that were provided to the Board at the time the application was filed:

1. Application dated June 27, 2022.
2. Aerial view image of the property.
3. "Plan Showing Proposed Deck 201 Village Street," by D. O'Brien Land Surveying, dated June 20, 2018 (the "Plot Plan").
4. Unofficial Property Record Card for 201 Village Street, Medway, MA.

B. During the course of the review, the following materials were submitted to the Board:

1. Sketch floor plans titled "201 Village Street Medway, MA," undated (the "Floor Plans").
2. ZBA "Decision Special Permit and Variance 201 Village Street", dated April 21, 2021.

VI. VOTE OF THE BOARD

By a vote of 4-0 on a motion made by Gibb Phenegar and seconded by Christina Oster, the Zoning Board of Appeals hereby **GRANTS** the Applicant, Reardon Family Irrevocable Trust, a **SPECIAL PERMIT** under Section 8.2 Accessory Family Dwelling Unit for the construction of an accessory family dwelling unit at 201 Village Street (Parcel ID: 60-106), to be constructed in accordance with the application, the Plot Plan, and the Floor Plans, and subject to the **CONDITIONS** herein.
